*Mysterious Stranger* Rainbow Horizons Publishing  
 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE • A thrilling adventure of danger and deep-sea diving, historic mystery and suspense, by the author of *Shadow Divers* Finding and identifying a pirate ship is the hardest thing to do under the sea. But two men—John Chatterton and John Mattera—are willing to risk everything to find the Golden Fleece, the ship of the infamous pirate Joseph Bannister. At large during the Golden Age of Piracy in the seventeenth century, Bannister should have been immortalized in the lore of the sea—his exploits more notorious than Blackbeard's, more daring than Kidd's. But his story, and his ship, have been lost to time. If Chatterton and Mattera succeed, they will make history—it will be just the second time ever that a pirate ship has been discovered and positively identified. Soon, however, they realize that cutting-edge technology and a willingness to lose everything aren't enough to track down Bannister's ship. They must travel the globe in search of historic documents and accounts of the great pirate's exploits, face down dangerous rivals, battle the tides of nations and governments and experts. But it's only when they learn to think and act like pirates—like Bannister—that they become able to go where no pirate hunters have gone before. Fast-paced and filled with suspense, fascinating characters, history, and adventure, *Pirate Hunters* is an unputdownable story that goes deep to discover truths and souls long believed lost. Praise for *Pirate Hunters* “You won't want to put [it] down.”—Los Angeles Times “An exceptional adventure . . . Highly recommended to readers who delight in adventure, suspense, and the thrill of discovering history at their fingertips.”—Library Journal (starred review) “A terrific read . . . The book gallops along at a blistering pace, shifting us deftly between the seventeenth century and the present day.”—Diver “Nonfiction with the trademarks of a novel: the plots and subplots, the tension and suspense . . . [Kurson has] found gold.”—The Dallas Morning News “Rollicking . . . a fascinating [story] about the world of pirates, piracy, and priceless treasures.”—The Boston Globe “[Kurson's] narration is just as engrossing as the subject.”—The Christian Science Monitor “A wild ride [and an] extraordinary adventure . . . Kurson's own enthusiasm, combined with his copious research and an eye for detail, makes for one of the most mind-blowing pirate stories of recent memory, one that even the staunchest landlubber will have a hard time putting down.”—Publishers Weekly (starred review) “The two contemporary pirate-ship seekers of Mr. Kurson's narrative are as daring, intrepid, tough and talented as *Blood and Sparrow*—and *Bannister*. . . As depicted by the author, they are real-life Hemingway heroes.”—The Wall Street Journal “[Kurson] takes his knowledge of the underwater world and applies it to the 'Golden Age of Piracy' . . . thrillingly detailing the highs and lows of chasing not just gold and silver but also history.”—Booklist “A great thriller full of tough guys and long odds . . . and: It's all true.”—Lee Child

*A Treasure's Trove* is a compelling fairy tale, suitable for adults and children of all ages, about twelve forest creatures whose mates disappear after being crystallized by a dark dust that blankets the forest every evening. The creatures combine forces with a handsome woodcarver, his beautiful half-elf, half-human wife, and their timid, winged "doth" to save the creatures and restore the dying forest. A sweet and sometimes sad story about friendship and greed, *A Treasure's Trove* shows how love can be a greater force than fear. Ever poignant, it reminds us to take care of each other and the Earth, and to work together to accomplish our goals. But the story doesn't end there. It can lead you on a terrific family adventure to discover real treasure. In the book's wonderfully written and superbly illustrated pages are clues to finding 12 gold tokens, redeemable for 12 magnificent jewels, similar to the jeweled forest creatures in the tale. The tokens have been hidden in 12 separate locations throughout the continental USA, spawning an exciting nationwide treasure hunt. *A Treasure's Trove* will be talked about for years to come! \*NOW A NETFLIX LIMITED SERIES—from producer and director Shawn Levy (*Stranger Things*) starring Mark Ruffalo, Hugh Laurie, and newcomer Aria Mia Loberti\* Winner of the Pulitzer Prize and National Book Award finalist, the beloved instant New York Times bestseller and New York Times Book Review Top 10 Book about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives with her father in Paris near the Museum of Natural History where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris, and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the Resistance. More and more aware of the human cost of his intelligence, Werner travels through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure's converge. Doerr's "stunning sense of physical detail and gorgeous metaphors" (*San Francisco Chronicle*) are dazzling. Deftly interweaving the lives of Marie-Laure and Werner, he illuminates the ways, against all odds, people try to be good to one another.
