In this BST volume, David Firth explores the paradoxically important book of Esther and its implications for our own context, where the reality of God's presence is experienced against a backdrop of God's relative anonymity and seeming absence. It calls us to courageously engage society and be at the forefront of standing for justice while trusting in the God that is always at work.

Winner of the 2017 Nautilus Award in the Religion/Spirituality of Western Thought category A bestselling author and rabbi's profoundly affecting exploration of the meaning and purpose of the soul, inspired by the famous correspondence between Albert Einstein and a grieving rabbi. "A human being is part of the whole, called by us 'Universe,' a part limited in time and space. He experiences himself, his thoughts, and feelings as something separate from the rest—a kind of optical delusion of his consciousness..." —Albert Einstein When Rabbi Naomi Levy came across this poignant letter by Einstein it shook her to her core. His words perfectly captured what she has come

to believe about the human condition: That we are intimately connected, and that we are blind to this truth. Levy wondered what had elicited such spiritual wisdom from a man of science? Thus began a three-year search into the mystery of Einstein's letter, and into the mystery of the human soul. What emerges is an inspiring, deeply affecting book for people of all faiths filled with universal truths that will help us reclaim our own souls and glimpse the unity that has been evading us. We all long to see more expansively, to live up to our gifts, to understand why we are here. Levy leads us on a breathtaking journey full of wisdom, empathy and humor, challenging us to wake up and heed the voice calling from within—a voice beckoning us to become who we were born to be.

Christians who want to take the next step in their faith walk need look no further. It's time to ante up and go all in with God. The Gospel costs nothing. You can't earn it or buy it. It can only be received as a free gift, which is compliments of God's grace. It doesn't cost anything, but it demands everything. It demands that we go "all in," putting all that we have into God's hands. But why do so many Christians hesitate to do that? And when did we start believing that the Gospel is an insurance plan? We're afraid that if we go all in that we might miss out on what life has to offer. But Jesus did not die to keep us safe. He died to make us dangerous. So, let's step out of spiritual no man's land and kneel at the foot of the cross of Christ and surrender to his lordship. It's time to dethrone yourself and enthrone Christ as king, and Pastor Mark Batterson is here to show you how. Using his customary vivid, contemporary illustrations, as well as biblical characters like Shamgar, Elisha, Jonathan, and even Judas, you will be challenged to trade what Batterson calls "inverted Christianity" for true discipleship as you strip away your excuses and inhibitions and follow God completely. It's now or never. Are you ready to go all in and all out for God? Also available: All In student edition, video curriculum, and study guide.

The Message of John NAVPRESS

Do you want to have a better understanding of the Bible? Do you want to see the big picture and how all the pieces tie together? Do you want to have a deeper appreciation for how the New and Old Testaments compliment one another? One of the secrets to this better understanding is to forget about chapters and verses and focus on reading whole books of the Bible. By doing so, it will be much easier to understand the author's train of thought and pick up on major and minor themes. Beyond the Verse is a collection of Wes McAdams' observations as he embarked on--and completed--a transformational journey of reading whole books of the Bible in one sitting. These summaries were originally published as blog posts, helping countless people become better students of the Bible. And now, this book has been created to help you notice important themes, ideas, and concepts to transform the way you read Scripture.

The Woman's Study Bible Tommy Nelson

In *The Pastor*, author Eugene Peterson, translator of the multimillion-selling *The Message*, tells the story of how he started Christ Our King Presbyterian Church in Bel Air, Maryland and his gradual discovery of what it really means to be a pastor. Steering away from abstractions, Peterson challenges conventional wisdom regarding church marketing, mega pastors, and the church's too-cozy relationship to American glitz and consumerism to present a simple, faith-based description of what being a minister means today. In the end, Peterson discovers that being a pastor boils down to "paying attention and calling attention to 'what is going on now' between men and women, with each other and with God."
