In Search of Holiness
Beginner's Bible
Because: A Youth
Study You've all heard
it.... "Because I said
so!" It's a phrase
uttered by mothers
(and others with
authority) around the
globe. It is technically
an answer, of course,
but falls short of being

a satisfactory one.
When it comes to
matters of doctrine and
faith, a "because I said
so" answer will not do.
We must understand
why we speak, act, and
live righteously. There
is a right way, and we
can know it is best, just
because He said so.
Help your youth
understand "Why" This
book is a great
conversation starter for
use in Sunday School
classes or as a youth

Bible Study series. It will get them thinking about , and perhaps more importantly, talking about why Christians are called to live differently than the broader surrounding culture. And it doesn't mince words. Study Questions in each chapter At the end of each chapter, we've included study questions to help you capture, on a single page, some of the key ideas brought out in the chapter. This will help their retention and make it easier to go back and refresh their memory at a glance. About The Author Melinda was born in Alabama, raised in Ghana, and currently lives in St. Louis, Missouri. She has been many places and is grateful that God is the same in all

of them. She lives to promote His name and fame in any and every possibly way. Writing is her favorite way.

Someone wise once told her that if she would write, it would enable others to run. That's what she wants to do more than anything: enable others to run. So, she writes what she can from her own heart, ever praying that the Lord take them and turn them to fuel for someone else's. "And the LORD answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it." Habakkuk 2:2 Scroll back up and grab your copy.

The Master Plan of Evangelism, Second Edition, Abridged Courier Corporation Is your tween prepared for what's ahead? It used to be that middle school was the time to talk to kids about topics like modesty and body image. Unfortunately, the at-risk demographic for distorted views on the body is now girls ages 8-10. Fortunately, Dannah Gresh has provided a resource for this need. True Girl is geared to helping tween girls understand their dignity in Christ. It features a creative self-help text format that includes sidebars,

quizzes, games, exploded quotes, and graphics to help them absorb the message. Here's what author Dannah Gresh has to say about the motivation behind the book: "My past fifteen years of studying at-risk teen and tween behavior has over and over again led me to good news: girls who are exposed to an age-appropriate, Bible-based understanding of beauty and fashion between the ages of 8-12 tend to be less likely to engage in early sexual activity or have body image issues. They are also more likely to have healthy friendships, excel academically, and become positive social contributors in their communities, all while expressing their beauty and value

appropriately. "It's not rocket science. It is social science paired with a whole lot of prayer and Bible study. We can change what tween girls see when they look in the mirror by changing what's inside their hearts."

This is the heart behind True Girl: a desire to teach tween girls how valuable they are and how to honor their God-given dignity. Ultimately, it's about grounding girls in their identity in Christ so the tumultuous teen years don't uproot them. This book pairs with True Girl Mom-Daughter Devos, allowing moms a helpful resource for walking through this formative time with their tween girl.

Multnomah
New York Times
bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses

daily... But who do you know who lives like that? Do you? In Radical, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Metaphysical Bible Dictionary ACU Press

Moms and daughters will be empowered to embrace the girls of grace God designed them to be instead of conforming to society's mold of normal. As a mom of two daughters, Catherine understands how unique the mother/daughter bond truly is. A few years ago, she looked tirelessly for a Bible study to share with her tween daughter. Catherine found countless options for children and teens but very few for the tween age group—and none of these options were designed for moms and tween daughters to share together. Recognizing an unfulfilled need, Catherine wrote *Becoming a Girl of Grace*. Moms and

daughters will take a closer look at some of the amazing ladies of the Bible and the character traits they model for modern tween girls. These women of yesterday have a lot to share with the girls of today! Dealing with mean girls and bullies, feeling left out, and learning to like oneself are not new social dilemmas. The Bible is full of examples of strong females who chose to follow God and pursue faith despite what was happening in their world and cultures.

Decisions are the making of life. Equipping people to make good decisions often comes as a result of paying attention to those who made bad

decisions. Abraham's nephew, Lot got almost nothing right. These ten small group sessions are drawn from the 31 chapters of my book *Bad Decisions - The Legacy of Lot*. This addresses many issues a man will face in life.

Sparkling Gems from the Greek

Jesus' command to "go make disciples" is the foundational precept of the Great Commission. Pastor Stan Gleason explores the church's critical mandate to make disciples from biblical, theoretical, and practical viewpoints. An accomplished disciple maker himself, the author encourages every believer to make disciples.

Doctrine

This 12-week study leads readers through

the book of Daniel, highlighting God's reign over all the earth as the sovereign Lord of history.

Becoming a Girl of Grace

A key to Charles Fillmore's original form of religious expression, this volume is a core text of the Unity movement and interprets the hidden meanings of the Bible's names, places, and events.

Seventy

The first in a new Bible study series from Verse By Verse Ministry International (vbvmi.org). This 12-week VBVMi Group Study on End Times features thought-provoking teaching of core biblical concepts in prophecy. The workbook prepares both individual students and small

groups for a deeper study of eschatology by examining key ideas and highlights from the book of Revelation, Daniel and other scripture. Students will gain a foundational understanding of God's plan for Israel, the Church and the end of the age. The VBVM Group Study series is designed to suit the needs of students new to a study of end times while still offering a challenge to experienced Bible students. Each lesson in this study includes a video available to stream for free over the internet. The videos feature the teaching of Stephen Armstrong, acclaimed for his unique and gifted approach to explaining the Bible. The 12 videos are available for viewing or

Leader's Guide - Bad Decisions

"This book provides an overview of the Holy Spirit throughout the entirety of Scripture from Genesis to Revelation; in doing so, the author strives to set forth an Apostolic pneumatology"--

The Four Tables

The Pastor's Handbook (KJV) is intended to meet the continuing need of the Christian minister for guidance and forms as he does the work of the ministry. It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality, beauty and

dignity. To this end, numerous changes, both large and small, have been made—more selected Scriptures, new alternatives for special occasions, some significant additions and changes. At the same time, every effort has been made to keep the book concise and compact to maximize its usefulness. The formulas should be sufficient for the ordinary needs of the minister. They may be modified or supplemented by materials from the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms, preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is

maintained there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness, who can object? May the blessing of God attend all who glean from this manual, enabling it them to know what to say and how to say it. This is made also for allowing them to know what to do and how to do it especially as the occasion requires. Gratitude is expressed to many pastors and contributors for this volume. Includes the: worship service, baptism, communion, funerals, anointing services, healing services, membership, installation, baby and

child dedication,
consecration services,

ceremonies for
buildings and
visitation.
