MCMAHON NATALEE

Born Survivors Farrar, Straus and Giroux
(Byr)

"Chronicles the true story of two children from different worlds: a city boy and a country girl. When the persecution of Jews began in the 1940s, both were plucked from their homes and thrust into concentration camps. They were stripped of everything and forced to navigate a truly incomprehensible, volatile,

dangerous and unpredictable world. Despite their exposure to the horrors of the Holocaust, they endured and carried on with a determination that shaped them forever. Follow the lives of Max and Rose as they learned to adapt to a reality beyond belief and emerged stronger than ever. When they were finally liberated from their concentration camps, they navigated a new world individually before finding each other to form what each so tragically lost: a family."--

The Hidden Girl Simon and Schuster
The New York Times bestseller with more

than 1 million copies sold worldwide | Soon to be a Hulu limited series starring Joey King and Logan Lerman Inspired by the incredible true story of one Jewish family separated at the start of World War II, determined to survive—and to reunite—*We Were the Lucky Ones* is a tribute to the triumph of hope and love against all odds. "Love in the face of global adversity? It couldn't be more timely." —*Glamour* It is the spring of 1939 and three generations of the Kurc family are doing their best to live normal lives, even as the shadow of war grows closer. The talk around the family Seder table is

of new babies and budding romance, not of the increasing hardships threatening Jews in their hometown of Radom, Poland. But soon the horrors overtaking Europe will become inescapable and the Kurcs will be flung to the far corners of the world, each desperately trying to navigate his or her own path to safety. As one sibling is forced into exile, another attempts to flee the continent, while others struggle to escape certain death, either by working grueling hours on empty stomachs in the factories of the ghetto or by hiding as gentiles in plain sight. Driven by an unwavering will to survive and by the fear that they may never see one another again, the Kurcs must rely on hope, ingenuity, and inner strength to persevere. An extraordinary, propulsive novel, *We Were the Lucky Ones* demonstrates how in the face of the twentieth century's darkest moment, the human spirit can endure and even thrive.

Shores Beyond Shores Harvard University Press

It was 1945 and Romek Wajzman had just been liberated from Buchenwald, a brutal concentration camp where more than 60,000 people were killed. He was

starving, tortured, and had no idea where his family was--let alone if they were alive. Along with 472 other boys, including Elie Wiesel, these teens were dubbed "The Buchenwald Boys." They were angry at the world for their abuse, and turned to violence: stealing, fighting, and struggling for power. Everything changed for Romek and the other boys when Albert Einstein and Rabbi Herschel Schacter brought them to a home for rehabilitation Romek Wajzman, now Robbie Waisman, humanitarian and Canadian governor general award recipient, shares his remarkable story of transforming pain into resiliency and overcoming incredible loss to find incredible joy. Finalist for the Norma Fleck Award for Canadian Children's Non-Fiction Winner of the 2022 the Sheila A. Egoff Children's Literature Prize

The Choice Scholastic Inc.

"The incredible true story of Michael Bornstein--who at age 4 was one of the youngest children to be liberated from Auschwitz--and of his family"--

The Happiest Man on Earth

Tanglewood Press

"Perhaps there is no simple, easy way to

educate children about the Holocaust. Yet [this] new extraordinary work in the form of a nonfiction graphic novel for children is a valiant attempt to do just that. These testimonials... serve as a reminder never to allow such a tragedy to happen again."—BookTrib Between 1933 and 1945, Adolf Hitler and the Nazi party were responsible for the persecution of millions of Jews across Europe. This extraordinary graphic novel tells the true stories of six Jewish children who survived the Holocaust. From suffering the horrors of Auschwitz, to hiding from Nazi soldiers in war-torn Paris, to sheltering from the Blitz in England, each true story is a powerful testament to the survivors' courage. These remarkable testimonials serve as a reminder never to allow such a tragedy to happen again. Features a current photograph of each contributor and an update about their lives, along with a glossary and timeline to support reader understanding of this period in world history.

Escape Citadel Press

Features seven true stories of brave boys and girls who lived through the Holocaust. Their compelling accounts are based on

exclusive, personal interviews with the survivors. Using real names, dates and places, these stories are factual versions of their recollections.

- First illustrated biography of Eva Kor - Author was friends with Eva Kor and traveled with her to Poland - Reveals the power of forgiveness in one's own healing process when up against trauma - Eva Kor has a museum and education center in Indiana

The True Adventures of Gidon Lev

Rowman & Littlefield

This exciting graphic novel presents a series of puzzling mystical Jewish stories weaving together a daring adventure tale, following siblings Rose and Ben as they search for their missing grandparents, aided only by a mysterious book, a lantern, and their wits. Anticipating

danger, the kids' grandmother, Bubbe, appears to the twins in a cloud of flour and tells them to find a package that contains a book. The midrash stories they find—about the flying Ziz, the giant Og, the gatekeeper at a maze, and a treasure-seeker who lives in a mushroom hut—provide insights into defeating the creepy sorceress scheming to take the book. As the mystery deepens, the siblings must follow the Lamplighter's wise advice, slip past a guard into a maze, reunite with their grandparents, and learn why they have inherited the responsibility to protect the book—and the Jewish people.

A Delayed Life Survivors of the Holocaust A New York Times bestseller “Both moving and memorable, combining the emotional resolve of a memoir with the rhythm of a novel.” —New York Times Book Review In 1945, in a now-famous piece of World War II archival footage, four-year-old Michael Bornstein was filmed by Soviet soldiers as he was carried out of Auschwitz in his grandmother's arms. *Survivors Club* tells the unforgettable story of how a father's courageous wit, a mother's fierce love, and one perfectly timed illness saved his life, and how others in his family from

Zarki, Poland, dodged death at the hands of the Nazis time and again with incredible deftness. Working from his own recollections as well as extensive interviews with relatives and survivors who knew the family, Michael relates his inspirational Holocaust survival story with the help of his daughter, Debbie Bornstein Holinstat. Shocking, heartbreaking, and ultimately uplifting, this narrative nonfiction offers an indelible depiction of what happened to one Polish village in the wake of the German invasion in 1939. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum. A New York City Public Library Notable Best Book for Teens

Survivors: True Stories of Children in the Holocaust Scribner

A New York Times Bestseller “I'll be forever changed by Dr. Eger's story...The Choice is a reminder of what courage looks like in the worst of times and that we all have the ability to pay attention to what we've lost, or to pay attention to what we still have.”—Oprah “Dr. Eger's life reveals our capacity to transcend even the greatest of horrors and to use that

suffering for the benefit of others. She has found true freedom and forgiveness and shows us how we can as well.” —Desmond Tutu, Nobel Peace Prize Laureate “Dr. Edith Eva Eger is my kind of hero. She survived unspeakable horrors and brutality; but rather than let her painful past destroy her, she chose to transform it into a powerful gift—one she uses to help others heal.” —Jeannette Walls, New York Times bestselling author of *The Glass Castle* Winner of the National Jewish Book Award and Christopher Award At the age of sixteen, Edith Eger was sent to Auschwitz. Hours after her parents were killed, Nazi officer Dr. Josef Mengele, forced Edie to dance for his amusement and her survival. Edie was pulled from a pile of corpses when the American troops liberated the camps in 1945. Edie spent decades struggling with flashbacks and survivor’s guilt, determined to stay silent and hide from the past. Thirty-five years after the war ended, she returned to Auschwitz and was finally able to fully heal and forgive the one person she’d been unable to forgive—herself. Edie weaves her remarkable personal journey with the moving stories of those she has helped

heal. She explores how we can be imprisoned in our own minds and shows us how to find the key to freedom. *The Choice* is a life-changing book that will provide hope and comfort to generations of readers.

Mitka's Secret Scholastic Inc.

Now in his eighties, Sam Pivnik tells for the first time the extraordinary story of how he survived the Holocaust Sam Pivnik is the ultimate survivor from a world that no longer exists. On fourteen occasions he should have been killed, but luck, his physical strength, and his determination not to die all played a part in Sam Pivnik living to tell his extraordinary story. In 1939, on his thirteenth birthday, Pivnik's life changed forever when the Nazis invaded Poland. He survived the two ghettos set up in his home town of Bedzin and six months on Auschwitz's notorious Rampe Kommando where prisoners were either taken away for entry to the camp or gassing. After this harrowing experience he was sent to work at the brutal Fürstengrube mining camp. He could have died on the 'Death March' that took him west as the Third Reich collapsed and he was one of only a

handful of people who swam to safety when the Royal Air Force sank the prison ship *Cap Arcona* in 1945, mistakenly believing it to be carrying fleeing members of the SS. He eventually made his way to London where he found people too preoccupied with their own wartime experiences on the Home Front to be interested in what had happened to him. Now in his eighties, Sam Pivnik tells for the first time the story of his life, a true tale of survival against the most extraordinary odds.

Denying the Holocaust Pan Books

A 2021 National Jewish Book Award Finalist One of Smithsonian Magazine's Best History Books of 2021 "An uplifting tale, suffused with a karmic righteousness that is, at times, exhilarating." —Wall Street Journal "A gripping narrative that reads like a page turning thriller novel." —NPR In the summer of 1942, the Rabinowitz family narrowly escaped the Nazi ghetto in their Polish town by fleeing to the forbidding Bialowieza Forest. They miraculously survived two years in the woods—through brutal winters, Typhus outbreaks, and merciless Nazi raids—until they were liberated by the Red Army in

1944. After the war they trekked across the Alps into Italy where they settled as refugees before eventually immigrating to the United States. During the first ghetto massacre, Miriam Rabinowitz rescued a young boy named Philip by pretending he was her son. Nearly a decade later, a chance encounter at a wedding in Brooklyn would lead Philip to find the woman who saved him. And to discover her daughter Ruth was the love of his life. From a little-known chapter of Holocaust history, one family's inspiring true story. *Surviving the Holocaust* Insight Editions

The world suddenly changed into hell as the rivers and lakes turned into blood. The Pacific Ocean and the Atlantic Ocean could not be left behind. The hue and cries of people could be heard from afar and beyond, as the merciless and ruthless massacre of the Jews were being carried out. This was the genocide that took place between 1941 and 1945. This book, *Surviving the Holocaust*, opens up a fresh wound that, even though we are healed, the wound looks fresh just like yesterday. The book talks much about the survivors of the Holocaust. The main objective of this book is to instill in you the information

and the facts in order for you to understand what went on during that time. This book explores the life of the survivors and how they managed their ordeals. It is good to note that the likes of Irene Fogel saw death with their own eyes. Imagine existing in an era where over 60 million people are being displaced, with another 17 million that just disappeared. It is painful, indeed. Irene, who survived the Holocaust, was born in a poverty-stricken family, even though her father's lumber yard was able to sustain them. It is now up to you to check on this chapter so that you can gather more information about Irene and the other survivors. This book also elaborates and illustrates why this war started. Some put these reasons as mere conceptions, while others believe in them. The life of the survivors even became hell after the Holocaust, since keeping up with the situation proved horrific. Many went ahead to commit suicide. This book, *Surviving the Holocaust*, is an emotional book. It is filled with detailed content that you might require in your quest for knowing World War II. I cannot dwell on all the chapters here, but within the book, you will learn about the following: Reasons

that the Holocaust cannot fade The effects of World War II The misconceptions about the Holocaust And so much more.

Elly: My True Story of the Holocaust
Simon and Schuster

The denial of the Holocaust has no more credibility than the assertion that the earth is flat. Yet there are those who insist that the death of six million Jews in Nazi concentration camps is nothing but a hoax perpetrated by a powerful Zionist conspiracy. Sixty years ago, such notions were the province of pseudohistorians who argued that Hitler never meant to kill the Jews, and that only a few hundred thousand died in the camps from disease; they also argued that the Allied bombings of Dresden and other cities were worse than any Nazi offense, and that the Germans were the "true victims" of World War II. For years, those who made such claims were dismissed as harmless cranks operating on the lunatic fringe. But as time goes on, they have begun to gain a hearing in respectable arenas, and now, in the first full-scale history of Holocaust denial, Deborah Lipstadt shows how—despite tens of thousands of living witnesses and vast amounts of

documentary evidence—this irrational idea not only has continued to gain adherents but has become an international movement, with organized chapters, “independent” research centers, and official publications that promote a “revisionist” view of recent history. Lipstadt shows how Holocaust denial thrives in the current atmosphere of value-relativism, and argues that this chilling attack on the factual record not only threatens Jews but undermines the very tenets of objective scholarship that support our faith in historical knowledge. Thus the movement has an unsuspected power to dramatically alter the way that truth and meaning are transmitted from one generation to another.

Survivors of the Holocaust Millbrook Press

In the shouted words of a woman bound for Auschwitz to a man about to escape from a cattle car, “If you get out, maybe you can tell the story! Who else will tell it?” Our *Crime Was Being Jewish* contains 576 vivid memories of 358 Holocaust survivors. These are the true, insider stories of victims, told in their own words. They include the experiences of teenagers

who saw their parents and siblings sent to the gas chambers; of starving children beaten for trying to steal a morsel of food; of people who saw their friends commit suicide to save themselves from the daily agony they endured. The recollections are from the start of the war—the home invasions, the Gestapo busts, and the ghettos—as well as the daily hell of the concentration camps and what actually happened inside. Six million Jews were killed in the Holocaust, and this hefty collection of stories told by its survivors is one of the most important books of our time. It was compiled by award-winning author Anthony S. Pitch, who worked with sources such as the United States Holocaust Memorial Museum to get survivors’ stories compiled together and to supplement them with images from the war. These memories must be told and held onto so what happened is documented; so the lives of those who perished are not forgotten—so history does not repeat itself. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and

memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

I Escaped from Auschwitz Scholastic Inc.

An award-winning, internationally bestselling Holocaust memoir in the tradition of Elie Wiesel’s *Night* and Primo Levi’s *Survival in Auschwitz* In the spring of 1944, gendarmes forcibly removed Tibor “Max” Eisen and his family from their home, brought them to a brickyard and eventually loaded them onto crowded cattle cars bound for Auschwitz-Birkenau. At fifteen years of age, Eisen survived the selection process and was inducted into

the camp as a slave laborer. More than seventy years after the Nazi camps were liberated by the Allies, *By Chance Alone* details Eisen's story of survival: the backbreaking slave labor in Auschwitz I, the infamous death march in January 1945, the painful aftermath of liberation and Eisen's journey of physical and psychological healing. Ultimately, the book offers a message of hope as the author finds his way to a new life.

We Were the Lucky Ones Farrar, Straus and Giroux (BYR)

The Boxer and the Barry Levinson-directed movie *The Survivor* premiering on HBO on April 27, 2022, are both based on the book by Alan Scott Haft, the eldest son of Hertzko (Harry) Haft: *Harry Haft: Auschwitz Survivor, Challenger of Rocky Marciano* Poland, 1941. Sixteen-year-old Harry Haft is sent to Auschwitz. When he is forced to fight against other inmates for the amusement of the SS officers, Haft shows extraordinary strength and courage, and a determination to survive. As the Soviet Army advances in April 1945, he makes a daring escape from the Nazis. After negotiating the turmoil of postwar Poland, Haft immigrates to the

United States and establishes himself as a professional prizefighter, remaining undefeated until he faces heavyweight champion Rocky Marciano in 1949. In *The Boxer*, Reinhard Kleist reveals another side to the steely Harry Haft: a man struggling to escape the memories of the fiancée he left behind in Poland. This is a powerful and moving graphic novel about love and the will to survive.

The Redhead of Auschwitz: A True Story Macmillan + ORM

The remarkable life story of Mitka Kalinski, who survived seven years of enslavement--while still a child--to a Nazi officer during and after World War II Mitka Kalinski had never revealed his past to anyone. Not even to his wife or his four children. But in 1981, three decades after it had all ended, Mitka finally broke his silence about the horrors he had endured during the Holocaust and in the years immediately afterward: not only German concentration camps and sadistic medical experiments but also seven years of enslavement in the household of a Nazi officer, "Iron" Gustav Dörr. Having been orphaned before the war, Mitka did not know his origins or even his name. Torture, slavery, and a false

name stripped him of his identity entirely. Thus, when he immigrated to the United States in 1951, Mitka seized the opportunity to bury his past and forge a new life. He lived the American life in all its fullness and moved to Nevada with his beloved wife, Adrienne, and their children. But the secret he carried became an increasingly heavy burden, preventing wholeness and healing. This is Mitka's account of facing the past, confronting his captors, connecting with lost relatives, and finding peace in the rediscovery of his origins. For Mitka, this also meant reclaiming his Jewish heritage--a journey that gave him a new sense of purpose and freedom from the lingering effects of trauma that had filled his life to that point. By the end, *Mitka's Secret* is less a story of survival and more one of redemption and transformation--from hidden suffering to abundant joy.

Forgiveness TSB

The Stunning and Emotional Autobiography of an Auschwitz Survivor April 7, 1944—This date marks the successful escape of two Slovak prisoners from one of the most heavily-guarded and notorious concentration camps of Nazi

Germany. The escapees, Rudolf Vrba and Alfred Wetzler, fled over one hundred miles to be the first to give the graphic and detailed descriptions of the atrocities of Auschwitz. Originally published in the early 1960s, *I Escaped from Auschwitz* is the striking autobiography of none other than Rudolf Vrba himself. Vrba details his life leading up to, during, and after his escape from his 21-month internment in Auschwitz. Vrba and Wetzler manage to

evade Nazi authorities looking for them and make contact with the Jewish council in Zilina, Slovakia, informing them about the truth of the “unknown destination” of Jewish deportees all across Europe. This first-hand report alerted Western authorities, such as Pope Pius XII, Winston Churchill, and Franklin D. Roosevelt, to the reality of Nazi annihilation camps—information that until then had only been recognized as nasty rumors. I

Escaped from Auschwitz is a close-up look at the horror faced by the Jewish people in Auschwitz and across Europe during World War II. This newly edited translation of Vrba’s memoir will leave readers reeling at the terrors faced by those during the Holocaust. Despite the profound emotions brought about by this narrative, readers will also find an astounding story of heroism and courage in the face of seemingly hopeless circumstances.
