Bird Cloud Usborne  
Publishing  
One of Time Magazine's  
Sixteen Best True Crime  
Books of All Time A  
crusading Mexican-  
American journalist  
searches for justice and

hope in an increasingly  
violent Mexico In the last  
decade, more than  
100,000 people have  
been killed or disappeared  
in the Mexican drug war,  
and drug trafficking there  
is a multibillion-dollar  
business. In a country  
where the powerful are  
rarely scrutinized, noted  
Mexican-American  
journalist Alfredo  
Corchado refuses to

shrink from reporting on  
government corruption,  
murders in Juárez, or the  
ruthless drug cartels of  
Mexico. One night,  
Corchado received a tip  
that he could be the next  
target of the Zetas, a  
violent paramilitary  
group—and that he had  
twenty-four hours to find  
out if the threat was true.  
Midnight in Mexico is the  
story of one man's quest

to report the truth of his country—as he races to save his own life.  
*In the Night of Time*  
 Macmillan  
 In the desert, you see, there is everything and nothing . . . It is God without men. —Honoré de Balzac, *Une passion dans le désert*, 1830  
 Jaz and Lisa Matharu are plunged into a surreal public hell after their son, Raj, vanishes during a family vacation in the California desert. However, the Mojave is a place of strange power, and before Raj reappears inexplicably

unharméd—but not unchanged—the fate of this young family will intersect with that of many others, echoing the stories of all those who have traveled before them. Driven by the energy and cunning of Coyote, the mythic, shape-shifting trickster, *Gods Without Men* is full of big ideas, but centered on flesh-and-blood characters who converge at an odd, remote town in the shadow of a rock formation called the Pinnacles. Viscerally gripping and intellectually

engaging, it is, above all, a heartfelt exploration of the search for pattern and meaning in a chaotic universe. This eBook edition includes a Reading Group Guide.  
*The Conquering Sword of Conan*  
 Dial Press  
 “For headling, nonstop adventure and for vivid, even florid, scenery, no one even comes close to Howard.”—Harry Turtledove  
 In a meteoric career that covered only a dozen years, Robert E. Howard defined the sword-and-sorcery genre. In doing so, he brought to

life the archetypal adventurer known to millions around the world as Conan the barbarian. Witness, then, Howard at his finest, and Conan at his most savage, in the latest volume featuring the collected works of Robert E. Howard, lavishly illustrated by award-winning artist Greg Manchess. Prepared directly from the earliest known versions—often Howard’s own manuscripts—are such sword-and-sorcery classics as “The Servants of Bit-Yakin” (formerly

published as “Jewels of Gwahlur”), “Beyond the Black River,” “The Black Stranger,” “Man-Eaters of Zamboula” (formerly published as “Shadows in Zamboula”), and, perhaps his most famous adventure of all, “Red Nails.” The Conquering Sword of Conan includes never-before-published outlines, notes, and story drafts, plus a new introduction, personal correspondence, and the revealing essay “Hyborian Genesis”—which chronicles the history of the creation of the Conan

series. Truly, this is heroic fantasy at its finest. *The Five Acts of Diego Leon* Penguin  
NEW YORK TIMES  
BESTSELLER • NAMED  
ONE OF THE BEST BOOKS  
OF THE YEAR BY CHICAGO  
TRIBUNE • A thrilling  
adventure of danger and  
deep-sea diving, historic  
mystery and suspense, by  
the author of *Shadow  
Divers* Finding and  
identifying a pirate ship is  
the hardest thing to do  
under the sea. But two  
men—John Chatterton and  
John Mattera—are willing  
to risk everything to find

the Golden Fleece, the ship of the infamous pirate Joseph Bannister. At large during the Golden Age of Piracy in the seventeenth century, Bannister should have been immortalized in the lore of the sea—his exploits more notorious than Blackbeard’s, more daring than Kidd’s. But his story, and his ship, have been lost to time. If Chatterton and Mattera succeed, they will make history—it will be just the second time ever that a pirate ship has been discovered and positively

identified. Soon, however, they realize that cutting-edge technology and a willingness to lose everything aren’t enough to track down Bannister’s ship. They must travel the globe in search of historic documents and accounts of the great pirate’s exploits, face down dangerous rivals, battle the tides of nations and governments and experts. But it’s only when they learn to think and act like pirates—like Bannister—that they become able to go where no pirate hunters have

gone before. Fast-paced and filled with suspense, fascinating characters, history, and adventure, *Pirate Hunters* is an unputdownable story that goes deep to discover truths and souls long believed lost. Praise for *Pirate Hunters* “You won’t want to put [it] down.”—Los Angeles Times “An exceptional adventure . . . Highly recommended to readers who delight in adventure, suspense, and the thrill of discovering history at their fingertips.”—Library Journal (starred review) “A

terrific read . . . The book gallops along at a blistering pace, shifting us deftly between the seventeenth century and the present day.”—Diver “Nonfiction with the trademarks of a novel: the plots and subplots, the tension and suspense . . . [Kurson has] found gold.”—The Dallas Morning News “Rollicking . . . a fascinating [story] about the world of pirates, piracy, and priceless treasures.”—The Boston Globe “[Kurson’s] narration is just as engrossing as the

subject.”—The Christian Science Monitor “A wild ride [and an] extraordinary adventure . . . Kurson’s own enthusiasm, combined with his copious research and an eye for detail, makes for one of the most mind-blowing pirate stories of recent memory, one that even the staunchest landlubber will have a hard time putting down.”—Publishers Weekly (starred review) “The two contemporary pirate-ship seekers of Mr. Kurson’s narrative are as daring, intrepid, tough

and talented as Blood and Sparrow—and Bannister. . . . As depicted by the author, they are real-life Hemingway heroes.”—The Wall Street Journal “[Kurson] takes his knowledge of the underwater world and applies it to the ‘Golden Age of Piracy’ . . . thrillingly detailing the highs and lows of chasing not just gold and silver but also history.”—Booklist “A great thriller full of tough guys and long odds . . . and: It’s all true.”—Lee Child

American Chica Atlantic Monthly Press  
 Carlos Bluhm leads the good life in upper-class Lima: He attends social functions with his elegant wife, goes out drinking with his three best friends, and has the occasional, fleeting assignation. Then he meets Maria Fernandez, a dancer at a tango bar in a rough part of town. The beautiful fifteen-year-old intoxicates him. An indigenous dark-skinned Peruvian, she represents everything his safe white world does not, and soon

he can't get her out of his mind. They begin a passionate affair, one that will destroy his marriage and shatter the only reality he's ever known. Flash forward twenty years: Against all odds, Carlos and Maria have remained together. But when Maria finally presses for a formal commitment, feelings long suppressed erupt in a tense endgame that sends both of them hurtling toward a dangerous resolution that will forever alter their lives.  
Silver, Sword, and Stone

Del Rey  
 An authoritative portrait of the Latin-American warrior-statesman examines his life against a backdrop of the tensions of nineteenth-century South America, covering his achievements as a strategist, abolitionist, and diplomat.

creatures created by twisted sorcery all work at cross purposes to either save or destroy Ildakar in Siege of Stone The Sorceress Nicci, the Wizard Nathan Rahl, and the young swordsman Bannon remain in the legendary city of Ildakar after a great internal revolt has freed the slaves and brought down the powerful wizards council. But as he fled the city, capricious Wizard Commander Maxim dissolved the petrification spell that had turned to stone the invading army

of General Utros fifteen centuries earlier. Now, hundreds of thousands of half-stone soldiers from the ancient past have awakened, led by one of the greatest enemy commanders in history. Nicci, Nathan, and Bannon have to help Ildakar survive this unbreakable siege, using all the magical defenses of the legendary city. Even as General Utros holds Ildakar hostage and also unleashes his incredible army on the unsuspecting Old World, an equally powerful threat arises out

in the sea. Nicci knows the battle won't remain in the city; if she can't stop this threat, two invincible armies can sweep across the Old World and destroy D'Hara itself. The Nicci Chronicles 1. Death's Mistress 2. Shroud of Eternity 3. Siege of Stone Silver, Sword, and Stone HMH  
The second novel in the multimillion-copy, #1 New York Times bestselling RED QUEEN series by TikTok sensation Victoria Aveyard. 'All hail Victoria Aveyard - the new Queen of dystopian fiction'

GUARDIAN I WAS BORN TO KILL A KING, TO END A REIGN OF TERROR BEFORE IT CAN TRULY BEGIN. If there's one thing Mare Barrow knows, it's that she's different. Mare's blood is red - the colour of common folk - but her Silver ability, the power to control lightning, has turned her into a weapon that the royal court wants to control. Pursued by the vengeful Silver king, Mare sets out to find and recruit other Red-and-Silver fighters to join the rebellion. But Mare finds herself on a

deadly path, at risk of becoming exactly the kind of monster she is trying to defeat. Will she shatter under the weight of the lives that are the cost of rebellion? Or have treachery and betrayal hardened her forever?

Each chapter is flawless. There doesn't seem to be a wasted line, or word for that matter!' - \_\_\_\_\_ **Paradoxes of Defence** Dial Press Trade Paperback A sweeping saga of the

Spanish history and influence in North America over five centuries, from the acclaimed author of *Empire's Crossroads*. Because of our shared English language, as well as the celebrated origin tales of the Mayflower and the rebellion of the British colonies, the United States has prized its Anglo heritage above all others. However, as Carrie Gibson explains with great depth and clarity in *El Norte*, the nation has much older Spanish roots—ones that have long been

unacknowledged or marginalized. The Hispanic past of the United States predates the arrival of the Pilgrims by a century, and has been every bit as important in shaping the nation as it exists today. *El Norte* chronicles the dramatic history of Hispanic North America from the arrival of the Spanish in the early 16th century to the present—from Ponce de Leon's initial landing in Florida in 1513 to Spanish control of the vast Louisiana territory in 1762

to the Mexican-American War in 1846 and up to the more recent tragedy of post-hurricane Puerto Rico and the ongoing border acrimony with Mexico. Interwoven in this narrative of events and people are cultural issues that have been there from the start but which are unresolved to this day: language, belonging, community, race, and nationality. Seeing them play out over centuries provides vital perspective at a time when it is urgently needed. In 1883, Walt Whitman meditated

on his country's Spanish past: "We Americans have yet to really learn our own antecedents, and sort them, to unify them," predicting that "to that composite American identity of the future, Spanish character will supply some of the most needed parts." That future is here, and El Norte, a stirring and eventful history in its own right, will make a powerful impact on our national understanding. "This history debunks the myth of American exceptionalism by

revisiting a past that is not British and Protestant but Hispanic and Catholic. Gibson begins with the arrival of Spaniards in La Florida, in 1513, discusses Mexico's ceding of territory to the U.S., in 1848, and concludes with Trump's nativist fixations. Along the way, she explains how California came to be named after a fictional island in a book by a Castilian Renaissance writer and asks why we ignore a chapter of our history that began long before the Pilgrims arrived. At a time

when the building of walls occupies so much attention, Gibson makes a case for the blurring of boundaries." —New Yorker "A sweeping and accessible survey of the Hispanic history of the U.S. that illuminates the integral impact of the Spanish and their descendants on the U.S.'s social and cultural development. . . . This unusual and insightful work provides a welcome and thought-provoking angle on the country's history, and should be widely appreciated."

—Publishers Weekly, starred review, PW Pick  
**Lima Nights** Del Rey  
 The author describes her purchase of six hundred wilderness acres in Wyoming and construction of a library-centric home where she contemplated her rich family history, including a river boat captain ancestor who met historical figures.  
The Shadow Isle Oxford University Press, USA  
 Acclaimed author Alex Espinoza, whose writing Lisa See has called “fresh, magical, beautiful, and

evocative,” returns with a captivating, unforgettable novel set in Hollywood’s Golden Age, as a gifted and determined young man leaves Mexico—and everything he’s ever known—to follow his dreams. Growing up in a rural village at the height of the Mexican Revolution, Diego León has many first loves: singing, dancing, and hearing the stories of his ancestors, the P’urhépecha. But when tragedy strikes, young Diego is sent to the city to live with his aristocratic grandparents, who insist

he forget his roots and groom him to take over the family business. Under pressure to enter a profession—and a life—he cares nothing for, and haunted by the violence once again erupting all around him, Diego flees his war-torn country to forge his own destiny. Diego arrives in Hollywood in 1927, when silent films are giving way to talkies, Prohibition is in full swing, and “Latin lover” types are sought out even as they are looked down upon. Working his way up in the

movie business with talent and ingenuity, Diego soon figures out that getting one's face on the silver screen has as much to do with what goes on behind the camera as what goes on in front of it. But the closer Diego comes to stardom, the more he finds that the past is not so easily escaped, as he is drawn again and again to the painful legacy of history and the wounds of his homeland. A sweeping, sensual novel of love, ambition, and identity, *The Five Acts of*

Diego León bears all the marks of a classic Hollywood story: romance, betrayal, glamour, and an underdog hero to root for till the end. "An elegant, startling vision of a Mexican in America, *The Five Acts of Diego León* proclaims the ascendance of a unique new talent, Alex Espinoza—a Chicano in America certain to surpass the fame of his novel's silent Hollywood hero. Espinoza takes our literature from a mute, black-and-white era to a national stage with full-

spectrum color, in high-tech surround sound."—Dagoberto Gilb, author of *Before the End, After the Beginning*  
*Midnight in Mexico* Del Rey  
As the Horsekin continue to push their religious crusade to the borders of the kingdom, the humans of Devery and their elven allies battle to reveal the secrets that can protect the Northlands from ultimate conquest.  
*The Fifth Sorceress* Simon and Schuster  
This beautiful  
HarperCollins Children's

Modern Classics edition is perfect for every bookshelf.

“Plenty of adventure and magic . . . continues Robert Newcomb’s tradition of mixing adventure with an interesting and well-realized magical world.”—SF Site Prince Tristan and his twin sister, Shailiha, are the Chosen Ones, prophesied to unite the opposing magics of the dark Vagaries and the benevolent Vigors. But before they can fulfill their

destiny, they must search out the mysterious Scrolls of the Ancients which hold the key to unlocking great mystical secrets. They are not the only ones on a dire quest. Krassus, a devoted servant of the Vagaries, has located one of the Scrolls and through it has attained great and ominous powers. Now he needs but one thing: a man who unknowingly possesses magic in his blood almost as potent as that of the Chosen Ones. Tristan and Shailiha must find that man before Krassus’s dark

enchantments turn him into the most dangerous weapon of evil the world has ever known—if it’s not already too late. . . .

*The Magic Three of Solatia*  
Del Rey

On the island continent of Ea it is a dark time of chaos and war. Morjin, immortal fallen angel and Lord of Lies, seeks to enslave the entire world. His dreaded assassins are everywhere and land after land falls under his evil power. The one thing that has the potential to destroy him is an object that has been lost for

ages: the fabulous Lightstone that legend tells was crafted by the ancient Star people. A call is sent out by one of the major rulers still free of Morjin's grip to all those who oppose the dreaded sorcerer. It is nothing less than a quest to find the Lightstone and give Men hope after ages of despair. It is a quest that none have seen the like of in ten generations. And most believe is doomed to fail. What hero is man enough, brave enough...or foolish enough to embark on such a mad quest?

Valashu Elahad, the seventh and youngest Valeri prince of the royal house of Mesh is such a man. With his faithful companion Maram by his side Valashu will journey to the farthest reaches of Ea to try and reclaim this mystical object, to free the world of Morjin's evil and save his people from sure destruction. Along the way he will discover truths about friendship, courage...and love. And the terrible truth about the being who threatens to sunder his world.  
Gods Without Men

Hachette UK  
Winner, American Library Association Booklist's Top of the List, 2019 Adult Nonfiction Longlisted for the 2020 Andrew Carnegie Medals for Excellence Against the background of a thousand years of vivid history, acclaimed writer Marie Arana tells the timely and timeless stories of three contemporary Latin Americans whose lives represent three driving forces that have shaped the character of the region: exploitation (silver), violence (sword),

and religion (stone). Leonor Gonzales lives in a tiny community perched 18,000 feet above sea level in the Andean cordillera of Peru, the highest human habitation on earth. Like her late husband, she works the gold mines much as the Indians were forced to do at the time of the Spanish Conquest. Illiteracy, malnutrition, and disease reign as they did five hundred years ago. And now, just as then, a miner's survival depends on a vast global market whose fluctuations are

controlled in faraway places. Carlos Buergos is a Cuban who fought in the civil war in Angola and now lives in a quiet community outside New Orleans. He was among hundreds of criminals Cuba expelled to the US in 1980. His story echoes the violence that has coursed through the Americas since before Columbus to the crushing savagery of the Spanish Conquest, and from 19th- and 20th-century wars and revolutions to the military crackdowns that convulse Latin America to

this day. Xavier Albó is a Jesuit priest from Barcelona who emigrated to Bolivia, where he works among the indigenous people. He considers himself an Indian in head and heart and, for this, is well known in his adopted country. Although his aim is to learn rather than proselytize, he is an inheritor of a checkered past, where priests marched alongside conquistadors, converting the natives to Christianity, often forcibly, in the effort to win the New World. Ever since, the Catholic

Church has played a central role in the political life of Latin

America—sometimes for good, sometimes not. In *Silver, Sword, and Stone* Marie Arana seamlessly weaves these stories with the history of the past millennium to explain three enduring themes that have defined Latin America since pre-Columbian times: the foreign greed for its mineral riches, an ingrained propensity to violence, and the abiding power of religion. What emerges is a vibrant

portrait of a people whose lives are increasingly intertwined with our own.

**Fifth Sun** Random House In *The Fifth Sorceress*, Robert Newcomb conjures a time and place wrought with exquisite detail, characters vividly drawn and deeply felt, and a history rich in glory and horror, splendor and secrets. . . . “We gave them a chance once, long ago. . . . We offered to share power equally, and in peace. But they refused and chose war. With them it was all or nothing. Wizard against Sorceress.

Male against female. Light against dark.” It is more than three centuries since the ravages of a devastating war nearly tore apart the kingdom of Eutracia. In its wake, those who masterminded the bloodshed—a quartet of powerful, conquest-hungry Sorceresses—were sentenced to exile, with return all but impossible and death all but inevitable. Now a land of peace and plenty, protected and guided by a council of immortal wizards, Eutracia is about to crown a new king. And

as the coronation approaches, the spirit of celebration fills every heart. Except one. Prince Tristan is a reluctant monarch-to-be. Though born with the “endowed” blood that will give him the power to master magic, and destined by tradition to succeed his father as ruler, he is a rebel soul. And when he discovers the ancient, hidden caves where strange red waters flow—possessed of their own mysterious magic—it only makes him yearn all the more to escape his

future of duty . . . and succumb to the stirrings of enchantment within him. But more than tradition compels Tristan to ascend the throne. The very existence of Eutracia depends upon it. For after these long centuries of peace, dreadful omens have begun to appear, heralding something too unspeakable to ponder. And if indeed the old evil has returned, hungry to wreak vengeance, Tristan’s role in an ages-old prophecy must be fulfilled—or the cost to his kingdom and his people

will be beyond imagination. It will be a battle like none ever known, against an enemy whose thirst for blood and domination is depthless and unyielding. And for Tristan, it will be the ultimate challenge: facing an adversary whose greatest weapon is the person he loves most—transformed into the instrument of his annihilation . . . and the catalyst that will doom Eutracia forever to darkness.
