## **LACEY KELLEY**

### **Breaking the Rules** Baker Books

As she helps her grandmother restore an old house, Kate Donovan begins to fall for Matt Jarreau, the man her grandmother has hired to renovate the house, who also happens to be an ex-NHL player trying to move on after his wife's death. Original.

### **Bradford's Indian Book** Currency

Ruby Finley vs. the Interstellar Invasion is a backyard adventure-mystery by debut children's author K. Tempest Bradford, perfect for fans of *Clean Getaway*, *The Last Last Day of Summer*, and *Sideways School*. Eleven-year-old Ruby is a Black girl who loves studying insects and would do just about anything to be an entomologist, much to the grossed-out dismay of her Gramma. Ruby knows everything there is to know about insects so when she finds the weirdest bug she's ever seen in her front yard, she makes sure no one is looking and captures it for further study. But then

Ruby realizes that the creature isn't just a regular bug. And it has promptly burned a hole through her window and disappeared. Soon, random things around the neighborhood go missing, and no one's heard from the old lady down the street for a week. Ruby and her friends will have to recover the strange bug before the feds do.

Ruby is the science hero we've all been waiting for!

### **William Bradford** Baker Books

Winner of the 2018 Christy Award Book of the Year After a devastating heartbreak three years ago, genealogist and historical village owner Nora Bradford has decided that burying her nose in her work and her books is far safer than romance in the here and now. Unlike Nora, former Navy SEAL and Medal of Honor recipient John Lawson is a modern-day man, usually 100 percent focused on the present. But when he's diagnosed with an inherited condition, he's forced to dig into the secrets of his past and his adoption as an infant, enlisting Nora to help him uncover the identity of his birth mother. The more time they spend together, the more this pair of

opposites suspects they just might be a perfect match. However, John's already dating someone and Nora's not sure she's ready to trade her crushes on fictional heroes for the risks of a real relationship. Finding the answers they're seeking will test the limits of their identity, their faith, and their devotion to one another.

*Orwell* MIT Press

Gwen Bradford presents a systematic account of what achievements are, and why they are worth the effort. She argues that more things count as achievements than we might have thought, and offers a new perfectionist theory of value in which difficulty, perhaps surprisingly, plays a central part in characterizing achievements.

### *Cold Shot (Chesapeake Valor Book #1)* Baker Books

A comprehensive introduction to the computational modeling of human cognition. *Angel* Oxford University Press, USA

The impeccably researched, deeply moving, never-before-told tale about a World War II incarceration camp in Wyoming and its extraordinary high school football team—for fans of

The Boys in the Boat and The Storm on Our Shores. In the spring of 1942, the United States government forced 120,000 Japanese Americans from their homes in California, Oregon, Washington, and Arizona and sent them to incarceration camps across the West. Nearly 14,000 of them landed on the outskirts of Cody, Wyoming, at the base of Heart Mountain. Behind barbed wire fences, they faced racism, cruelty, and frozen winters. Trying to recreate comforts from home, many established Buddhist temples and sumo wrestling pits. Kabuki performances drew hundreds of spectators—yet there was little hope. That is, until the fall of 1943, when the camp's high school football team, the Eagles, started its first season and finished it undefeated, crushing the competition from nearby, predominantly white high schools. Amid all this excitement, American politics continued to disrupt their lives as the federal government drafted men from the camps for the front lines—including some of the Eagles. As the team's second season kicked off, the young men faced a choice to either join the

Army or resist the draft. Teammates were divided, and some were jailed for their decisions. The Eagles of Heart Mountain honors the resilience of extraordinary heroes and the power of sports in a sweeping and inspirational portrait of one of the darkest moments in American history.

### **Ruby Finley vs. the Interstellar Invasion**

Bethany House Publishers What if God's love were like the sun, constant and unchanging? What if one day you realized nothing could take that away? Firebird is a bright orange baby oriole who just loves the sunshine. But whenever a storm blows in, he frets and asks Mama why God allows the rain to take the sun away. When Firebird is finally old enough, his mother gently instructs him to fly up through the thunder and lightning to see what's on the other side. It's a rough flight, and just when he's about to give up, Firebird rises above the storm to discover the sun shining where it always had been. God never lets the storm take the sun away. With that truth in his heart, Firebird continues to bask in the sunshine, but just as important, he learns to rejoice in the rain. Firebird

is a children's book that parallels the life of Samantha Crawford, a storybook artist in the inspiring new film Unconditional (scheduled for a theatrical launch in fall 2012) who has lost sight of God's love. [Firebird](#) B&H Publishing Group From #1 New York Times bestselling author Barbara Taylor Bradford comes the first book in a stunning new historical saga. Victorian England is a country of sharp divides between rich and poor, but James Lionel Falconer, who spends his days working at his father's market stall, is determined to become a merchant prince. Even as a child, he is everything a self-made man should be: handsome, ambitious, charming, and brimming with self-confidence. James quickly rises through the ranks, proving himself both hardworking and trustworthy, and catching the eye of Henry Malvern, head of the most prestigious shipping company in London. But when threats against his reputation - and his life - begin to emerge, James will have to prove that he truly is the master of his fate. Through scandal and romance, tragedy and

triumph, the Falconer and Malvern family's lives intertwine in unexpected ways in this expansive and intricately detailed new novel filled with drama, intrigue, and Bradford's trademark cast of compelling characters.

**True to You** St. Martin's Press

When Mark Reynolds first meets Emily Todd, he's smitten. So is Seth, his son--which is why Mark has to nip this attraction in the bud. Emily's been honest about her diagnosis, and Mark can't put Seth through the heartbreak of another illness. Even though Emily is fit, sexy and oh-so-alive. Mark's as close as any man's come to being the prince Emily imagined when she was a girl, right down to the gorgeous, ocean-blue eyes. But that girl never imagined herself with MS. Emily doesn't want to be anyone's burden, and she doesn't want to hurt Mark's vulnerable son. So she'll harden her heart, stick to her work and forget about the magic of Mark's touch. Can two grown-ups with their minds made up learn a lesson in love from a four-year-old boy?

A grieving mother learns

to heal in Amish country, in this heartfelt, beautifully told novel from national bestselling author Laura Bradford. Danielle Parker is a gold-medal mom—the kind who volunteers in her children's classrooms, shuttles them between activities, throws legendary birthday parties, and has a remedy on hand for any emergency. Whatever her husband, Jeff, and their children need, Dani is there, always. Except for one day. On that day—the day that Dani reluctantly takes some “me time” while her mom and Jeff drive the children to the park—the unthinkable happens. The car crash leaves no survivors. Somehow, Dani gets through the funerals and visits, accepting neighbors' sympathy and dropped-off meals. All the while, guilt and grief make her wish the accident had claimed her life too. Then a call comes from Lydia Schlabach, an Amish woman Dani befriended in childhood. In addition to condolences, Lydia offers Dani something more: a place to escape to. In Pennsylvania's Amish country, Dani's days take on a new rhythm, marked by the clip-clop of buggies

and the bustle of chores. Lydia gives Dani space to mourn, to think, and to realize how long it's been since she felt like a person in her own right. And with the help of friendships old and new, Dani learns about the ways life continues to surprise us—even after the deepest loss—with joy, love, and second chances. . . . Praise for

Portrait of a Sister “Laura Bradford is a master storyteller; this book will stay with you for a long, long time.” —New York Times bestselling author Tasha Alexander “A charming, well-told story of love and devotion between sisters.” —New York Times bestselling author Rachel Hauck

**Sweet on You** Bradford Books

Britt Bradford and Zander Ford have been the best of friends since they met thirteen years ago. Unbeknown to Britt, Zander has been in love with her for just as long. Independent and adventurous Britt channels her talent into creating chocolates at her hometown shop. Zander is a bestselling author who's spent the past 18 months traveling the world. He's achieved a great deal but still lacks the only thing that ever truly mattered

to him--Britt's heart. When Zander's uncle dies of mysterious causes, he returns to Merryweather, Washington, to investigate, and Britt is immediately there to help. Although this throws them into close proximity, both understand that an attempt at romance could jeopardize their once-in-a-lifetime friendship. But while Britt is determined to resist any change in their relationship, Zander finds it increasingly difficult to keep his feelings hidden. As they work together to uncover his uncle's tangled past, will the truth of what lies between them also, finally, come to light?

*Her New Story* MIT Press  
True Red is the essential biography of one man's fascinating journey from the heart of hardcore gang culture. Tuhoe 'Bruno' Isaac was a leader of one of New Zealand's most notorious gangs; the Mongrel Mob. However, the hopelessness of living the gang life saw him search for another way. A way that led to confession, forgiveness and reconciliati

### **Sweet Anticipation**

Tuhoe Bruno Isaac  
Thanks to a recent misstep, Tess is handed a bus ticket to Pennsylvania--to Amish

country. The story? Write about living in the past in a modern-day world. Determined to prove herself by coming up with something juicier than a run-of-the-mill human-interest piece, Tess makes her way through this strange place.

### **Free Will as an Open Scientific Problem**

Millbrook Press  
An argument that the problem of free will boils down to an open scientific question about the causal histories of certain kinds of neural events. In this largely antimetaphysical treatment of free will and determinism, Mark Balaguer argues that the philosophical problem of free will boils down to an open scientific question about the causal histories of certain kinds of neural events. In the course of his argument, Balaguer provides a naturalistic defense of the libertarian view of free will. The metaphysical component of the problem of free will, Balaguer argues, essentially boils down to the question of whether humans possess libertarian free will. Furthermore, he argues that, contrary to the traditional wisdom, the libertarian question reduces to a question about indeterminacy—in

particular, to a straightforward empirical question about whether certain neural events in our heads are causally undetermined in a certain specific way; in other words, Balaguer argues that the right kind of indeterminacy would bring with it all of the other requirements for libertarian free will. Finally, he argues that because there is no good evidence as to whether or not the relevant neural events are undetermined in the way that's required, the question of whether human beings possess libertarian free will is a wide-open empirical question.

Wade will delight readers with mouthwatering descriptions of chocolate and cozy scenes of friendship. Series fans will

find this a fitting conclusion."--Publishers Weekly  
Being Elizabeth Baker Books  
*Scenes in the Life of Harriet Tubman: By SARAH H. BRADFORD. [Special Illustrated Edition] Of Plymouth Plantation, 1620-1647* Kensington Publishing Corporation  
 The spirited Wylder sisters continue to scandalize the ton in Isabella Bradford's witty and winsome trilogy. This time, the most impulsive of the siblings meets her match: a charming rake determined to save her from an arranged marriage. The youngest of the Wylder girls—and the last left unwed—Lady Diana is also the most willful, a trait that's leading her ever closer to dishonorable disaster. While her family's solution is a fast and excruciatingly respectable marriage, Diana can't imagine being wed to the very staid and dull Lord Crump. But while wedding plans are being made, a chance meeting at a gala turns Diana's world upside down. A kiss from a dazzling stranger gives Diana a most intimate introduction to one of the ton's most resolute and scandalous bachelors, the

Duke of Sheffield. Torn between family duty and her heart's desire, Diana recklessly surrenders to the headiest of passions, recognizing that she has found a kindred soul in the handsome young duke. Soon it's clear that seduction is no longer the game: Something deep and lasting has come to bind their hearts, and the stakes are nothing less than true love. "Sexy, funny, touching, and truly romantic."—New York Times bestselling author Loretta Chase  
Red Sky at Morning Becky Wade  
 With the authority missing from all previous accounts, acclaimed royal biographer Sarah Bradford delivers a complex and explosive study of the greatest icon of the twentieth century: Diana, Princess of Wales. With access to those closest to Diana and her select circle, Sarah Bradford casts aside the gossip and lies and takes us to the very heart of the Royal Family, talking to those who know them intimately, and finally separating the myth from the truth of the Diana years. Drawing on remarkable new interviews and first-hand accounts from friends, courtiers and employees,

Diana paints an extraordinary portrait of a woman riddled with contradictions. Magnetic, affectionate,

compassionate, stylish, and dutiful, on one hand; destructive, needy, self-absorbed, and consumed with insecurity and suspicion, on the other.
