Experience the rush as an emergency medic details some of the most formative calls of his career in the Big Easy in this action-packed memoir. Known as one of America's most dangerous cities, New Orleans plays host to incidents ranging from the tragic and disturbing to the completely bizarre—and during his career as an emergency medic, Jon McCarthy saw it all. He chronicles some of the most formative calls of his career in this autobiography that reads like crime fiction. McCarthy demonstrates with detail and clarity that the difficult choice is often the right choice. While not for the faint of heart, each entry in this collection provides poignant insight into the bonds between medics and the people and city they serve. Praise for *Hard Roll* “One of the things Jon McCarthy does so well in this book is capture that combination of adrenaline, dark humor, and old-fashioned heroism that makes up the daily life of a first responder.” —Susan Larson, NPR's *The Reading Life* “Masterfully describes the exhilaration of touching a patient at their most vulnerable moment and the emotional toll it takes when the outcome is not favorable and the sheer joy when medical experience meets the opportunity to make a difference . . . A must-read as one tries to grasp the social inequities, fragility of the war on crime, and paucity of basic healthcare that plagues our urban communities.” —Juliette M. Saussy, FACEP, former director and medical director of the New Orleans EMS, former

paramedic, City of New Orleans

“This second edition of *I Love a Fire Fighter* is, like the first, intended to raise awareness of the psychological consequences of being a fire service family. It is my objective to describe the subtle and obvious ways the demands of this unique occupation spill over to home and to suggest strategies that you—as a parent, a child, a sibling, a spouse, a friend, or a significant other—can use to manage the spillover and/or learn to live with it”--
