face à  
l'histoire**  
Penguin

In two days time, the state of Connecticut is to take the life of teenager, Ronald Thompson - found guilty of the murder of Nina Peterson

two years before. His death will not stop the pain and anger of Nina's husband, Steve, nor will it still the fears of Nina's six-year-old

son, Neil, who witnessed his mother's brutal slaying. Only time, perhaps, can heal their wounds. But Ronald Thompson knows he did not kill Nina. And in the shadows a stranger waits and watches, a stranger who knows why Nina died, and who has unfinished business with the Peterson family...

**2019** Penguin  
 From international bestselling author Harald Gilbers comes the heart-

pounding story of Jewish detective Richard Oppenheimer as he hunts for a serial killer through war-torn Nazi Berlin in Germania. Berlin 1944: a serial killer stalks the bombed-out capital of the Reich, preying on women and laying their mutilated bodies in front of war memorials. All of the victims are linked to the Nazi party. But according to one eyewitness account, the perpetrator is not an

opponent of Hitler's regime, but rather a loyal Nazi. Jewish detective Richard Oppenheimer, once a successful investigator for the Berlin police, is reactivated by the Gestapo and forced onto the case. Oppenheimer is not just concerned with catching the killer and helping others survive, but also his own survival. Worst of all, solving this case is what will certainly put him in the most

jeopardy. With no other choice but to futher his investigation, he feverishly searches for answers, and a way out of this dangerous game.

*L'amour par la contestation et non l'amour de la contestation*

Editions

Gallimard

When his cover is blown, former Berlin bull and unwilling SS officer Bernie Gunther must re-enter a cat-and-mouse game that continues to shadow his life a decade after

Germany's defeat in World War 2... The French Riviera, 1956: Bernie's old and dangerous adversary Erich Mielke, deputy head of the East German Stasi, has turned up in Nice—and he's not on holiday. Mielke is calling in a debt and wants Bernie to travel to London to poison a female agent they've both had dealings with. But Bernie isn't keen on assassinating anyone. In an

attempt to dodge his Stasi handler—former Kripo comrade Friedrich Korsch—Bernie bolts for the German border. Traveling by night and hiding by day, he has plenty of time to recall the last case he and Korsch worked together... Obersalzberg, Germany, 1939: A low-level bureaucrat has been found dead at Hitler's mountaintop retreat in Bavaria. Bernie and

Korsch have one week to find the killer before the leader of the Third Reich arrives to celebrate his fiftieth birthday. Bernie knows it would mean disaster if Hitler discovers a shocking murder has been committed on the terrace of his own home. But Obersalzberg is also home to an elite Nazi community, meaning an even bigger disaster for Bernie if his investigation

takes aim at one of the party's higher-ups... 1939 and 1956: two different eras about to converge in an explosion Bernie Gunther will never forget. **Le premier accroc coûte cents francs** Penguin 'People will die,' says the panic-stricken woman outside police headquarters. She refuses to speak to anyone besides Commissaire Adamsberg. Her daughter has seen a vision: ghostly horsemen who

target the most nefarious characters in Normandy. Since the middle ages there have been stories of murderers, rapists, those with serious crimes on their conscience, meeting a grisly end following a visitation by the riders. Soon after the young woman's vision a notoriously vicious and cruel man disappears. Although the case is far outside his jurisdiction,

Adamsberg agrees to investigate the strange happenings in a village terrorised by wild rumours and ancient feuds.

**Book** Penguin  
Six months after the sudden death of her husband, Leonora Galloway sets out on a trip to France with her daughter Penelope. At last the time has come when secrets can be shared and explanations begin...  
Leonora takes her daughter

to the battlefields of the First World War, where her father is commemorated on the Thiepval Monument. But the date of his death is surprising, and reveals that Captain John Hallows cannot possibly have been Leonora's real father. This is only the start of a series of revelations that span three generations of a distinguished aristocratic family who are not what they seem.

Penelope must piece together a tale of war, of loss, of greed, deception and vice - and the perpetrator of a murder left unsolved for more than half a century...  
*Believed Violent*  
Orion  
The Russians will pay \$4,000,000 for the top secret formula to a revolutionary new metal ... and the CIA will do anything to stop them.  
American inventor Dr Paul Forrester is the man that both sides want. He alone can

decipher the vital code but, for two years, Forrester has been in a mental asylum - ever since that bloody day when he walked in on his beautiful wife and her lover. So it's Nona Jacey, Forrester's former lab assistant, who becomes a helpless pawn in the power struggle to possess the scientist. Because she is the only person that holds the key to unlocking Forrester's mind ...  
*Historia*  
Penguin Group

USA  
Hard-boiled detective Bernie Gunther takes on a depraved serial killer terrorizing 1930's Berlin in the second gripping mystery in Philip Kerr's New York Times bestselling series. In the sweltering summer heat wave of 1938, the German people anxiously await the outcome of the Munich conference, wondering whether Hitler will plunge Europe into another war.

Meanwhile, private investigator Bernie Gunther has taken on two cases involving blackmail. The first victim is a rich widow. The second is Bernie himself. Having been caught framing an innocent Jew for a series of vicious murders, the Kripo—the Berlin criminal police—are intent on locating the real killer and aren't above blackmailing their former colleague to get the job

done.  
 Temporarily promoted to the rank of Kommissar, Bernie sets out to solve the dual mysteries and begins an investigation that will expose him to the darkest depths of humanity...  
The Lady from Zagreb Crown  
 An English translation of Jean-Francois Revel's 1999 essay in which he examines the response of French intellectuals to the collapse of Soviet communism in the decade after its end.

 Macmillan + ORM  
 Le 20 novembre 1945, un procès au retentissement mondial s'ouvre à Nuremberg, haut lieu du nazisme.  
 Devant une cour

internationale constituée par les quatre puissances alliées, 21 accusés - les principaux dirigeants du Ille Reich - s'apprêtent à répondre d'actes qui ont conduit à l'un des plus grands drames de l'Histoire. Cet ouvrage suit pas à pas le chemin menant les chefs nazis à Nuremberg, ainsi que les audiences et les coulisses du procès. Il présente des extraits commentés des vingt volumes de

débats, des articles de presse et des journaux tenus par les protagonistes, dont Gustave Gilbert, psychologue américain qui, jour après jour, « confessa » les accusés. A partir des travaux d'historiens les plus récents, notamment sur les menées mystérieuses et le sort de Rudolf Hess et de Himmler (suicidé par les services britanniques ?), il fait le point des acquis et des

zones d'ombre qui demeurent. Il montre les luttes de pouvoir entre Alliés qui se font déjà jour, notamment quant au verdict, et démontre que ce procès est un petit miracle pour l'humanité : un coin enfoncé dans la Guerre froide déjà patente.

**The Second Angel** Head of Zeus  
An NPR Book of the Year A Crime Reads Best Crime Book of 2018  
A vicious murder puts Bernie

Gunther on the trail of World War 2 criminals in Greece in this riveting historical thriller in Philip Kerr's New York Times bestselling series. Munich, 1956. Bernie Gunther has a new name, a chip on his shoulder, and a dead-end career when an old friend arrives to repay a debt and encourages "Christoph Ganz" to take a job as a claims adjuster in a major German

insurance company with a client in Athens, Greece. Under the cover of his new identity, Bernie begins to investigate a claim by Siegfried Witzel, a brutish former Wehrmacht soldier who served in Greece during the war. Witzel's claimed losses are large, and, even worse, they may be the stolen spoils of Greek Jews deported to Auschwitz. But when Bernie tries to confront

Witzel, he finds that someone else has gotten to him first, leaving a corpse in his place. Enter Lieutenant Leventis, who recognizes in this case the highly grotesque style of a killer he investigated during the height of the war. Back then, a young Leventis suspected an S.S. officer whose connection to the German government made him untouchable. He's kept that man's name in

his memory all these years, waiting for his second chance at justice... Working together, Leventis and Bernie hope to put their cases--new and old--to bed. But there's a much more sinister truth to acknowledge: A killer has returned to Athens...one who may have never left.

*Le Spectacle du monde*  
Archipel  
When Bernie Gunther takes on a blackmail case and gets involved in the affairs of British spies, the former detective risks exposing his own dark past in this thrilling novel hailed by The New York Times Book Review as "one of Kerr's best."

Saint-Jean-Cap-Ferrat, 1956. Having gone into hiding in the French Riviera, Bernie Gunther is working as a concierge at the Grand-Hôtel under a false name. His days and nights consist of maneuvering drunks to their rooms, shooing away prostitutes in search of trade, and answering the mindless questions posed by the absurdly rich guests—needless to say, he's miserable. Now, the man who was once a homicide detective and unwilling SS officer in Hitler's Third Reich is simply the person you turn to for touring tips or if you need a bridge partner. As it just so happens, a rich and famous writer

needs someone to fill the fourth seat in a regular game at the Villa Mauresque. But Somerset Maugham wants Bernie to help him get out of a game far more dangerous than bridge. Maugham is being blackmailed—perhaps because of his unorthodox lifestyle, or perhaps because, once upon a time, Maugham worked for the British Secret Service... *La grande histoire de la*

*Seconde Guerre mondiale: De Munich à Dunkerque, septembre 1938* Penguin  
Now in one volume—the first three novels in Philip Kerr’s New York Times bestselling historical mystery series starring hard-boiled detective Bernie Gunther... “A Chandleresque knight errant caught in insane historical surroundings. Bernie walks down streets so mean that nobody can

stay alive and remain truly clean.”—John Powers, *Fresh Air* (NPR) Ex-policeman Bernie Gunther thought he’d seen everything on the streets of 1930s Berlin. But then he went freelance, and each case he tackled sucked him further into the grisly excesses of Nazi subculture. And even after the war, amidst the decayed, imperial splendour of Vienna, Bernie uncovered a

legacy that made the wartime atrocities look lily-white in comparison... This collection includes:

because of  
Evan Riggs, a  
one-time  
country

singer, one-time killer, now serving a life sentence, no parole. On the day he gets out, Henry promises Evan he will find his daughter, the daughter he never met, and deliver a letter. A free man, Henry heads to the small Texan town where Evan grew up and where his brother Carson is Sheriff. There's no sign of the girl, and her uncle claims to know nothing of her whereabouts. But Henry

isn't about to give up. Carson's behaviour towards him grows threatening, and Henry realises that there are dark secrets buried at the heart of this quiet town. What terrible thing drove the brothers apart, and what happened to Evan's daughter? Berlin Noir Le Masque Mars 1943. Le Reich vient de perdre Stalingrad et le moral est au plus bas. Pour Joseph Goebbels, il

faut absolument redonner du panache à l'armée allemande et porter un coup aux Alliés. Or sur le territoire soviétique, près de la frontière biélorusse, à Smolensk, ville occupée par les Allemands depuis 1941, la rumeur enfle. Des milliers de soldats polonais auraient été assassinés et enterrés dans des fosses communes. Dans la forêt de Katyn, aux abords de la

ville, des loups auraient d'ailleurs déterrés des fragments de corps. Qui est responsable de ce massacre ? L'Armée rouge sans doute. Pour Goebbels, c'est l'occasion rêvée pour discréditer les Russes et affaiblir les Alliés. Il a l'idée d'envoyer sur place une autorité neutre, le Bureau des crimes de guerre, réputé anti-nazi, pour enquêter objectivement sur cette triste

affaire. Le capitaine Bernie Gunther, qui y officie est la personne idéale pour accomplir cette délicate mission. Gunther se retrouve dans la forêt de Katyn avec une équipe pour exhumer les quatre mille corps des officiers polonais et découvrir la vérité, quelle qu'elle soit. Traduit de l'anglais (Royaume-Uni) par Philippe Bonnet

**1956-1976**  
 DK Publishing

(Dorling Kindersley) The book examines the war of images between France and Algeria. Discussing the role of the United States during the war, it covers topics such as the presence of American reporters in Algeria, John F. Kennedy's support for Algerian independence while a senator, the broadcasting of documentaries on the Algerian war on public television, and reporting in

the press. Even half a century after Algerian independence, there remains a need for both film and literature on the war from both sides of the Mediterranean . This might seem surprising, particularly to media professionals, given the quantity of output on the subject, but both French and Algerian portrayals of the war remain flawed and shackled to their respective ideologies.

The generation of FLN leaders recognized early on the importance of images, and established a clandestine film structure that would bring the Algerian cause to the world stage. The book offers an insightful and timely contribution not just to the field of North African studies but also to other disciplines, such as film and media studies, anthropology, history, journalism, and political

science. Providing a rich source of research topics and viable ideas for film and documentary projects, it is a must-read for students, scholars and media professionals alike.

 EXTRAIT  
 Depuis 1974, Universalia se donne pour ambition, année après année, d'éclairer, avec le recul qui convient, notre histoire immédiate. Ce recul, que ne permettent pas le rythme, sans cesse plus rapide, des médias ni la forme, toujours plus fragmentée, des informations que nous recevons jour après jour, est nécessaire pour qui veut comprendre les faits d'aujourd'hui et appréhender les enjeux de demain. Et les questions ne manquent pas, toujours plus complexes, qui nous engagent en tant que citoyens ou individus mais aussi, plus collectivement, en tant qu'êtres humains. Universalia 2019 s'ouvre avec Encyclopædia Universalis a 50 ans. Cette rubrique réunit trois contributions d'auteurs - désormais des classiques - qui ont marqué notre projet encyclopédique. À PROPOS DE L'ENCYCLOPEDIA UNIVERSALIS Reconnue mondialement pour la qualité et la fiabilité incomparable de ses publications, Encyclopaedia Universalis met la connaissance à la portée de tous. Écrite par plus de 7 400 auteurs spécialistes et riche de près de 30 000 médias (vidéos, photos,

cartes, dessins...), l'Encyclopaedia Universalis est la plus fiable collection de référence disponible en français. Elle aborde tous les domaines du savoir. Mockingbird Songs Cambridge University Press La 4e de couverture indique : "En deux volumes, une somme historique impressionnante, scrupuleusement documentée : l'histoire intégrale de la

Seconde Guerre mondiale sur tous les théâtres du monde, Europe, Afrique et Asie. Convaincu que l'histoire de ce conflit éclaire aujourd'hui notre présent et notre avenir, Pierre Montagnon fait revivre, année après année, les engagements politiques et militaires qui aboutirent en 1945 à l'écrasement définitif des forces de l'Axe et du Japon. Une fresque monumentale,

une vision exhaustive et chronologique . Index des noms et des lieux, des faits, sites et matériels, cartes, chronologie, petit dictionnaire des principaux acteurs de la Seconde Guerre mondiale." **Germania** Penguin Examines the change in memory regime in postwar France, from one centered on the concentration camps to one centered on the Holocaust.
