The Predator Penguin

When Liza and Jeremy run to their mother during a scary storm, she comforts them by telling them about the Invisible String, which connects people who love each other no matter where they are and means that they are never alone. This heartwarming picture book for all ages explores questions about the intangible yet unbreakable connections between us, and opens up deeper conversations about love.

Mixing Secrets for the Small Studio Hal Leonard

"A music-snob's dream come true . . . One of the best multi-subject music books to come down the pike in years . . . a fresh and deeply informed approach." —Variety A great cover only makes a song stronger. Jimi Hendrix's version of Bob Dylan's "All Along the Watchtower." The Beatles rocking out with "Twist and Shout." Aretha Franklin demanding "Respect." Without covers, the world would have lost many unforgettable performances. This is the first book to explore the most iconic covers ever, from Elvis's "Hound Dog" and Joe Cocker's "With a Little Help from My Friends" to the Talking Heads' "Take Me to the River" and Adele's "Make You Feel My Love." Written by the founder of the website covermesongs.com, each of the nineteen chapters investigates the origins of a classic cover—and uses it as a framework to tell the larger story of how cover songs have evolved over the decades. Cover Me is packed with insight, photography, and music history. "Delves into the complicated legacy of artists performing other people's music . . . his research adds fresh context and intriguing background to many of these songs . . . Astute ruminations on evolving cultural perceptions of the cover's place in the music canon." —AV Club "This engaging nostalgia trip is sure to appeal to discophiles and cultural historians."

Billie Eilish, The Unofficial Biography Zest Books™

Billie Eilish for Ukulele 17 Songs to Strum & Sing Frances
Lincoln Children's Books

This title introduces readers to the life and music of Billie Eilish. Colorful photos, fun facts, and a timeline of key dates in her life make this book an exciting read for young music lovers.

Your Art Will Save Your Life Zest Books™

National Book Award-winning and New York Times bestselling author Robin Benway returns with a story of love, loss, and sisterhood reminiscent of *I'll Give You the Sun* and *Every Day*. Told in reverse chronological order, *A Year to the Day* will claim a permanent home in your heart. **IT'S BEEN A YEAR—A YEAR OF MISSING NINA** Leo can't remember what happened the night of the accident. All she knows is that she left the party with her older sister, Nina, and Nina's boyfriend, East. And now Nina is dead, killed by a drunk driver and leaving Leo with a hole inside her that's impossible to fill. East, who loved Nina almost as much as Leo did, is the person who seems to most understand how she feels, and the two form a friendship based on their shared grief. But as she struggles to remember what happened, Leo discovers that East remembers every detail of the accident—and he won't tell her anything about it. In fact, he refuses to talk about that night at all. As the days tumble one into the next, Leo's story comes together while her world falls apart. How can she move on if she never knows what really happened that night? And is happiness even possible in a world without Nina?

BILLIE EILISH Hal Leonard

Michael Jackson's sexuality has always been a controversial issue which often degenerated into a media spectacle, leaving hardly enough space for other aspects to exist. When he was alive, he was considered either as an androgynous or an homosexual character who could not be attracted to women in any manner whatsoever. After his death, he became all at once a highly sexy heterosexual object, sometimes described as a womanizer : actresses, singers, supermodels, princesses or mere fans, all claimed that they shared intimate moments with the King of Pop. This book is an attempt to unravel the truth behind more than three decades of allegations. From his childhood to his death, he avoided doing things like anybody else and his relationships with women were not an exception to the rule. Both intricate and exciting, Michael Jackson's love life has something of an "epic" and often challenges the mere triviality of facts.

Michael Jackson and Women HarperCollins

AT A TIME WHEN MANY ARE SEEKING INSTANT GRATIFICATION, A SHORTCUT TO SUCCESS, A PROVEN HACK TO MASTERY, OR A COMFORTABLE WAY THROUGH PERSONAL TRANSFORMATION, RICH ROLL HAS MADE HIS PROCESS PUBLIC—AN EXERCISE IN COUNTER-PROGRAMMING THAT HAS RESONATED WITH A GLOBAL AUDIENCE. Central to his ongoing quest to unlock his best self, Rich has spent the last eight years convening with unique thinkers in medicine, business, human performance, spirituality, and the arts, broadcasting the enduring wisdom of this guests through his acclaimed podcast. A Previous Life Hal Leonard

What if every young girl loved her body? *Love Your Body* encourages you to admire and celebrate your body for all the amazing things it can do (like laugh, cry, hug, and feel) and to help you see that you are so much more than your body. Bodies come in all different forms and abilities. All these bodies are different and all these bodies are good bodies. There is no size, ability, or color that is perfect. What makes you different makes you, you--and you are amazing! *Love Your Body* introduces the language of self-love and self-care to help build resilience, while representing and celebrating diverse bodies, encouraging you to appreciate your uniqueness. This book was written for every girl, regardless of how you view your body. All girls deserve to be equipped with the tools to navigate an image-obsessed world. Freedom is loving your body with all its "imperfections" and being the perfectly imperfect you!

I Love Billie Eilish Libres d'écrire

While trying to score a date with her cute co-worker at the Scooper Dooper, sixteen-year-old Audrey gains unwanted fame and celebrity status when her ex-boyfriend, a rock musician, records a breakup song about her that soars to the top of the Billboard charts.

Voicing Change Union Square + ORM

In the face of a slow but impending apocalypse, what binds three seemingly divergent lives (a writer, a photographer, an old man), isn't the commonality of a perceived future death, but the layered and complex fabric of how loss, abuse, trauma, and death have shaped their pasts, and how these pasts continue to haunt their present moments, a moment in which time seems to be running out. The writer, traumatized by the violent death of her mother when she was a child, lives alone with her dog and struggles to finish her book. The photographer, stunted by the death of his grandmother and caretaker, struggles to take a

single picture and enters into a complicated relationship with the writer. The old man, facing his past in small doses, spends his time watching television and reorganizing the objects in his apartment to stay distracted from the deterioration around him. A depiction of the cycles of abuse and trauma in a prolonged end-

time, *Imagine a Death* examines the ways in which our pasts envelop us, the ways in which we justify horrible things in the name of survival, all of the horrible and beautiful things we are capable of when we are hurt and broken, and the animal (and plant) companions that ground us.
