REILLY BLANKENSHIP

So Long, Normal
Chronicle Books
How contemporary
photographers from
Hank Willis Thomas to
Libita Clayton have
subverted the
constructions and
complicities of
whiteness From the
advent of early colonial
photography in the
19th century to
contemporary "white

savior" social-media
images, photography
continues to play an
integral role in the
maintenance of white
sovereignty. As various
scholars have shown,
the technology of the
camera is not innocent,
and neither are the
images it produces.
The invention and
continuation of the
"white race" is not just
a political, social and
legal phenomenon; it is
also a complexly visual
one. What does
whiteness look like,
and how might we

begin to trace an antiracist history of artistic resistance that works against it? *The Image of Whiteness* seeks to introduce its reader to some important extracts from the troubling story of whiteness, to describe its falsehoods, its paradoxes and its oppressive nature, and to highlight some of the crucial work photographic artists have done to subvert and critique its image. *The Image of Whiteness* includes the work of artists Abdul Abdullah, Agata Madejska, Broomberg & Chanarin, Buck Ellison, John Lucas & Claudia Rankine, David Birkin, Hank Willis Thomas, Kajal Nisha Patel, Michelle Dizon & Viet Le, Nancy Burson, Nate Lewis, Libita

Clayton, Paul Mpagi Sepuya, Richard Misrach, Sophie Gabrielle, Stacy Kranitz and Stanley Wolukau-Wanambwa.

Full of wit and delicious observations, *Mrs Funnybones* captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of the country. Based on Twinkle Khanna's super-hit column, *Mrs Funnybones* marks the debut of one of our funniest, most original voices.

"Maitland Ward joined the cast of *The Bold and the Beautiful* as a teenager and found fame as the loveable, sexy (but not too sexy) co-ed Rachel McGuire in the later seasons of the beloved ABC sitcom *Boy Meets World*. Forced into the "good girl" role time and again, she was

denied the darker, meatier roles she truly wanted to sink her teeth into. And so she turned away from Disney gold, and eventually established herself as one of the most-respected actresses in porn today. Full of jaw-and-panty-dropping anecdotes, as well personal stories from her time on one of the most beloved sitcoms of the '90s, **RATED X** won't be your run-of-the-mill celebrity memoir. Readers will get to see Hollywood and triple-x stardom up close and personal, and in a whole new light. Her story is not a cautionary tale. It's a story of hope and triumph about a woman who took her desire by the reins, shot to the top of the industry, and has

become one of porn's most prominent figures with crossover appeal—all at the age of forty. Sharp, provocative, and unexpected, **RATED X** is the story of a Disney Princess who unapologetically found her fairytale in porn"—[Minor White](#) National Geographic Books

Fred and Helen Martini longed for a baby, and they ended up with dozens of lion and tiger cubs! Snuggle up to this purr-fect read aloud about the Bronx Zoo's first female zookeeper. When Bronx Zoo-keeper Fred brought home a lion cub, Helen Martini instantly embraced it. The cub's mother lost the instinct to care for him. "Just do for him what you would do with a human baby," Fred suggested...and she did. Helen named

him MacArthur, and fed him milk from a bottle and cooed him to sleep in a crib. Soon enough, MacArthur was not the only cub bathed in the tub! The couple continues to raise lion and tiger cubs as their own, until they are old enough to return them to zoos. Helen becomes the first female zookeeper at the Bronx zoo, the keeper of the nursery. This is a terrific non-fiction book to read aloud while snuggling up with your cubs! Filled with adorable baby cats, this is a story about love, dedication, and a new kind of family. Gorgeously patterned illustrations by Julie Downing detail the in-home nursery and a warm pallet creates a cozy pairing with Candace Fleming's

lovely language. Backmatter includes a short biography of Helen Martini and a selected bibliography. A Junior Library Guild Selection A Bank Street Best Children's Book of the Year Named to the Texas Topaz Reading List

Hues Between Black and White Penguin With the crisp lines that only professional photographers can achieve, *Black And White Coffee Table Book* has taken photographers' eye, and has given a present, and modern intensity. The intensity that drives us day to day is given a focal point in this art book, and brings the joy of experience to our coffee tables. Including international sites such as the Eiffel Tower, to natural beauty such as zebras, and through

meditative deserts, the crisp emotive images add a sincerity to joyful occasions. A perfect addition to a joyful atmosphere the *Black and White Coffee Table Book* allows the photos to speak for themselves: what is going through a tiger's mind as it swims? What can a hat change about one's stance? Juxtaposing vintage skirts with modern influencer fashion, *Black and White Coffee Table Book* has collected different experiences to unify them with a simple choice: be authentic. This authenticity in the perfected angles, and truth of the over 86 photographs in *Black and White Coffee Table Book* are both an exploration, and a tale of experience. With strong social media

presence, and appeal; but, also personal, and real significance to every aspect of the book, *Black And White Coffee Table Book* shows us a window into the transient nature of life in all of its glories. When all of us are swimming in this ocean of life together, to whom do we hold? Like a majestic ram, this book has purpose (to showcase the professionalism of a multitude of artists), this book has direction (to reveal to us the many colors, ironically, of our varied lives), and this book is grounded (to display the appeal to every authentic experience we have). Offering expertly crafted photos, *Black And White Coffee Table* is packaged, and curated for each person, and

for everyone.
The Image of Whiteness Thomas Nelson
In *The Grey Ghost: New York City Photographs*, Dan Winters turns his eye to New York City, collecting nearly 100 black-and-white images he created there in the years after moving to New York from California in 1987 at the age of 25. A highly personal collection, *The Grey Ghost* reveals an artist finding his voice, discovering "that elusive method that informs the manner in which we perceive and interpret our surroundings." In these photographs--featuring icons of New York City such as the Statue of Liberty and the Empire State Building, as well as everyday moments

captured on the street-
-we find Winters
presenting us with the
seemingly ordinary and
commonplace in a way
that captivates us and
makes us look much
more closely. As
Winters writes, New
York "has acted as a
proving ground and a
rite of passage for
countless
photographers,"
beginning with Alfred
Stieglitz and Paul
Strand. The majority of
the images in *The Grey
Ghost* were created
between 1987 and
1990, but the book
also includes images
created as recently as
2016. For those
interested in street

Award-winning
photographer Matt
Black traveled over
100,000 miles to
chronicle the reality of
today's unseen and
forgotten America.

When Magnum
photographer Matt
Black began exploring
his hometown in

California's rural Central Valley—dubbed “the other California,” where one-third of the population lives in poverty—he knew what his next project had to be. Black was inspired to create a vivid portrait of an unknown America, to photograph some of the poorest communities across the US. Traveling across forty-six states and Puerto Rico, Black visited designated “poverty areas,” places with a poverty rate above 20 percent, and found that poverty areas are so numerous that they're never more than a two-hour's drive apart, woven through the fabric of the country but cut off from “the land of opportunity.” *American Geography* is a visual record of this five-year,

100,000-mile road trip, which chronicles the vulnerable conditions faced by America's poor. This compelling compilation of black-and-white photographs is accompanied by Black's own travelogue—a collection of observations, overheard conversations in cafe's and public transportation, diner menus, bus timetables, historical facts, and snippets from daily news reports. A future classic of photography, this monograph is supported by an international touring exhibition and is a must-have for anyone with an interest in witnessing the reality of an America that's been excluded from the American Dream. A renowned physician shares her complete 10-day digestive tune-up for women, with important revelations about good gastrointestinal health. Many so-called cures for women's bloating and indigestion, from juice cleanses to specialty diets, are based on junk science. For women seeking true relief from that overall feeling of discomfort in any size jeans, Dr. Robynne Chutkan has the perfect plan for feeling light, tight, and bright in ten days. Gutbliss offers: A primer on the real reasons for gastrointestinal

distress, and why it's much more common in women. A look at the debilitating side effects of supposedly healthy habits—from Greek yogurt to bloat-inducing aspirin. An expert analysis of symptoms that could indicate a serious underlying condition. An indispensable checklist to pinpoint the exact cause of your bloating. Just a few small changes in diet, lifestyle, and exercise can make a huge difference in a woman's digestive health, but the changes have to be the right ones. Going beyond the basics of top sellers such as Wheat Belly, Dr. Chutkan's Gutbliss empowers women to take control of their gastrointestinal wellness.
