In the aftermath of a devastating fire, a prisoner is offered one chance at redemption in this haunting supernatural

suspense from the author of USA Today bestseller, *The Girl With All the Gifts*. Fellside is a maximum security prison on the edge of the Yorkshire Moors. It's not the kind of place you'd want to end up. But it's where Jess Moulson could be spending the rest of her life. It's a place where even the walls whisper. And one voice belongs to a little boy with a message for Jess. Will she listen? Lose yourself in *Fellside*, M. R. Carey's chillingly atmospheric tale of addiction, revenge, and redemption.

Fellside Broadview Press

.
Since She Went Away Kensington Books
In the fifth and final volume of her five-part series that began with "Say No to Joe?," the "New York Times" bestselling author brings to full life Jamie Creed, the sexy and mysterious mountain man who briefly appeared in the previous books. Original.

I thought leaving my father's death would be the last of my troubles. I met Sean and Kris and guess what I have? More trouble. Who knew a big move came with a big change. There's a lot that I don't know or understand and yet all of it has to do with me. So why was I the last to find out? I didn't ask for this, and I don't know how all this came to be. But one

thing I know is all of it is my destiny. [The Unchained: Powerful Life Stories of Former Slaves](#) Penguin "Laced with Brand's caustic wit, this one is a true puzzler with a harrowing, revelatory climax."—Booklist, Starred Review At Elysian Hall, a grand exhibition space in post-War London, a cast has been assembled for a medieval-themed pageant show featuring knights in colored armor, real horses, and a damsel in a rickety tower on high. With death threats discovered by members of the troupe before the show, the worst comes to pass when the leading lady is thrown from the tower before the eyes of the audience by an unknown assailant—with all doors backstage also under observation. Faced with a seemingly impossible case, the wizened Inspector Cockrill and the fresh-faced Inspector Charlesworth begrudgingly join forces to uncover the killer hiding in plain sight. First published in Britain in 1949, Brand's exuberant novel is still regarded as one of the great masterpieces of the classic mystery genre for its fiendishly constructed puzzle, memorable setting, dumbfounding acts of misdirection and thrilling denouement. This edition

includes an introduction by award-winning author Martin Edwards
House Documents HarperCollins
 A special edition of *The Postman Always Rings Twice* by James M. Cain. Featuring an introduction by James Ellroy. When Frank, an amoral young drifter, gets thrown off a hay truck in the California desert, he ends up at a diner run by Cora and her inconvenient husband, Nick. This chance meeting puts them all on a sure path to perdition. First published in 1934 and banned in Boston for its explosive mixture of violence and eroticism, *The Postman Always Rings Twice* is a classic of the roman noir. It established James M. Cain as a major novelist with an unsparing vision of America's bleak underside and was acknowledged by Albert Camus as the model for *The Stranger*. A Vintage Crime/Black Lizard Special Edition
Jamie Xlibris Corporation
 From the USA Today bestselling author of *Kill All Your Darlings* comes a chilling novel of guilt, regret, and a past that refuses to die.... Three months ago, Jenna Barton was supposed to meet her lifelong best friend Celia. But when Jenna arrived late, she found that Celia had disappeared—and

she hasn't been seen since. The only piece of evidence is a lone diamond earring found where Celia and Jenna were planning to meet, leading the national media to dub Celia "The Diamond Mom." And even though Jenna has obsessively surfed message boards devoted to missing persons cases, she is no closer to finding any answers—or easing her guilt. But when her son's new girlfriend disappears too, a stricken Jenna begins to unwind the tangled truth behind Celia's tragedy. And as long-buried secrets finally come to light, she discovers how completely lives can be shattered by a few simple lies.
Modern Dreams Penguin
 Three Lives Three short stories comprise Gertrude Stein's first significant work, each a psychological portrait of a different woman. "The Good Anna" is a kindly but domineering German servant. "The Gentle Lena" apathetically endures her miserable life until she dies in childbirth. "Melanctha" is a young Black woman learning about sexuality and love. Different as they may be, all three women are bound by poverty—and all three face the restrictions of class, race, and sex with resignation. Tender Buttons Stein spoke of maintaining

a "continuous present," comprised of "moments of consciousness," independent of time and memory. Nowhere is this more clear than in her prose poems *Tender Buttons*. Their repetitive sentences, juxtaposition of sounds, and simple language connote this continuous presence. To live in this state is "to begin again and again," to "use everything." Each of the three sections, "Objects," "Food," and "Rooms," employs both this repetition and disjointed words to build images. Prose poetry at its most abstract expression, *Tender Buttons* "is to writing...what cubism is to art." (W.G. Rogers)
The Postman Always Rings Twice (Special Edition) Macmillan
 Laurie Milner reveals the remarkable single-mindedness and courage of the soldiers of Britain's present-day Army in the face of a numerically superior, well-equipped and well dug-in enemy, whose level of resistance could not be accurately assessed.
New York Magazine Penguin
 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself

as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Eclectic Medical Journal Cornell University Press

Written with the raw honesty and poignant insight that were the hallmarks of her acclaimed bestseller *A Widow's Story*, an affecting and observant memoir of growing up from one of our finest and most beloved literary masters. *The Lost Landscape* is Joyce Carol Oates' vivid chronicle of her hardscrabble childhood in rural western New York State. From memories of her relatives, to those of a charming bond with a special red hen on her family farm; from her first friendships to her earliest experiences with death, *The Lost Landscape* is a powerful evocation of the romance of childhood, and its indelible influence on the woman and the writer she would become. In this exceptionally candid, moving, and richly reflective

account, Oates explores the world through the eyes of her younger self, an imaginative girl eager to tell stories about the world and the people she meets. While reading *Alice in Wonderland* changed a young Joyce forever and inspired her to view life as a series of endless adventures, growing up on a farm taught her harsh lessons about sacrifice, hard work, and loss. With searing detail and an acutely perceptive eye, Oates renders her memories and emotions with exquisite precision, transporting us to a forgotten place and time—the lost landscape of her youth, reminding us of the forgotten landscapes of our own earliest lives. *Three Lives and Tender Buttons* Zebra Books

In dramatic, tightly focused narratives charged with tension, menace, and the shock of the unexpected, *Where Is Here?* examines a world in which ordinary life is electrified by the potential for sudden change. Domestic violence, fear and abandonment and betrayal, and the obsession with loss shadow the characters that inhabit these startling, intriguing stories. With the precision and intensity that are the hallmarks of her remarkable

talent, Joyce Carol Oates explores the unexpected turns of events that leave people vulnerable and struggling to puzzle out the consequences of their abrupt reversals of fortune. As in the title story, in which a married couple find their controlled life irrevocably altered by a stranger's visit, the fiction in this new collection is punctuated again and again by mysterious, perhaps unanswerable, questions: "Out of what does our life arise? Out of what does our consciousness arise? Why are we here? Where is here?" Like the questions they pose, these tales -- at once elusive and direct -- unfold with the enigmatic twists of riddles and, often, the blunt shock of tragedy. *Where is Here?* is the work of a master practitioner of the short story.

The London Journal: and Weekly Record of Literature, Science, and Art Good Press

The Cliff-Dwellers was the first American realist novel to use the rapidly developing city of Chicago as its setting. Henry Blake Fuller's depiction of social climbing and human depravity among the "cliff-dwelling" residents and workers in the new Chicago skyscrapers shocked readers of the time, and influenced many

American writers that followed. With its frenetic pace and many interrelated stories, it remains a compelling document of Chicago's social history, as well as a searing indictment of modern American life at the close of the nineteenth century. The extensive appendices to this edition include Fuller's literary criticism and his correspondence about the novel, reviews, and visual and historical materials on turn-of-the-century Chicago and literary realism.

Henry David Thoreau leaves the seclusion of Walden Pond to help investigate a series of murder in the first in B.B. Oak's fascinating historical mystery series, set against the bucolic backdrop of 19th century New England.

All the Year Round Rutgers University Press

"Gaines thoroughly explores the innerworkings of the most grownup kiddie show in TV history. Pull up a Chairry and enjoy" (Michael Musto, Village Voice). Between 1986 and 1991, a pandemic

swept the nation. Symptoms included talking to furniture, checking the refrigerator for signs of life, and a desire to SCREAM REAL LOUD every time a "secret word" was spoken. For five years, Saturday morning television infect nearly ten million people a week with Pee-wee Fever. Following the twenty-fifth anniversary of Pee-wee's Playhouse, the behind-the-scenes story of this groundbreaking, successful, and still revered children's program is told for the first time by those who experienced it, with never-before-seen photos. Come on in and take a look Inside Pee-wee's Playhouse. "With his inspired, lunatic Pee-wee's Playhouse, Paul Reubens showed a generation of television viewers that it's okay to be different. Caseen Gaines has crafted a meticulously researched look at the origin, production, and legacy of this landmark series that is every bit as educational and entertaining as the show it chronicles." —Jeremy Kinser, senior editor, The Advocate "Caseen not only reveals the genius behind Paul Reubens' pop culture creation, but also takes us inside Pee-wee's Playhouse to meet the fascinating team that brought it to life."

—Noah Levy, senior news editor, In Touch Weekly "A must for any Pee-wee fan. Gaines unearths a significant moment in pop culture with the care of an archaeologist, and the vibrant humor of Pee-wee himself." —John Ortved, author of *The Simpsons: An Uncensored, Unauthorized History* This book is not affiliated with Pee-wee's Playhouse nor is it endorsed or approved by Paul Reubens
The Case on a Cliff Egan Click
When thirteen-year-old Martin arrives at an alternative school for misfits and problem students, he falls in with a group of boys with psychic powers and discovers something surprising about himself.

**The Log School-house on the

The astonishing untold history of the million and a half women who surrendered children for adoption due to enormous family and social pressure in the decades before Roe v. Wade. "It would take a heart of stone not to be moved by the oral histories of these women and by the courage and candor with which they express themselves." —The Washington Post "A remarkably well-researched and accomplished book." —The New York

Times Book Review “A wrenching, riveting book.” —Chicago Tribune In this deeply moving and myth-shattering work, Ann Fessler brings out into the open for the first time the hidden social history of adoption before Roe v. Wade - and its lasting legacy. An adoptee who was herself surrendered during those years and recently made contact with her mother, Ann Fessler brilliantly brings to life the voices of more than a hundred women, as well as the spirit of those times, allowing the women to tell their stories in gripping and intimate detail.

Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book Award for Young People’s Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents’ Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A BuzzFeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds’s electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he’s going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That’s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That’s where Will’s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother’s gun. He gets on the elevator, seventh floor, stoked. He knows who he’s after. Or does he? As the

elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that’s when Will sees that one bullet is missing. And the only one who could have fired Shawn’s gun was Shawn. Huh. Will didn’t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck’s in the elevator? Just as Will’s trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck’s cigarette. Will doesn’t know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in

short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.
