This combination Tigrinya phrasebook and two-way Tigrinya-English dictionary is an essential reference while traveling in Eritrea and Ethiopia. The Hippocrene Dictionary & Phrasebook series allows you be a traveler, not a tourist, by connecting with the local culture and people in their native language. Tigrinya (also written as Tigrigna) is an Afro-Asiatic language spoken by about 7

million people, primarily in Eritrea and Ethiopia. Tigrinya is written in the same Ge'ez script used for the Ethiopic language Amharic, but Tigrinya grammar and usage differs significantly from Amharic. This unique, two-part resource provides travelers to Eritrea and Ethiopia with the tools they need for daily interaction. The bilingual dictionary has a concise vocabulary for everyday use, and the phrasebook allows instant communication on a variety of topics. Ideal for businesspeople, travelers, students, and aid workers, this guide includes: 4,000 dictionary entries Phonetics that are intuitive for English speakers Essential phrases on topics such as transportation, dining out, and business Concise grammar and pronunciation sections

[The Essential Guide to Amharic: The National Language of Ethiopia](#) University of California Press As the title indicates, this unique resource is a manual on comparative linguistics, with the examples taken exclusively from Semitic languages. It is an innovative volume that recalls the earlier tradition of textbooks of comparative philology, which, however, exclusively treated Indo-European languages. It is suited for students with at least a year of a Semitic language. By far the largest component of the book are the nine wordlists that provide the data to be manipulated by the student. Says reviewer Peter Daniels, the wordlists "constitute a unique resource for all of

comparative linguistics--a considerable quantity of uniform data from a host of related languages. They would be useful for any class in comparative linguistics, not just for those interested specifically in Semitic." Scattered throughout the text are 25 exercises based on the wordlists that provide a good introduction to the methods of comparativists. Also included are paradigms of the phonological systems of ten Semitic languages as well as Coptic and a form of Berber. A bibliography that guides the student into further reading in Semitic linguistics completes the volume.

The Origin of Amharic Africa Research and Publications

With over 6,750 fully illustrated words and phrases in Arabic and English, along with a free bilingual audio app, DK's Arabic-English Bilingual Visual Dictionary is your essential companion to learning Arabic. You will learn all the words and phrases you need to buy food and clothes, talk about work and education, visit the doctor, go to the bank, use public transport, and much more. Fancy becoming an expert in the language? Then open the pages of this Arabic dictionary to discover: A guide to a wide range of useful Arabic words and expressions. Structured sections around a theme (e.g. sports, food and drink, transport). Clear, attractive illustrations make the vocabulary easy to understand and remember. Whether you are brushing up on your skills or learning the language from scratch, this dictionary makes learning and understanding Arabic easy. The words are shown visually in themed sections covering practical or everyday topics (such as shopping, food, or study), providing learners with all the vocabulary they need for work, travel, and leisure. Perfect for students, tourists, and business travellers, the dictionary is incredibly easy to follow. Its thematically organised vocabulary allows you to find closely related words on a particular topic. Arabic English Visual Dictionary is incredibly easy to use and can be used for self-study or as a reference in the classroom. It is suitable for learners at all levels, from beginner to advanced.

Language Planning and Social Change Otto Harrassowitz Verlag

Bilingual Edition English-Igbo "Am I small?" - Tamia is not sure and keeps asking various animals that she meets on her journey. Eventually she finds the surprising answer... Reviews "This is baby's favorite book!" -Amazon Customer Review from the United States "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures."-Kirkus Reviews "This has been my daughter's favourite book since she was 4 months old. The sentences are nice and short so she doesn't lose interest in the pictures while I'm reading each page." -Amazon Customer Review from the UK "Muito legal esse livro. Singelo, divertido e relacionado ao universo da criança. Bom pra desenvolver o vocabulário. As ilustrações são lindas. Meu filho adorou." -Amazon Customer Review from Brazil "You are small or big depending on with what you relate to. A simple cute book which exactly portrays this message." -Amazon Customer Review from India "Muy buen libro infantil. Dinámico, orgánico, perfecto para aprender en romaji. De fácil lectura y con una protagonista realmente encantadora" -Amazon Customer Review from Mexico "Beautifully illustrated and cleverly written." -Amazon Customer Review from Australia "We are in love with this book!"-Amazon Customer Review from the United States "Written in a very simple way but with a profound message for both adults and kids."-Amazon Customer Review from the United States "Whenever I have time to read to her, she wants this book. And she repeats words. That's insanely cute." -Amazon Customer Review from Canada "Mia figlia di due anni e mezzo è entusiasta dei disegni bellissimi e dei colori. Apprezza anche le vicende di una bimba nè grande nè piccola ma giusta così." -Amazon Customer Review from Italy "My three year olds love it and the story's concept will grow with them for several years to come making it a keeper." -Amazon Customer Review from the U.S. "A nuestra hija le ha encantado. [...] Estamos muy satisfechos con la compra." -Amazon Customer Review from Spain "I got this book to read with my granddaughters, one from the US and one from Portugal. It is so incredibly cute! They loved it, and I did too. I highly recommend this book!" -Amazon Customer Review from the U.S. "Ce petit livre est tout ce que j'aime !!! Le graphisme, les couleurs, tout y est magnifiquement soigné, poétique et charmant !!! [...] Une merveille de beauté et de magie à ne pas louper !!!" -Amazon Customer Review from France "My little boy loves this as a bedtime story. It's colourful and quirky. [...] I thought it would be uninteresting to a child, to be read to in another language, but he asks for 'Bin ich klein' and it melts my heart!" -Amazon Customer Review from the United Kingdom "readers will emerge from this book feeling slightly more confident about themselves-whatever their size."-ForeWord Clarion Reviews "This is done with simplicity at its finest. The art is whimsical, the message is clear and most of all my grandson loves it. I would

recommend this book to any child provider as part of their reading library." -Amazon Customer Review from the U.S. Languages Available for every country in at least one official language.

Please note: This book is a bilingual picture book with a 1:1 translation created by human translators (see translator's credits for details).

Atlas of the United States Red Sea Press(NJ)

In this entertaining and groundbreaking book, Dr. Paul Pimsleur, creator of the renowned Pimsleur Method, the world leader in audio-based language learning, shows how anyone can learn to speak a foreign language. If learning a language in high school left you bruised, with a sense that there was no way you can learn another language, How to Learn a Foreign Language will restore your sense of hope. In simple, straightforward terms, Dr. Pimsleur will help you learn grammar (seamlessly), vocabulary, and how to practice pronunciation (and come out sounding like a native). The key is the simplicity and directness of Pimsleur's approach to a daunting subject, breaking it down piece by piece, demystifying the process along the way. Dr. Pimsleur draws on his own language learning trials and tribulations offering practical advice for overcoming the obstacles so many of us face. Originally published in 1980, How to Learn a Foreign Language is now available on the 50th anniversary of Dr. Pimsleur's publication of the first of his first audio courses that embodied the concepts and methods found here. It's a fascinating glimpse into the inner workings of the mind of this amazing pioneer of language learning.

Mesob Across America Hippocrene Books

Covering the political, social and historical background of each language, Dictionary of Languages offers a unique insight into human culture and communication. Every language with official status is included, as well as all those that have a written literature and 175 'minor' languages with special historical or anthropological interest. We see how, with the rapidly increasing uniformity of our culture as media's influence spreads, more languages have become extinct or are under threat of extinction. The text is highlighted by maps and charts of scripts, while proverbs, anecdotes and quotations reveal the features that make a language unique.

Amharic-English dictionary Eisenbrauns

The theme of this book cuts across disciplines. Contributors to this volume are specialized in education and especially classroom research as well as in linguistics, most being transdisciplinary themselves. Around 65 sub-Saharan languages figure in this volume as research objects: as means of instruction, in connection with teacher training, language policy, lexical development, harmonization efforts, information technology, oral literature and deaf communities. The co-existence of these African languages with English, French and Arabic is examined as well. This wide range of languages and subjects builds on recent field work, giving new empirical evidence from 17 countries: Botswana, Ethiopia, Ghana, Kenya, Madagascar, Malawi, Mali, Mozambique, Niger, Nigeria, Senegal, South Africa, Swaziland, Tanzania, Uganda, Zambia and Zimbabwe, as well as to transnational matters like the harmonization of African transborder languages. As the Editors – a Norwegian social scientist and a Norwegian linguist, both working in Africa – have wanted to give room for African voices, the majority of contributions to this volume come from Africa. *English-Polish & Polish-English Word-to-Word Dictionary* Otto Harrassowitz Verlag This book closes the gap for beginners who want to study the Amharic language and had difficulties in finding the right grammar for this purpose: The first grammar of Amharic, the national language of Ethiopia, was published by Hiob Ludolf in 1698. The Amharic grammar published by Praetorius in 1879 is based on Amharic religious texts and on scattered material, usually composed by missionaries. A milestone in the study of Amharic is Marcel Cohen's *Traite de langue amharique* (1936), but this grammar, too is not completely suited for beginners since the author's generalizations are at times aimed at linguists. The grammar that comes closest to the concept of a beginner's grammar is that of C.H. Dawkin (1960), yet this grammar is extremely short, does not give examples and does not introduce the student to the intricacies of the language. The new book gives all the grammatical forms and the sentences of the present grammar in Amharic script and in phonetic transcription. The illustrative examples have a free and a literal translation. This procedure should likewise prove to be useful for the Semitist as well as for the general linguist.

A History of African Linguistics Createspace Independent Publishing Platform

How old is Ethiopian cuisine and the unique way of eating it? Ethiopians proudly say their cuisine goes back 3,000 to 5,000 years. Archaeologists and historians now believe it emerged in the first

millennium A.D. in Aksum, an ancient kingdom that occupied what's now the northern region of Ethiopia and the southern region of neighboring Eritrea. But regardless of when Ethiopians began to eat spicy wots atop the spongy flatbread injera, or when they first drank the intoxicating honey wine called tej, their cuisine remains unique in the world. *Mesob Across America: Ethiopian Food in the U.S.A.* brings together what respected scholars and passionate Ethiopians know and believe about this delectable cuisine. From the ingredients of the Ethiopian kitchen the foods, the spices, and the ways of combining them to a close-up look at the cuisines history and culture, *Mesob Across America* is both comprehensive and anecdotal. Explore the history of how restaurant communities emerged in the U.S., and visit them as they exist today. Learn how to prepare a five-course Ethiopian meal, including homemade tej. And solve the mystery of when Ethiopian food made its debut in America which was not when most Ethiopians think it did.

Tigrinya Grammar Symposium Books Ltd

This book will help those who plan and develop literacy initiatives; using case studies from literacy programmes in many countries including Egypt, India, Indonesia, Mali, Nigeria, the Philippines and Uganda, it demonstrates the importance of literacy, its power to improve lives, and the role literacy plays in social and economic development.

Meticulous renderings depict 9 dolls and 46 authentic costumes, including work clothes, winter wear, wedding outfits, more. Broad-brimmed, elaborately decorated hats and leg o' mutton sleeves for the women, derbies, walking canes, starched collars for the men. Descriptive notes.

Afan Oromo East-West Center

This dictionary of grammatical terms covers both current and traditional terminology in syntax and morphology. It includes descriptive terms, the major theoretical concepts of the most influential grammatical frameworks, and the chief terms from mathematical and computational linguistics. It contains over 1500 entries, providing definitions and examples, pronunciations, the earliest sources of terms and suggestions for further reading, and recommendations about competing and conflicting usages. The book focuses on non-theory-bound descriptive terms, which are likely to remain current for some years. Aimed at students and teachers of linguistics, it allows a reader puzzled by a grammatical term to look it up and locate further reading with ease.

My First 1000 Words Tigrinya Otto Harrassowitz Verlag

The Essential Guide to Amharic is a 150+ pages of grammar, phrases, and vocabulary for the national language of Ethiopia. All translations are spelled phonetically, as well as in the Amharic alphabet. The vocabulary section is organized by topic; greetings, foods, furniture, politics, occupations etc. There are over 200 verb definitions with simple conjugation. The grammar section includes in-depth information on how to conjugate verbs in the past, present and future; using adjectives, pluralizing words, asking questions, punctuation, and much more.

A Political and Economic Dictionary of Africa Peace Corps Writers

The handbook *The Semitic Languages* offers a comprehensive reference tool for Semitic Linguistics in its broad sense. It is not restricted to comparative Grammar, although it covers also comparative aspects, including classification. By comprising a chapter on typology and sections with sociolinguistic focus and language contact, the conception of the book aims at a rather complete, unbiased description of the state of the art in Semitics. Articles on individual languages and dialects give basic facts as location, numbers of speakers, scripts, numbers of extant texts and their nature, attestation where appropriate, and salient features of the grammar and lexicon of the respective variety. The handbook is the most comprehensive treatment of the Semitic language family since many decades.
