Grossman,
author of The
Magicians

When destiny
calls, there's
no fighting
back. Kihrin
grew up in the
slums of Quur,
a thief and a
minstrel's son
raised on tales
of long-lost
princes and
magnificent
quests. When
he is claimed
against his will
as the missing

son of a treasonous prince, Kihrin finds himself at the mercy of his new family's ruthless power plays and political ambitions. Practically a prisoner, Kihrin discovers that being a long-lost prince is nothing like what the storybooks promised. The storybooks have lied about a lot of other things, too: dragons, demons, gods, prophecies, and how the hero always wins. Then again, maybe

he isn't the hero after all. For Kihrin is not destined to save the world. He's destined to destroy it. Jenn Lyons begins the Chorus of Dragons series with *The Ruin of Kings*, an epic fantasy novel about a man who discovers his fate is tied to the future of an empire. "It's impossible not to be impressed with the ambition of it all . . . a larger-than-life adventure story about thieves,

wizards, assassins and kings to dwell in for a good long while."—The New York Times A Chorus of Dragons 1: *The Ruin of Kings* 2: *The Name of All Things* 3: *The Memory of Souls* **Queen of Ashes** Simon and Schuster In this follow-up to her bestselling *Sex with Kings*, Eleanor Herman reveals the truth about what goes on behind the closed door of the queen's boudoir.

Impeccably researched, filled with page-turning romance, passion, and scandal, Sex with the Queen explores the scintillating sexual lives of some of our most beloved and infamous female rulers, including the notorious Catherine the Great, the passionately foolish Marie Antoinette, the destructively willful Tsarina Alexandra, and the bastion of virtue, Queen Victoria - mother of nine

children.

 Bershad stands apart from the world, the most legendary dragonslayer in history,

both revered and reviled.
 Once, he was Lord Silas Bershad, but after a disastrous failure on the battlefield he was stripped of his titles and sentenced to one violent, perilous hunt after another. Now he lives only to stalk dragons, slaughter them, collect their precious oil, and head back into the treacherous wilds once more. For years, death was his only chance to escape. But that is about to change.

The king who sentenced Bershad to his fate has just given him an unprecedented chance at redemption. Kill a foreign emperor and walk free forever. The journey will take him across dragon-infested mountains, through a seedy criminal underworld, and into a forbidden city guarded by deadly technology. But the links of fate bind us all. The second in a new spin-off paranormal romance series set in the world of the #1 New York Times bestselling

Black Dagger Brotherhood. Trainees at the Black Dagger Brotherhood' training centre continue to prepare for the fight against the Lessening Society, but fighting is the last thing on Axe's mind. Still plagued with the guilt of his father's death, the brooding loner finds himself battling an unlikely attraction to Peyton's bright, aristocratic cousin, Elise. Elise feels it too - and when the two

are thrown together in unusual circumstances Elise must decide whether she can trust Axe to help her uncover the mystery surrounding her sister's death. Meanwhile, Mary and Rhage are in the process of adopting Bitty, a young pretrans orphan, until the appearance of a young male claiming to be Bitty's blooded uncle threatens to tear the new family apart. *Legacy of Ash*

Knopf Books for Young Readers The #1 New York Times bestselling author of the “utterly absorbing” (Angela Knight, New York Times bestselling author) Black Dagger Brotherhood series and The Savior brings you the next sizzling and passionate paranormal romance in the Black Dagger Legacy series. As a trainee in the Black Dagger Brotherhood’s program, Boone has

triumphed as a soldier and now fights side by side with the Brothers. Following his sire’s unexpected death, he is taken off rotation against his protests—and finds himself working with a former homicide cop to catch a serial killer: Someone is targeting females of the species at a live action role play club. When the Brotherhood is called in to help, Boone insists on being part of

the effort—and the last thing he expects to meet is an enticing, mysterious female...who changes his life forever. Ever since her sister was murdered at the club, Helaine has been committed to finding her killer, no matter the danger she faces. When she crosses paths with Boone, she doesn't know whether to trust him—and then she has no choice. As she herself becomes a

target, and someone close to the Brotherhood is identified as the prime suspect, the two must work together to solve the mystery...before it's too late. Will a madman come between the lovers, or will true love and goodness triumph over a very mortal evil? Entangled: Amara
WINNER OF THE WORLD FANTASY AWARD FOR BEST COLLECTION
From award-winning and New York

Times bestselling authors Paolo Bacigalupi and Tobias Buckell comes a fantasy novel told in four parts about a land crippled by the use of magic, and a tyrant who is trying to rebuild an empire—unless the people find a way to resist. Khaim, The Blue City, is the last remaining city in a crumbled empire that overly relied upon magic until it became toxic. It is run by a tyrant known as The Jolly Mayor and his

devious right hand, the last archmage in the world. Together they try to collect all the magic for themselves so they can control the citizens of the city. But when their decadence reaches new heights and begins to destroy the environment, the people stage an uprising to stop them. In four interrelated parts, *The Tangled Lands* is an evocative and epic story of resistance and

heroic sacrifice in the twisted remains surrounding the last great city of Khaim. Paolo Bacigalupi and Tobias Buckell have created a fantasy for our times about a decadent and rotting empire facing environmental collapse from within—and yet hope emerges from unlikely places with women warriors and alchemical solutions. **Fireblood** Book Tree Ruthless dragon king Ladon Ormarr

must keep his throne—and his people—safe from the cruel High King at all costs. With war on the horizon, he'll need a miracle to protect his clan. Luckily, the fates have dropped the irresistible Skylar Amon right into his lap. Or so he thought. Because the last thing this phoenix wants is him. A phoenix mate is the ticket to securing his throne, but this fiery Amon sister detests Ladon, doesn't stick

to protocols, and regularly offends his warriors and advisers. Skylar also has no intention of sticking around, nor does she believe in the whole destined-mates thing. But if it means taking out the High King who murdered her parents, she'll put up with the too-sexy-for-her-sanity Ladon...temporarily. Their mating bond may make them want to tear off their clothes, but outside the bedroom...well

, Ladon is positive the fates hate him. Just as he starts to win over the mercurial phoenix, everything goes to hell when the High King makes his final move. And Ladon will burn down the world to keep the mate he is unwilling to live without. Each book in the Inferno Rising series is **STANDALONE:**

 Fantasy, magic, royalty and danger swirl together in *Voice of Gods*, the ebook prequel to *Legacy of Kings* by New York Times bestselling author Eleanor

Herman! As the end of an age approaches, gods whisper horrors, families scheme for power and one woman may hold the secret to a lost legacy. At nineteen, Ada of Caria yearns to take the Snake Blood throne from her mad older siblings. She seeks the help of a young orphaned girl named Helen, the first True Oracle to have walked the earth in more than three hundred years. Helen

may be able to channel the voice of the gods, but she hates her gift and will do anything to get rid of it—even lie to her best friend, Myrtale, the priestess-princess of Epirus who is destined to marry King Philip II of Macedon even though she loves another. And in the shadows lurks a handsome green-eyed stranger who has more at stake—and more to lose—than anyone could possibly

imagine. Amid jealousy and heartbreak, torrid affairs and secret rendezvous, it is spoken by the gods that either Helen or Myrtale—newly named Olympias—will carry the destiny of the known world within her womb. The prequel to Legacy of Kings, Voice of Gods traces the intricate web of love and betrayal that led up to the birth of history's most powerful leader, Alexander the Great.

Blood of an Exile

S&S/Saga Press
In this action-packed sequel to the New York Times bestselling Frostblood, Ruby must choose between her fiery homeland and the icy king who loves her. Against all odds, Ruby has defeated the villainous Frost King and melted his powerful throne. But the bloodthirsty Minax that was trapped inside is now haunting her kingdom and

everyone she loves. The answers to its demise may lie to the south in Sudesia, the land of the Firebloods, and a country that holds the secrets to Ruby's powers and past.... Despite warnings from her beloved Arcus, Ruby accompanies a roguish Fireblood named Kai to Sudesia, where she must master her control of fire in a series of trials to gain the trust of the suspicious Fireblood

queen. Only then can she hope to access the knowledge that could defeat the rampaging Minax--which grows closer every moment. But as sparks fly in her moments alone with Kai, how can Ruby decide whom to trust? The fate of both kingdoms is now in her hands.

delight over any and all discomforts, she was never to be exhausted, complaining, or grief-stricken. True, financial rewards for services rendered were of royal proportions -- some royal mistresses earned up to \$200 million in titles, pensions, jewels, and palaces. Some kings allowed their mistresses to exercise unlimited political power. But for all its grandeur, a

royal court was a scorpion's nest of insatiable greed, unquenchable lust, and vicious ambition. Hundreds of beautiful women vied to unseat the royal mistress. Many would suffer the slings and arrows of negative public opinion, some met with tragic ends and were pensioned off to make room for younger women. But the royal mistress often had the last laugh, as she

lived well and richly off the fruits of her "sins." From the dawn of time, power has been a mighty aphrodisiac. With diaries, personal letters, and diplomatic dispatches, Eleanor Herman's trailblazing research reveals the dynamics of sex and power, rivalry and revenge, at the most brilliant courts of Europe. Wickedly witty and endlessly entertaining, *Sex with Kings* is a chapter of women's

history that has remained unwritten -- until now. Against the Darkmaster Core Rules Harlequin The Blood Sword Legacy Bound by a brotherhood forged in the hell of a Saracen prison, eight Blood Swords -- mercenary knights for William the Conqueror -- set out to claim their legacies the only way they can: by right of arms, by right of victory, by right of conquest. For Sir Rohan du

Luc, known as the Black Sword, enemies fall easily beneath his assault...until he comes face-to-face with a foe more worthy than any battle-hardened knight. Bold and courageous though she is, Saxon maiden Isabel of Alethorpe cannot stop Rohan de Luc from seizing Alethorpe and its people in the name of William the Conqueror. Then Rohan demands not just the

manor, but Isabel herself. She vows that her heart will remain her own, even if she is forced to allow him to lay claim to her body. But while the lady's lips say no, Isabel's traitorous body is awakened to desire by the seductive attentions of this potent invader. the author of Kings of Paradise comes two tales in a world of knights and demons, muskets and cannon fire. Flintlock fantasy mixed with the grit of Game of Thrones.1) Rebellion of the Black MilitiaJohann Planck, bastard and scribe of the god-king's tower, is yanked from his peaceful life of academia, and ordered to capture an immortal creature of darkness. If

the knight he's accompanying doesn't kill him, or the demon 'Sazeal', fresh rebellion just might.2) Devil of the 22ndA crumbling empire. An abandoned army. Kurt Val Clause is an ordinary soldier trying to keep it all together because no one else has the balls. Now he has one chance to win a glorious future, die in agony, or lose his soul. He just might do all three. *A Psalm of Storms and*

Silence Little, Brown Books for Young Readers Weaving the fantasy appeal of Game of Thrones with the shocking details of real history, New York Times bestselling author of Sex with Kings Eleanor Herman reimagines the greatest emperor the world has ever known, Alexander the Great, in book one of the Blood of Gods and Royals series. Imagine a time when the gods turn a blind eye to

the agony of men, when the last of the hellions roam the plains and evil stirs beyond the edges of the map. A time when cities burn and, in their ashes, empires rise. Alexander, Macedon's sixteen-year-old heir, is on the brink of discovering his fated role in conquering the known world, but finds himself drawn to a newcomer... Katerina must navigate the dark secrets of court life while keeping her own

mission hidden: kill the queen. But she doesn't account for her first love... Jacob will go to unthinkable lengths to win Katerina, even if it means competing with Hephaestion, a murderer sheltered by the prince. And far across the sea, Zofia, a Persian princess and Alexander's unmet fiancée, wants to alter her destiny by seeking the famed and deadly Spirit Eaters. *Sex with Kings* Tor Books

In this vivid fifty-year history of Germany from 1871-1918—which inspired events that forever changed the European continent—here is the story of the Second Reich from its violent beginnings and rise to its calamitous defeat in the First World War. Before 1871, Germany was not yet a nation but simply an idea. Its founder, Otto von Bismarck, had a formidable task at hand.

How would he bring thirty-nine individual states under the yoke of a single Kaiser? How would he convince proud Prussians, Bavarians, and Rhinelanders to become Germans? Once united, could the young European nation wield enough power to rival the empires of Britain and France—all without destroying itself in the process? In this unique study of five decades that

changed the course of modern history, Katja Hoyer tells the story of the German Empire from its violent beginnings to its calamitous defeat in the First World War. This often startling narrative is a dramatic tale of national self-discovery, social upheaval, and realpolitik that ended, as it started, in blood and iron. *Fire & Blood* Harper Collins In this elegant book, the Pulitzer Prize-winning writer

explores the manifold ways in which the Civil War changed the United States forever. He confronts its costs, not only human (six hundred thousand men killed) and economic (beyond reckoning) but social and psychological. He touches on popular misconceptions, including some concerning Abraham Lincoln and the issue of slavery. The war in all its facets "grows in our consciousness

," arousing complex emotions and leaving "a gallery of great human images for our contemplation ."

The Legacy of the Civil

War Harlequin Paradise, blooded daughter of the king's First Advisor, is ready to break free from the restrictive life of an aristocratic female. Her strategy? Join the Black Dagger Brotherhood's training center program and learn to fight for herself, think for

herself...be herself. It's a good plan, until everything goes wrong. The schooling is unfathomably difficult, the other recruits feel more like enemies than allies, and it's very clear that the Brother in charge, Butch O'Neal, a.k.a. the Dhestroyer, is having serious problems in his own life. And that's before she falls in love with a fellow classmate. Craeg, a common civilian, is nothing her

father would ever want for her, but everything she could ask for in a male. As an act of violence threatens to tear apart the entire program, and the erotic pull between them grows irresistible, Paradise is tested in ways she never anticipated-- and left wondering whether she's strong enough to claim her own power...on the field, and off. **You're Welcome, Universe** Simon and
