The definitive biography of Cristiano Ronaldo, named Football Book of the Year at the Cross Sports Book Awards 2016 Fully updated to include the 2017-18 season and Ronaldo's transfer to Juventus Cristiano Ronaldo is one of the greatest footballers of all time, a dream he pursued from the age of just twelve when he left his humble origins on Madeira behind. It wasn't long before he had the biggest clubs in Europe knocking on his door, but it was Manchester United who won the race for his signature. Under the tutelage of Sir Alex Ferguson, Ronaldo developed into the complete footballer and athlete, winning three league titles and a Champions League along the way. He then became the biggest galáctico of them all when he transferred to Real Madrid for a record-breaking fee. Unprecedented success in the Champions League and a record-equalling five Ballons d'Or followed, before his sensational move to Juventus in the summer of 2018. Guillem Balagué, respected football journalist and expert on the Spanish game, provides the definitive account of a twenty-first-century footballing icon.

Sports and Violence is an edited collection arising out of the 2016 Sports and Violence Conference, hosted at the Ashland Center for Nonviolence at Ashland University, Ohio, USA. This volume contains 11 essays authored by a range of scholars reflecting on the confluence of violence within organized sports. The three sections of the book (history, theory, and practice) create a full-scale exploration of this topic. The authors not only detail past phenomena of sports violence, but also offer ethnographic and sociological explorations alongside philosophical treatments of sports violence. Crucial to the volume's treatment of a wide range

of phenomena associated with sports violence is not only how it addresses violence within sport, but also how it considers the ways that sport fosters and mitigates violence outside of sports, and how audiences and spectators contribute to, and are shaped by, the practice of sports.
