How do you decide what to read? Dan Gibson, Jordan Green and John Pattison have created this tool to make your choices easier. Besides the Bible is a guide to the wide array of great books that they believe every Christian should read—the ones that

matter to the church and the world.

A Dictionary of the Bible: Feign-Kinsman

Thomas Nelson Inc

Have you ever read a book and thought I do not want the main character to end up with the predictable hero? I wish she had gotten with the other man instead. Well here is your chance to change that scenario and choose whom you would like Lily to love. In this book, many comical things tend to happen to and around Lily Lockhart as she deals with her job, her love life and her family. Not to mention her friends. So like a lot of us, she is simply an ordinary woman trying to survive this modern world and not always getting it right before mistakes come back to bite her on the bum. As

the quirky but loveable girl just cannot help herself sometimes. This is all before trying her hand at a spot of charity work, when she decides that life is far too short to spend it selfishly. At the start of the year, she ends her engagement and before long, there is plenty of male interest heading her way. We are talking about 'The Handsome One' (Sean) and 'The Funny One' (Tom). In addition, there is also 'The Rich One' (Peter) but Lily cannot choose between them. Therefore, in the closing chapters, it is down to you 'the reader' to decide who wins Lily's heart since there is a fun multiple-choice style ending to the story. Will you pick the boyfriend, the best friend or the boss?

Only one problem, she's pregnant so 'who's the daddy'? *NASB MacArthur Study Bible* Wellspring
 This book discusses the supernatural in Scripture, including the scope and significance of events and embodiments.
Deep Exegesis Teacher Created Resources
 "Love not the world, neither the things that are in the world. If any man loves the world, the love of the Father is not in him." — 1 John 2:15 Those who struggle with habitual sin are keenly aware of the despair and fatigue that comes from trying harder and harder to control the desire to do what is wrong in the eyes of God. For this person, there be times of limited success in overcoming sin, but eventually he/she falls

back again into unhealthy patterns. In "The Expulsive Power of a New Affection", Thomas Chalmers argues that no matter how hard we may try, we'll never overcome habitual sin in our lives unless we switch our affections from the world to Jesus Christ. Thankfully Christ loved us first and is more than willing to set us free if we'd only realize the true Gospel power that we can all have in our lives today.

A TIME Magazine Best Book of 2016 An Amazon Best Book of 2016 A heart-stopping debut about protest and riot . . . 1999.

Victor, homeless after a family tragedy, finds himself pounding the streets of Seattle with little meaning or purpose. He is the estranged son of the police chief of the city, and today his father is in charge of one of the largest protests in the history of Western democracy. But in a matter of hours reality will become a nightmare. Hordes of protesters - from all sections of society - will test the patience of the city's police force, and lives will be altered forever: two armed police officers will struggle to keep

calm amid the threat of violence; a protester with a murderous past will make an unforgivable mistake; and a delegate from Sri Lanka will do whatever it takes to make it through the crowd to a meeting - a meeting that could dramatically change the fate of his country. In amongst the fray, Victor and his father are heading for a collision too. Your Heart is a Muscle the Size of a Fist, set during the World Trade Organization protests, is a deeply charged novel showcasing a distinct and exciting new literary voice.

Paul's Shipwreck Activity Book

Piccadilly Press Bible stories from the Old and New Testaments are presented in creative ways to help children

understand God's work and His presence in their everyday lives. Each story is accompanied by discussion questions, a memory verse, and a fun craft activity.

Features include: 125-page concordance, including people and places More than 20,000 study notes, charts, maps, outlines, and articles from Dr. John MacArthur
Concise Topical Index
Your Heart is a Muscle the Size of a Fist New Paradigm Pub.

Based on the award-winning Jesus Storybook Bible Curriculum by Sally Lloyd-Jones and Sam Shammas, this kit contains 44 lessons revealing how Jesus is the center of each Bible story. With activities, notes for teachers, memory verses, handouts and more, each lesson invites children to join in the greatest of all adventures.

Who's Who Object Talks That Teach About the New Testament
Standard Publishing
Jovinianus, about whom little more is known than what is to be found in Jerome's treatise, published a Latin treatise outlining several opinions: That a virgin is no better, as such, than a wife in the sight of God. Abstinence from food is

no better than a thankful partaking of food. A person baptized with the Spirit as well as with water cannot sin. All sins are equal. There is but one grade of punishment and one of reward in the future state. In addition to this, he held the birth of Jesus Christ to have been by a "true parturition," and was thus refuting the orthodoxy of the time, according to which, the infant Jesus passed through the walls of the womb as his Resurrection body afterwards did, out of the tomb or through closed doors.

Against Jovinianus
Harper Collins
From poverty, drugs to prostitution to a life of joy and freedom, this story charts one woman's entanglement with the occult and her

eventual dramatic release. Doreen's experience may be extreme, yet it still offers hope, especially to those who believe they are too far gone to be forgiven.

Bible Stories and Crafts University of Pennsylvania Press
 "Hands down my favorite book for teen girls." Rosaria Butterfield, author, *The Gospel Comes with a House Key* Your teen years matter. Of all the ways you're learning and changing during the busy teenage years, your growth in Christ is the most important. God intends to use your teen years as a launching pad into a lifelong pursuit of looking more like Jesus. This book will help you prioritize your Christian growth—pointing you to the resources God

has given you in his Word, in prayer, and in the church; offering help for managing your emotions, watching your words, and bearing spiritual fruit; and challenging you with ways to center your life around this important task. Even as a teenager, you have all it takes to grow in godliness.

The Pictorial Bible Kingsway Communications
 Useful for either individual or group studies, 1 Peter, 2 Peter, and Jude includes suggestions for Bible study leaders, an overview of the history of redemption and revelation, and an overview of what it means to study Christ in all of Scripture.

The Wild Robot: Soon to Be a Major DreamWorks

Animation! Hachette UK
 The Moonbeam Award Gold Medal Winner in the religion category, The Jesus Storybook Bible tells the Story beneath all the stories in the Bible. At the center of the Story is a baby, the child upon whom everything will depend. Every story whispers his name. From Noah to Moses to the great King David--- every story points to him. He is like the missing piece in a puzzle---the piece that makes all the other pieces fit together. From the Old Testament through the New Testament, as the Story unfolds, children will pick up the clues and piece together the puzzle. A Bible like no other, The Jesus Storybook Bible invites children to join in the

greatest of all adventures, to discover for themselves that Jesus is at the center of God's great story of salvation---and at the center of their Story too.

Father Abraham Harper Collins

How important black abolitionists joined famous

Transcendentalists to create a political

philosophy to fight slavery In Fighting for

the Higher Law, Peter Wirzbicki explores how

important black abolitionists joined

famous

Transcendentalists to create a political

philosophy that fired the radical struggle

against American slavery. In the cauldron

of the antislavery movement, antislavery

activists, such as William C. Nell, Thomas

Sidney, and Charlotte Forten, and Transcendentalist intellectuals, including Ralph Waldo Emerson and Henry David Thoreau, developed a "Higher Law" ethos, a unique set of romantic political sensibilities—marked by moral enthusiasms, democratic idealism, and a vision of the self that could judge political questions from "higher" standards of morality and reason. The Transcendentalism that emerges here is not simply the dreamy philosophy of privileged white New Englanders, but a more populist movement, one that encouraged an uncompromising form of politics among a wide range of

Northerners, black as well as white, working-class as well as wealthy. Invented to fight slavery, it would influence later labor, feminist, civil rights, and environmentalist activism. African American thinkers and activists have long engaged with American Transcendentalist ideas about "double consciousness," nonconformity, and civil disobedience. When thinkers like Martin Luther King, Jr., or W. E. B. Du Bois invoked Transcendentalist ideas, they were putting to use an intellectual movement that black radicals had participated in since the 1830s.
