Inspired by nature, these beautiful interiors show how you can bring the natural world into your home whether you live in the country or the city. Relaxed rustic interiors are about embracing the pared-back lifestyle of living in the country, taking nature as the main point of inspiration. Use colors, textures, and details to create a home in which to unwind—a retreat from the rest of the world. Niki Brantmark explores various takes on this simple, informal style. The graphical look is striking, reminiscent of exposed landscapes: think whitewashed ceilings, rugged stone surfaces, and striking black features, softened by cozy soft

furnishings and fresh plants and flowers. Savanna style introduces warmer hues, featuring painted wood and reds, oranges, and browns in textiles, furniture, and collectibles. Nordic interiors take in the best of the Scandinavian landscape—clean white backdrops against sleek designs—while those inspired by forest and mountain streams are filled with rich, deep greens and blues, combined with traditional patterns and features, such as log burners, wood paneling, and woven rugs. The stunning photography for this book takes in locations across Scandinavia and the United States, and all evoke an ideal, rural life, adapted to modern living.

George McClure offers here a far-reaching analysis of the role of consolation in Italian Renaissance culture, showing how the humanists' interest in despair, and their effort to open up this

realm in both social and personal terms, signaled a shift toward a heightened secularization in European thought. Analyzing works by fourteenth- and fifteenth-century writers, from Petrarch to Marsilio Ficino, McClure examines the treatment of such problems as bereavement, fear of death, illness, despair, and misfortune. These writers, who evinced a belief in the legitimacy of secular sadness, tried to forge a wisdom that in their view dealt more realistically with the art of living and dying than did the disputations of scholastic philosophy and theology. Arguing that consolatory concerns helped spur the revival of classical schools of psychological thought, McClure reveals that the humanists sought comfort from once-neglected troves of Stoic, Peripatetic, Epicurean, Platonic, and Christian thought. He contends that the humanists' pursuit of solace and their duty as consolers provided not only a forum but perhaps also an incentive for the articulation of prominent Renaissance themes concerning immortality, the dignity of man, and the sanctity of worldly endeavor. A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling

friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church  
 What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

*War and Peace in Contemporary Eritrean Poetry* focuses on Eritrean written poetry from roughly the last three decades of the twentieth century. The poems appear in the anthology *Who Needs a Story? Contemporary Eritrean Poetry in Tigrinya, Tigre and Arabic* from which a selection is offered here in their original

scripts of Ge'ez or Arabic, and in English translation. *Who Needs a Story?* is the first anthology of contemporary poetry from Eritrea ever published, and *War and Peace in Contemporary Eritrean Poetry* is the first book on the subject. Therefore, the groundbreaking effort of the former warrants a discussion of its means of cultural production. All of the poets in *Who Needs a Story?* participated in the Eritrean struggle for independence (1961-91) as freedom fighters and/or as supporters in the Eritrean diaspora. Thus, contemporary Eritrean poetry divides itself between experiences of war and peace, although one can contain the other as well. *War and Peace in Contemporary Eritrean Poetry* also includes an extended analysis of one of Eritrea's most famous contemporary poets Reesom Haile, as an example of the kind of extended analysis that many of the poets of *Who Needs a Story?* should stimulate and, last but not least, a meditation on how the author, a non-native speaker, personally becomes involved in Eritrean poetry translation.

Praise for André Alexis's previous books: "Astonishing . . . an irresistible, one-of-a-kind work."—Quill & Quire "Alexis [has an]

astute understanding of the madly shimmering, beautifully weaving patterns created by what we have agreed to call memory."—Ottawa Citizen There were plans for an official welcome. It was to take place the following Sunday. But those who came to the rectory on Father Pennant's second day were the ones who could not resist seeing him sooner. Here was the man to whom they would confess the darkest things. It was important to feel him out. Mrs Young, for instance, after she had seen him eat a piece of her macaroni pie, quietly asked what he thought of adultery. André Alexis brings a modern sensibility and a new liveliness to an age-old genre, the pastoral. For his very first parish, Father Christopher Pennant is sent to the sleepy town of Barrow. With more sheep than people, it's very bucolic—too much Barrow Brew on Barrow Day is the rowdiest it gets. But things aren't so idyllic for Liz Denny, whose fiancé doesn't want to decide between Liz and his more worldly mistress Jane, and for Father Pennant himself, who greets some miracles of nature—mayors walking on water, talking sheep—with a profound crisis of faith. André Alexis was born in Trinidad and grew up in Canada. His debut novel, *Childhood*, won the Books in Canada First Novel Award, the Trillium Book Award, and was shortlisted for the Giller Prize and the Writers' Trust Fiction Prize. His books include *Asylum* and *Ingrid and the Wolf*.

As Catholic Reform penetrated and was institutionalized in Early Modern France, legal codes reached further than before into realms of moral behavior. James Farr reveals how Burgundy's dominant, elite legal community attempted to impose new laws and regulations to recover a social order they believed had been

destroyed in the upheavals of the sixteenth century.

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in

turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

It is 1998, the year in which America is whipped into a frenzy of prurience by the impeachment of a president, and in a small New England town, an aging classics professor, Coleman Silk, is forced to retire when his colleagues decree that he is a racist. The charge is a lie, but the real truth about Silk would have astonished his most virulent accuser. Coleman Silk has a secret. But it's not the secret of his affair, at seventy-one, with Faunia Farley, a woman half his age with a savagely wrecked past--a part-time farmhand and a janitor at the college where, until recently, he was the powerful dean of faculty. And it's not the secret of Coleman's alleged racism, which provoked the college witch-hunt that cost him his job and, to his mind, killed his wife. Nor is it the secret of misogyny, despite the best efforts of his ambitious young colleague, Professor Delphine Roux, to expose him as a fiend. Coleman's secret has been kept for fifty years: from his wife, his four children, his colleagues, and his friends, including the writer Nathan Zuckerman, who sets out to

understand how this eminent, upright man, esteemed as an educator for nearly all his life, had fabricated his identity and how that cannily controlled life came unraveled. Set in 1990s America, where conflicting moralities and ideological divisions are made manifest through public denunciation and rituals of purification, *The Human Stain* concludes Philip Roth's eloquent trilogy of postwar American lives that are as tragically determined by the nation's fate as by the "human stain" that so ineradicably marks human nature. This harrowing, deeply compassionate, and completely absorbing novel is a magnificent successor to his Vietnam-era novel, *American Pastoral*, and his McCarthy-era novel, *I Married a Communist*.

Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to

make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.

How does one record an extraordinary time? Confined to his Delhi

apartment, Manash Firaq Bhattacharjee unravels the intimate paradoxes of life he encounters in the first weeks of a global pandemic. His stories about local fish sellers, gardeners, barbers and lovers merge with his concerns for the exodus of migrant labourers, the challenges faced by health workers, and a mother braving checkpoints to bring her son home. Drawing inspiration from contemporary literature and cinema, *The Town Slowly Empties* is a unique window on a world desperate for love, care and hope. Manash is our Everyman, urging us to slow down and mend our broken ties with nature. Written with rare candour and elegance, this meditative book is a compelling account of the human condition that soars high above the empty streets.

Sorrow and Consolation in Italian Humanism Dramatists Play Service Inc

Lamentation of death is the traditional elegiac focus, but in the twentieth century the elegy has become characterized as well by the mourning of other kinds of loss—those personal, familial, romantic, cultural, and philosophical privations and dispossessions that have so greatly shaped the modern sensibility. According to John B. Vickery, a profound elegiac temper is itself the major trait of twentieth-century culture, registered in attitudes ranging from regret, sorrow, confusion, anger, anxiety, doubt, and alienation to outright despair. He transforms our understanding of the elegy and its relation to modernism in *The Modern Elegiac Temper*. Vickery offers in-depth readings of a broad sampling of British and American poems written from World War I to the present. He considers works of overlooked poets such as Vernon Watkins, George Barker, and Edith Sitwell while also attending to canonical writers

such as T. S. Eliot, Ezra Pound, W. H. Auden, and Wallace Stevens. Taking a text-oriented rather than author- or theory-oriented approach, he discusses in turn the personal, love, cultural, and philosophical elegy and shows how war, the Great Depression, the Holocaust, and other major historical events influenced poets' elegiac expressions. By suggesting ways in

which the individual-centered concerns of the traditional elegy metamorphose under the depersonalizing lens of high modernism, Vickery reveals the modern elegy to be a finely calibrated instrument for reading and expressing, absorbing and reflecting, the modern temperament.
