**Tantra Yoga Secrets** Sri Ramakrishna Math

SHAKTI MANTRAS Tapping into the Great Goddess Energy Within • Enhance your spiritual gifts • Lighten your karmic burden • Improve your health and increase prosperity • Live in harmony with the universe Now, with Shakti Mantras, we can all benefit from this ancient practice. Thomas Ashley-Farrand, a Vedic priest, is an American expert in the intricacies of Sanskrit mantra. With nearly thirty years and thousands of hours of experience in chanting, he is supremely well-equipped to write the first book that teaches women (and men as well) to tap into the dynamic feminine energy of love in all its manifestations. By sharing enchanting Hindu myths and astonishing true stories from his own practice, Ashley-Farrand helps us to understand the real power that this age-old art awakens in those who perform it. Through dozens of actual mantras—each one presented with phonetic spelling for easy pronunciation and recommendations for specific applications—he enables us to increase our “shakti” (power) and use it to solve problems, ensure abundance, create health and well-being, summon protection, and invoke personal and universal peace. Whether you’re new to chanting or an old hand, Shakti Mantras will take you places you’ve never been before . . . and measurably enrich your life.

[Sadhana](#) New Harbinger Publications

Eternal salutations to Sri Durga, to Sri Kali, the boundless ocean of spiritual Wisdom who is the Divine Mother of the Universe. This ever-present Goddess epitomizes both the bliss of unlimited Awareness and the enthralling play of universal projection. She manifests countless beings abiding in an infinite set of worlds, seen and unseen, gross and subtle, hidden and exposed. Her existence is confirmed by the holy scriptures, for She is perceived intellectually by means of the Six Darshanas, Her perpetually flowing streams of eternal spiritual knowledge. She is approached and contacted by the devotees through intense sadhana, spiritual disciplines prescribed by the guru, and She is accessible through contemplation and meditation. Ultimately, She is realized as the essence of limitless Consciousness, infinite, indivisible, all-pervading and absolute... The Twenty-Four Aspects of Mother Kali, then, represent in book form an attempt to remind humanity of their divine parentage, of their divine nature, of their source of origin. It is hoped that those who are still asleep to this supreme verity called the Divine Mother of the Universe will have their inherent spirituality awakened; that those who have fallen into complacency or despondency will have their commitment to this non-dual Truth of existence rekindled; that those who are already abiding in this Truth will further exult in this sublime Essence of pure Being and continue to spread the pure light of Timeless Awareness to all inhabitants sporting consciously or unconsciously in the boundless ocean of the Universal Mother’s ineffable Grace.

**Vedic Yoga** MEKALA S RAO

This volume explores the potentials of Goddess spirituality in the field of cultural critique, and strings together innovative readings of already existing literary texts and cultural phenomena from the critical perspective of Goddess spirituality. The chapters explore a colourful array of texts and authors, and focus on issues as diverse as the persistence of the figure of the Magna Mater in the life, writing and thought of Swami Vivekananda and Sri Aurobindo, the inability of Advaita Vedanta to come out of the shadow of the Great Mother, the possibility of pluralizing the Eurocentric notion of the Muse by invoking the figure of Goddess Sarasvati in the field of English Studies, and a reappraisal of Kipling’s Kim from the perspective of the philosophical and spiritual discourses of Prajnaparamita, the Buddhist Goddess of Perfect Wisdom. The book also offers a comparative study of Minoan Goddess Spirituality and tantric philosophy with reference to Aphrodite, Diotima and the Indian Mother Goddesses, the possibility of simultaneously tantricizing notions of modernity and

modernizing tantra itself with reference to the works of Lata Mani and William Schindler, and an investigation of the Mother-centric spiritual sensibilities in various religious discourses and devotional literatures, among other discussions. In short, this book investigates the possibilities of inserting the figure of the Great Mother into the critical domain of cultural pluralism, thereby celebrating a multiculturalism that is not based on violence and conflict (antagonism) but grounded in harmony. The Mother is seen by the discourse articulated here mainly as a middle ground between flesh and spirit, knowledge and passion, justice and compassion – and, in the red shadow of the Mother, social epistemologies and academic discourses are radically renegotiated.

**Mother of the Universe** Motilal Banarsidass Publishe

At the Eleventh Hour is more than just a biography about the accomplishments of Himalayan master Swami Rama and an overview of the profound system of yogic knowledge he brought to the West. This book tells the story of Swamiji through the eyes of Pandit Rajmani Tigunait, PhD, his devoted student and successor as the spiritual head of the Himalayan Institute. As you read Pandit Tigunait’s account of life with his master, you will gain insight into the guru-disciple relationships Swami Rama had both with his master and with his own students. This book serves as a guide to some of the more esoteric practices of tantra not commonly known or understood in the West. It brings you to holy places in India, to the source of the Himalayan Tradition, revealing why these sacred sites are important and how to go about visiting them. The wisdom in these stories penetrates beyond the power of words. Discover the legacy of a true Himalayan master and the nature of the yogic wisdom he shared. Purchase your copy of At the Eleventh Hour today!

[Sri Ramakrishna, the Great Master: His Sadhana](#) Quest Books

This extraordinary new book shows us how to connect with the Devatas, the Divine powers of the universe to develop our deeper Yoga practice. It features special chapters on the Shiva Linga, meditations on Shakti in nature and in the human body, Shakti in the practice of Yoga, special knowledge of the chakras (including the spiritual heart and the crown chakra), the four internal energy centers of Fire (Agni), Sun (Surya), Moon (Soma) and Lightning (Vidyut), the practice of Drishti Yoga (Yoga of perception), Shambhavi Mudra, and important mantras to Shiva, Kali, Bhairavi and Sundari. It contains a wealth of deep yogic knowledge not easily available today and based upon traditional Sanskrit sources.

The tradition of the Himalayan sages that exists today is an unbroken chain that extends for more than 5,000 years. Undisturbed by the passage of time, this tradition is not concerned with teachings that apply only to a particular era of history or geographical region of the world—its entire emphasis is on the experience of the universal truth of who we are. The Himalayan Masters: A Living Tradition explores the lives and teachings of eight prominent sages of this timeless tradition—men who knew how to be successful in daily life while experiencing the innermost truths of life here and hereafter. Pandit Tigunait brings the experiences and teachings of these great masters to life, with practical insights into how to discover and understand life’s richest secrets for ourselves. Purchase your copy of The Himalayan Masters: A Living Tradition and discover the perennial wisdom of the Himalayan sages.

[The Himalayan Masters](#) Lotus Press

The Hindu pantheon is rich in images of the divine feminine—deities representing a wide range of symbolic, social, and meditative meanings. David Kinsley’s new book documents a highly unusual group of ten Hindu tantric goddesses, the Mahavidyas, many of whom are strongly associated with sexuality and violence. What is one to make of a goddess who cuts her own head off, or one who prefers sex with a corpse? The Mahavidyas embody habits, attributes, or identities usually considered repulsive or socially subversive and can be viewed as “antimodels” for women. Yet it is within the context of tantric worship that devotees seek to identify themselves with these forbidding

goddesses. The Mahavidyas seem to function as "awakeners"—symbols which help to project one's consciousness beyond the socially acceptable or predictable. Drawing on a broad range of Sanskrit and vernacular texts as well as extensive research in India, including written and oral interpretations of contemporary Hindu practitioners, Kinsley describes the unusual qualities of each of the Mahavidyas and traces the parallels between their underlying themes. Especially valuable are the many rare and fascinating images he presents—each important to grasping the significance of the goddesses. Written in an accessible, engaging style, Kinsley's book provides a comprehensive understanding of the Mahavidyas and is also an overview of Hindu tantric practice.

*Shakti Rising* Simon and Schuster

A collection of thirty-three self contained articles on four subjects: - Mother Worship - Vedanta Sadhana according to Acharyas - Vedanta Sadhana according to Scriptures - Vedanta Sadhana according to Spiritual Teachers

**The Book of Kali** Univ of California Press

Winner of the 2017 Nautilus Gold Book Award! The wisdom of the Mahavidyas, the ten wisdom goddesses who represent the interconnected darkness and light within all of us, has been steeped in esoteric and mystical descriptions that made them seem irrelevant to ordinary life. But with this book, written by a respected cardiologist who found herself on a spiritual search for the highest truth, you're invited to explore this ancient knowledge and learn how it can be applied to daily struggles and triumphs—and how it can help you find unreserved self-love and acceptance. The pursuit of contentment is an innate part of the human experience, arising from a fundamental sense of lack or inadequacy—all the things we believe to be wrong with us when we compare or judge ourselves. In our search for peace and happiness, we may find ourselves fighting the shadows within us, trying to repress or disown certain qualities, especially our anger, violence, discomfort, craving, and disappointment. But in order to stop this fight, we must expand our understanding beyond the dualities of good versus bad, right versus wrong, and beautiful versus ugly, and accept the parts of ourselves we've tried to deny. Pulling from Eastern traditions including tantra and yoga, and focusing on the feminine principle of divine energy also known as Shakti, this book bridges the divide between dualistic concepts and non-dual philosophy. By exploring the symbolism of the Mahavidyas (Kali, Tara, Tripurasundari, Bhuvaneshwari, Tripura Bhairavi, Chinnamasta, Dhumavati, Baglamukhi, Matangi, and Kamalatkika)—each with a veiled face representing a destructive quality that perpetuates ignorance and suffering, and a true face representing the wisdom that stimulates profound transformation and liberation—you'll learn to embrace and incorporate every aspect of who you are. With practices, self-inquiry prompts, and stories from the author's own spiritual seeking, this exploration of the divine feminine will gently reveal the source of your fear, pain, and suffering, showing you that when you allow those parts of yourself to arise and simply be, you can finally begin to heal, overcome your limitations, and open to the light and beauty of your true nature.

Essays of a Lifetime Motilal Banarsidass Publishe

In Praise of Adya Kali details the goddess Kali, and her culture of devotion in West Bengal and South Asia. Different from most contemporary books about this Dark Goddess, this book offers a liturgy of worship—a spiritual practice, the Song of the Hundred Names of Adya Kali, that readers can use to cultivate a direct devotional relationship to Kali. In Praise of Adya Kali is also a context-setting guide, establishing this practice as a general orientation to life. Most compelling, the text of this liturgy and Commentaries contain an intimate revelation of how the goddess establishes herself in her devotees' bodies and thus intervenes, by unconditional love and acceptance, in their lives. A lengthy Introduction, both scholarly and personal, describes the goddess and the possibilities that these prayers will offer. Aditi Devi guides us in how to build a shrine to Kali, various types of offerings to make to her, and suggests a schedule for how to use this liturgy with a long-term commitment over the course of 108 nights. "This Song of the Hundred Names is a powerful teaching that all forms are her forms," the author notes. Male, female, or other gendered, readers are presented with the possibility to experience the depths of their own internal feminine energies, and thereby come into greater healing and wholeness, more readily able to express this often neglected part of ourselves. *Yogini* SCB Distributors

Presents the mystery of the Divine Mother in all her manifold aspects • Explores more than 30 different goddess aspects of the Shakti force, both beneficial and malefic • Includes Sanskrit hymns and classic verses by Sri Auribindo for each of the goddesses Shakti is synonymous with the Devi, the Divine Mother or divine power that manifests, sustains, and transforms the universe. She is the womb of all creatures, and it is through her that the One becomes the many. Our first and primary relationship to the world is through the mother, the source of love, security, and nourishment. Extending this relationship to worship of a cosmic being as mother was a natural step found not only in the Shakti cult of Hinduism but also in ancient Greek, Egyptian, and Babylonian cultures. Shakti presents more than 30 goddess incarnations of the Divine Mother that represent both the beneficial and malefic aspects of the Shakti force. From Lakshmi, Parvati, and Saraswati to Durga, Chandika, and Kali—each of the different functions of the female goddesses in the Hindu pantheon is revealed, accompanied by traditional Sanskrit hymns, classic verses by Sri Auribindo, and discussions of tantric philosophy. The author draws from the Devi Bhagavatham, which describes all the stories of Shakti, and the Devi Mahatmyam, the most powerful scriptural text that glorifies Shakti in her form as Durga. Using these texts she shows that through the power and grace of the Divine Mother we may be released from the darkness of ignorance and taken to the abode of knowledge, immortality, and bliss—the source from which we have come.

**Kularnava Tantra** Penguin Books India

Today's globalized society faces some of humanity's most unprecedented social and environmental challenges. Presenting new and insightful approaches to a range of these challenges, the timely volume before you draws upon individual cases of exemplary leadership from the world's Dharma traditions—Hinduism, Sikhism, Jainism, and Buddhism. The volume's authors refer to such exemplary leaders as "beacons of Dharma," highlighting the ways in which each figure, via their inspirational life work, provide us with illuminating perspectives as we continue to confront cases of grave injustice and needless suffering in the world. Taking on difficult contemporary issues such as climate change, racial and gender inequality, industrial agriculture and animal rights, fair access to healthcare and education, and other such pressing concerns, Beacons of Dharma offers a promising and much needed contribution to our global remedial discussions. Seeking to help solve and alleviate such social and environmental issues, each of the chapters in the volume invites contemplation, inspires action, and offers a freshly invigorating source of hope.

The Graceful Guru State University of New York Press

The Akshaya Patra series is written as a book to augment books of philosophical inquiry; and to assist true inquiry in such a way, so as to inspire the Mysteries that unfold on the path of initiation. Let us begin by breaking bread together, by this first step, that we may destroy the tome of ignorance with that first principle in prayer saying; "A house that is loved is always satisfied." This house is the Temple of Self; inspired by life and the touch of nature, the Akshaya Patra throughout is filled with inner depth and determination. These first works of the Akshaya Patra, were inspired by, and dedicated to, Bhagavan Sri Sathya Sai Baba, whose influence was, and still is, too vast for words; and whose love has satisfied the genius in this Tomb and Tome of Time. This first book of

Volume ONE begins, with the features of introductory, for taking the earliest footsteps, on the path of sacred life; dedicated to Self-Transformation. As a Tree of Knowledge is planted, its roots fan out thru many traditions, and its branches stretch to provide shelter and protection over all. Its leaves call for all to come and take their share of comfort beneath the shadows in its shade; delighted and lighted by the sun by day, and with night fascinated to discover the ringlets of the moon and stars that gave first light in the residence of space. We are THAT Time, we are that Space; we are that Consciousness. "Tat Twam Asi" ... the pursuant in pursuant search, in the sea, of supreme reality. Self-Mastery is a personal journey and there is only one friend; and that is the sacred messenger, who comes to life as the resident within. There are many years involved in coming to this writing of the Akshaya Patra Series. The examinations here have taken us to this first place in the writing; that is nothing more than the satisfaction of ethical journey, working forward from the true beginning. There are many more volumes and books to follow for us, in order to reach our destination in this vast work of self-transformation. Are we ready? Are we deserving? We have been fooled by fools maybe, and we are, or are we, the fools to dream that we are more than this fool we have come to be. We come to this knowing that we have not come to terms with our true identity. Maybe we have fed ourselves unwisely, and only broken bread that is dry, tasteless, and come unsatisfied, from drink before a shallow empty well. The Akshaya Patra Volume ONE Book ONE; entitled Manasa Bhajare: Worship in the Mind; means to satisfy. The Mind will be the first portal passed; before transitioning thru its own death and resurrection. It is here in this first book of Volume ONE that we are first entertained; breaking down our traditions that take shape into something immaterial but tangible. In all, Volume ONE alone will consist of nine books. More to be published. This is Book ONE. Seven Volumes are written and every day these are maturing waiting for release. Currently there are hiding behind this Volume ONE Book ONE about 17 books written... It is to unfold the culmination of a lifetime of work. Each Volume evolves thru seven stages of Initiation; as if passing thru seven days labor on the path towards liberation. In this it is like the Bhagavata. Our purpose, objective and ends may be summed up in the advice given in these words of Sai Baba: (True knowledge) instructs you to reform yourself first. After transforming yourself, try to reform others. That is the advice offered by Vidya (True Knowledge). The delusive attachment to the objective world can be uprooted by means of selfless service rendered as worship to the Lord. Genuine devotion is characterized by LOVE FOR ALL, at all times, everywhere. Sai Baba

**Cradle Tales of Hinduism** Advaita Ashrama (A Publication House of Ramakrishna Math, Belur Math)

The mythology, rituals, meditations, and practices used in Tantric worship of the goddess Kali in the tradition of Kashmiri Shaivism • Reveals the practices of Vamachara, known as the Left-hand Path but more accurately translated as the Path of Shakti • Includes a Kali ritual from the Nirrutara Tantra, translated here for the first time • Presents devotional chants, meditations, and mudras specific to Tantric worship of Kali According to traditions going back to pre-Vedic times, Kali sprang from the third eye of the Goddess Durga as a destructive and terrifying manifestation of feminine power sent to lay waste to the forces of evil. Throughout India to this day, Kali is worshipped as the destroyer of bondage, capable of liberating her devotee from all rules and subjugation. In Tantric Kali, Daniel Odier presents the mythology, practices, and rituals of Kali worship in the Tantric Kaula tradition within Kashmiri Shaivism. He reveals the practices of Vamachara, commonly known as the Left-hand Path but more accurately translated as the Path of Shakti. In this tradition the body itself is Kali's temple, and it is therefore unnecessary to reject or deny the body to know union with the divine. Instead, nothing is regarded as pure or impure and there is complete freedom from rules. Focused on working directly with forbidden emotions and behaviors, this path allows the seeker to transcend obstacles to liberation through sexual union. According to the Kaula Upanishad, "In your behavior do the opposite to what the norms dictate but remain in consciousness." This is the essence of Tantra. Kali is absolute reality: manifested as woman intoxicated by desire, she frees the tantric practitioner from all desire except union with the divine. The author includes an evocative ritual from the Nirrutara Tantra—never before translated into any Western language—invoking devotions to the 64 yoginis according to Matsyendranath, founder of the Kaula path. Offering devotional chants, meditations, and mudras specific to Tantric worship of Kali, this empowering book provides practices and teachings for those on the Tantric path to liberation.

**Prabuddha Bharata** Rowman & Littlefield

How do you live a life of spiritual awakening as well as outer abundance, inner freedom as well as deep intimacy? How do you serve the world selflessly, yet passionately celebrate your life? The sages of Tantra have known for centuries that when you follow the path of Shakti—the sacred feminine principle personified by the goddesses of yoga—these gifts can manifest spontaneously. Yet most of us, women as well as men, have yet to experience the full potential of our inner feminine energies. When you know these powers for what they are, they heighten your capacity to open spiritually, love more deeply and fearlessly, create with greater mastery, and move through the world with skill and delight. In *Awakening Shakti*, you will learn how to recognize and invite: Kali, bringer of strength, fierce love, and untamed freedom; Lakshmi, who confers prosperity and beauty; Saraswati, for clarity of communication and intuition; Radha, who carries the divine energy of spiritual longing; Bhuvaneshwari, who creates the space for sacred transformation; Parvati, to awaken creativity and the capacity to love; With a wealth of meditations, visualizations, mantras, teachings, and beautifully told stories, *Awakening Shakti* provides a practical guide for activating the currents of the divine feminine in every aspect of your life. "Sally Kempton's new book is a treasure that brings myth, meditation, and everyday revelation together in a way that will allow every woman to embody the divine feminine in her life. Sally enlivens the full spectrum of the goddess—from independent protector, to lover, to dynamic and powerful creatrix. I highly recommend this soon-to-be classic!" —Shiva Rea, yogini "Sally Kempton has given us a mythic manual for a new kind of feminism—a feminism of the soul. And this is a good thing, because humanity needs feminine power now as both a healing tonic and a source of reinvention." —Elizabeth Lesser, cofounder of the Omega Institute, author of *Broken Open: How Difficult Times Can Help Us Grow*

**Ayurvedic Astrology** Weiser Books

The Path of the Rishi is one of the first and most detailed books published in the West on the ancient Vedic origins of Yoga, including all aspects of its philosophy and practice. The book reveals secrets of the Vedic Yoga from the teachings of Sri Aurobindo, Ganapati Muni, Brahmarshi Daivarat, and Swami Veda Bharati as well as Vamadevas own insights. It challenges popular ideas of the meaning of Yoga and brings Yoga back to the vision of the ancient Himalayan Rights.

**Awakening Shakti** Cambridge Scholars Publishing

*Yogini: Unfolding the Goddess Within* is a unique record of personal experiences that portray in its various fascinating episode the secrets of the magical world of Tantra. It shows how the gods and goddesses can manifest themselves within our daily lives, taking us from the mundane to the sublime and making our days and nights a dance of wonder and delight.

*Shakti Mantras* Simon and Schuster

One of the most unconventional yet immensely popular deities in the Hindu pantheon, goddess Kali essentially represents the dark and contrary aspects of the cosmos. Her naked form and association with violence, blood and gore challenge the very concept of divinity. Yet, over the centuries, she has come to represent a whole gamut of conflicting images—from bloodthirsty ogress to benign goddess.

So today while she is venerated as Chamunda, a deity who verges on the macabre and grotesque, she is also adored in household shrines in one of her milder forms, Dakshina-Kali. It is this evolution of Kali-from her origin as a tantric goddess to her metamorphosis into a divinity in mainstream religion-that Seema Mohanty captures brilliantly in this book. Drawing upon a variety of sources-rituals associated with the worship of Kali, tales from the Ramayana, the Mahabharata, the Puranas, the Tantras and Agamas, folklore and films-she has succeeded in portraying in engrossing detail the myriad manifestations of the enigmatic deity that is Kali.

*Belur Math Pilgrimage* Sounds True

This book provides an excellent introduction to the essence of Hindu Tantrism, discussing all the major concepts and correcting many existing misconceptions.

The Akshaya Patra; Manasa Bhajare: *Worship in the Mind* Taylor & Francis

The practice of Tantra Yoga is considered to be the highest and most rapid path to enlightenment. Master teacher Mukunda Stiles offers 18 lessons in *Tantra Yoga*, a practice of transformational self-healing in which we can deepen awareness of our bodies, their energy forces, and the connections to the natural world around you and those you love. While many movements today describe tantra as a sexual practice promising longer and better orgasms, increased stamina, and ecstasy, the real Tantra aims to awaken Kundalini, the dormant potential force in the human personality. The Tantra tradition includes a vast range of practical teachings leading to the expansion of human consciousness and the liberation of primal energy. By heightening their awareness to this connective energy, readers will learn to embrace and develop a higher level of intimacy, the heart of tantra. Stiles explains this intimate and life-changing practice with grace, structure, and clarity--an easy-to-follow Tantra Yoga workshop in book form. *Tantra Yoga Secrets* will empower readers to overcome emotions, gain new knowledge, and live a more fulfilling spiritual lifestyle.
