In the twentieth century, countless Americans claimed gay, lesbian, bisexual, and transgender identities, forming a movement to secure social as well as political equality. This collection of essays considers the history as well as the historiography of the queer identities and struggles that developed in the United States in the midst of widespread upheaval and change. Whether the subject is an individual life story, a community study, or an aspect of public policy, these essays illuminate the ways in which individuals in various locales understood the nature of their desires and the possibilities of resisting dominant views of normality and deviance. Theoretically informed, but accessible, the essays shed light too on the difficulties of writing history when documentary evidence is sparse or coded. Taken together these essays suggest that while some individuals and social networks might never emerge from the shadows, the persistent exploration of the past for their traces is an integral part of the on-going struggle for queer rights.

As Jill and I were ready to go to college and start a new chapter in our lives, I can tell you this about how Jill and I were raised by our parents.

Understanding that the first job of a parent is to protect their children and teach their children to be responsible adults, what could I say? Our parents did the best job that a parent could do. Both Jill and I are the most loving and obedient and smart and responsible kids anyone could ever want. We

did not drink, gamble, sniff glue, smoke, take dope, or get pregnant. We both got great marks in school. Over the past five years, of the hairbrush era, Jill was spanked only 6 times. That was not a lot over 5 years. Jill turned out to be such a confident and responsible young lady. I was even impressed with her. Mom taught her well and Jill learned well. Over that same five years, I was spanked 13 times and I was caned that last time to total 14 times I was punished. However, that was only three times per year. I never was punished when I did not deserve to be punished, so I earned every one of those Spankings. However, I turned out to be the most respectful and loving and nice son anyone could ask for. Yes, and obedient too. But, never once did I ever think that my Mom was mean to me or too hard on me. My Mom did what she had to do to get me through those growing years that were so much trouble for many of my friends. Looking back on all the pain and embarrassment and humiliation, I appreciated my Mom for caring enough to be my Mom and not my friend when I needed a Mom. Mom was my friend the rest of the time. Jill and I get along better than any other siblings we know. Jill and I truly care about one another and understand our perspective roles in our growing up process together. As a result, Jill got me a room in the same house she and a few friends rented as their own personal college dorm. How great is that going to be, me and five girls in the same house, I can't wait!!!!!!!!!!!!

The influence of these individuals left a lasting, positive influence in the life of a confused young man. Working at two jobs most of his adult life to

keep the rent paid and food on the table and to provide clothing for his family, he and his wife worked together to create a viable home life. Professionally, he served as a firefighter and captain for twenty-seven years for the Los Angeles County Fire Department. About midway between his career, he was instrumental in creating a father-son family business, Spacemaker Plumbing Products. While retaining his job with the fire department, with the help of his son, he became a successful business owner, developer, inventor, entrepreneur, and CEO for twenty-one years. He worked tirelessly in developing money-making opportunities and growing the business. Knowing you cannot blame anyone for the outcome of your life, if you do the finger-pointing at others, you will never grow up into adulthood and receive the gratification and knowledge that you are your own person. Thanks to my grandmothers, maternal grandfather, aunts, and uncles for showing me the side of life that could be mine if I worked long and hard enough to achieve the rewards. I hope that some young person who is having a hard life will somehow read this book and come away with even one thought that helps him or her to avoid the mistakes I made in my life. Though the communities mentioned are where the stories occurred, some of the names of the people in the stories have been changed to hide embarrassing situations for individuals still living.

In *SOLD OUT*, the divorce epidemic is tackled in a refreshing way that leaves the readers better prepared to take their marital union to the next level. With a rich background about how a real-life love survived a seven-year barrier, the book challenges, urges and points the way to a "till death do us part" relationship. Using time tested principles, international journalist, Olaitan Bright Oyelade, offers better choices to divorce and gives practical ways to lasting bliss in today's world. Hot topics such as submission in marriage, lifestyle, spirituality, intimacy, self Esteem, role models and dating are explained in a manner guaranteed to breathe fresh air into a matrimony. Singles are not left out as the book spells out the signs and behavioral patterns to consider in the search for Mr./Mrs. Right. You will be better equipped to choose what works. In a drastic departure from convention, *SOLD OUT* includes role models, whose tenacity, drive and other positive traits can be gleaned and applied to character building.

**PARENTING NEVER ENDS.** From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of *Grown and Flown*, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. *Grown and Flown* is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. *Grown and Flown* is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

*I Survived My Childhood* Lawander D Harris

Every mom wants the best for her son. She wants him to succeed in life, to be a man of character, to find a good woman, to be a great dad. But sometimes boys are hard for moms to understand. Sometimes they're strange, annoying, and downright disgusting! Yet always they need a mother who is engaged and interested in them, because a mom is the most important person in a boy's life. In *What a Difference a Mom Makes*, New York Times bestselling author Dr. Kevin Leman uses his wit and wisdom to show Mom how to lay the groundwork that will allow her son to grow into a good man. Armed with Dr. Leman's expert advice and insight, Mom will gain an understanding of her boy at every stage, from that very first diaper change to the moment he leaves for college. Dr. Leman shows how to discipline a boy, how to command respect, how to let him fight his own battles, how to understand his sexuality, and how to weather the changes in the mother-son relationship as he grows up. Most of all, Leman shows Mom how to lighten up and have some fun along the way with that boy who will always have her heart.

This collection offers a thorough treatment of the ways in which the verbal and visual semiotic modes interrelate toward promoting gender equality and social inclusion in children's picture books. Drawing on cutting-edge theoretical work in multimodality, including multimodal cognitive linguistics, multimodal discourse analysis, and visual social semiotics, the book expands on descriptive-oriented studies to offer a more linguistically driven perspective on children's picture books. The volume explores the choice afforded to and the lexico-semantic and discursive strategies employed by writers and illustrators in conveying representational, interpersonal, and textual meanings in the verbal and non-verbal components in these narratives in order to challenge gender stereotypes and promote the social inclusion of same-sex parent families. This book will be of particular interest to students and scholars in multimodality, discourse analysis, social semiotics, and children's literature. Chapters 1 & 8 of this book are freely available as downloadable Open Access PDFs under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license available at <http://www.taylorfrancis.com>.

HEAT ☹ HUMOR ☹ HEA Life's been trying to break Sissy Mullen since the day she was born. Though her violent father nearly ran her into the ground, she's finally free. Nathan "Butch" Davies doesn't like people. Bailey Johansson and Nick Davies' quiet middle son is better at busting heads than making conversation. The Reapers enforcer will need to leave his comfort zone if he hopes to show Sissy that he's the man she doesn't know she needs. Unfortunately, claiming the woman he loves means pissing off his older brother and stirring up trouble between the Reapers' local chapter and Conroe's former overlords. Trigger warning: Don't Do Me Wrong contains details of past child abuse, graphic sexual content, violent situations, and

extreme profanity. The book is only appropriate for adult readers age 18+.

*I Survived My Childhood: Yes, Miracles Still Happen!!* (A Guide for Parents of Accident-Prone Children) By: Stephen L. Franklin, Ed. D. Claiming simply to be a mischievous child, as this author grew up, he managed to get himself into enough mischief to fill a book with hilarious, delightful tales of childhood intrigue. *I Survived My Childhood: Yes, Miracles Still Happen!!* is a memoir that highlights the many adventures and mishaps experienced as an accident-prone child growing up in the '60s and '70s. Included at the end of each chapter are parental tips based upon the author's education and experiences. The author hopes that by sharing these memories and tips, he provides humor as well as insights into the mind of an accident-prone child, along with nuggets of wisdom to aid parents as they contend with the various emergencies associated with raising an accident-prone child.

Marc Stein's *City of Sisterly and Brotherly Loves* is refreshing for at least two reasons: it centers on a city that is not generally associated with a vibrant gay and lesbian culture, and it shows that a community was forming long before the Stonewall rebellion. In this lively and well received book, Marc Stein brings to life the neighborhood bars and clubs where people gathered and the political issues that rallied the community. He reminds us that Philadelphians were leaders in the national gay and lesbian movement and, in doing so, suggests that New York and San Francisco have for too long obscured the contributions of other cities to gay culture.

*Ontario Boys* explores the preoccupation with boyhood in Ontario during the immediate postwar period, 1945–1960. It argues that a traditional version of boyhood was being rejuvenated in response to a population fraught with uncertainty, and suffering from insecurity, instability, and gender anxiety brought on by depression-era and wartime disruptions in marital, familial, and labour relations, as well as mass migration, rapid postwar economic changes, the emergence of the Cold War, and the looming threat of atomic annihilation. In this sociopolitical and cultural context, concerned adults began to cast the fate of the postwar world onto children, in particular boys. In the decade and a half immediately following World War II, the version of boyhood that became the ideal was one that stressed selflessness, togetherness, honesty, fearlessness, frank determination, and emotional toughness. It was thought that investing boys with this version of masculinity was essential if they were to grow into the kind of citizens capable of governing, protecting, and defending the nation, and, of course, maintaining and regulating the social order. Drawing on a wide variety of sources, *Ontario Boys* demonstrates that, although girls were expected and encouraged to internalize a "special kind" of citizenship, as caregivers and educators of children and nurturers of men, the gendered content and language employed indicated that active public citizenship and democracy was intended for boys. An "appropriate" boyhood in the postwar period became, if nothing else, a metaphor for the survival of the nation.

*Raising a Son* Xlibris Corporation

We all love our mothers. And our mothers love us back. There is little more unconditional love than that which a mother gives. Mothers love their disobedient and even criminal sons. In their mind, they can do no wrong. Mothers want to protect their children, usually more than they want to protect themselves. Are there mothers so determined to protect their sons from the risks and dangers that the wide world presents, that they would choose an astonishing solution? Would such a mother be willing to take her son and regress him back to infancy, back to a life of no cares, no worries and no responsibilities? Such a world would pose far fewer risks to a teenage boy on the cusp of adulthood than venturing out on his own. Amanda is such a woman. Her son is about to strike out on his own and he is woefully unprepared. He is small for his age, immature and ignorant of the dangers outside his home. And so she takes on the challenge of turning Daniel back into a baby. And she has one obvious entry point. Daniel had wet his bed until only a few years prior. It would be easy to start that process again and then, the solution was obvious. Diapers and Plastic pants. The rest would follow on.

In the bestselling tradition of *The Five People You Meet in Heaven* and *Humans of New York* comes a collection of authentic, emotional, and inspiring stories about life's most important moments, as curated by the editors at Love What Matters. "90% of the reads bring me to tears. I just can't believe the love this world truly has when all we see is hate. This is so uplifting." —Shelsea Where do you go when you want to feel inspired? When you want to forget about the divisiveness and the anger? For over five million people, that place is Love What Matters, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life—these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection—just like all of us. You will no doubt experience goosebumps and tears, but this mosaic of life's moments will leave you with something even more profound: a reminder that, in the end, love always wins. "This really is the best page on Facebook. It renews your love of humanity. There are still good people. We need

more reports of acts of kindness.” —Johnny
