Los desafíos de la memoria Grupo Planeta Spain

9.000 años atrás, un desconocido poblador de Noruega septentrional grababa sobre unas rocas costeras la que se conoce como la más antigua imagen de un cetáceo, representando una orca. Seguramente, desde mucho antes las orcas atrajeron la atención e imaginación de los hombres relacionados al mar, generando distintas opiniones y leyendas. Hacia fines de 1974 siete orcas atrajeron la atención de Juan Carlos López, en ese entonces uno de los guardafaunas de Punta Norte, Península Valdés. Ese día marcó para siempre un camino que no tiene fin en la vida de Juan Carlos, dio el paso pionero en la investigación de orcas en estado silvestre en Argentina, luchando hasta cambiar el mal concepto que se tenía en nuestro país sobre la llamada "ballena asesina". Logrando que el 16 de enero de cada año, las orcas tengan su día en Argentina. Juan Carlos durante más de una década observó la conducta de las orcas identificando los ejemplares que compusieron el 1° catálogo de orcas de Patagonia, con los primeros nombres propios, como nuevos integrantes de su propio grupo familiar. En esta reedición de su libro, nos trasmite sus vivencias y emociones cuando observa la actividad de las orcas desde la costa, cuando era seguido por éstas en sus patrullajes por la playa y cuando en el fondo del mar buceaba con ellas, mientras intentaban capturar lobos marinos para alimentarse, siendo aceptado como un integrante más del grupo. Nos traslada en un viaje emocionante entre historias de buceadores, relatos de quienes tuvieron experiencias con orcas y otros cetáceos, leyendas de aborígenes y acciones increíbles cuando depredador y presa se encuentran frente a frente y cuando las orcas se encuentran con hombres que las capturan y someten a la muerte y el cautiverio. En definitiva, nos muestra su familia orca.

I, Rigoberta Menchu WaterBrook

"¿Cómo aprender a vivir mientras esperas el día en que has decidido morir? Ellery lo tiene todo listo. Ha comprado una pistola. Ha preparado su propio entierro. Ha elegido el día y la hora. Lo único que la falta es morir. Pero al apretar el gatillo, algo falla. Ellery no está muerta, por mucho que lo desee. En un segundo todos sus planes se desvanecen, y lo único que le queda es un arma defectuosa y veintiocho días por delante: los que quedan hasta el 31 de octubre, la fecha en que volverá a intentar suicidarse. La intención de Ellery es pasar sus últimos días lo más inadvertida posible y que su muerte no moleste a nadie. Pero Colter Sawyer, quien lleva tiempo observándola, ve en ella algo que le resulta familiar, y no tardará en unir las piezas y dar con su secreto. Veintiocho oportunidades para seguir con vida, para retomar viejas amistades, para enamorarse. Veintiocho oportunidades para aprender a olvidar." -- Page [4] of cover.

Antología de las Comedias de Shakespeare. Primer volumen de una colección de cinco que reúne su «Obra completa». «El lunático, el enamorado y el poeta son todos ensamblados de imaginación.» Sueño de una noche de verano, V, i Cuando se estudia un genio de la magnitud de William Shakespeare, es imposible medir el alcance de su obra. En un primer momento quizá se evoquen grandes tragedias o tapices históricos, pero Shakespeare se caracteriza también por un instinto radicalmente cómico. En sus agudos juegos de palabras, en los equívocos que sustentan tramas monumentales o en la forma en que recurre al artificio para desentrañar una verdad, siempre se esconde su eterno interés por lo humano. Comedias es el primer volumen de una colección de cinco que reúne la obra completa de Shakespeare. Aquí se incluyen Los dos caballeros de Verona, La comedia de los errores, La doma de la fiera, Trabajos de amor en vano, Sueño de una noche de verano, El mercader de Venecia, Mucho ruido y pocas nueces, Como les guste, Las alegres casadas de Windsor y Noche de Epifanía. Esta edición, a cargo de Andreu Jaume, quien firma también la introducción, presenta las mejores traducciones contemporáneas, respetando el verso y la prosa originales. Un festín para los amantes de las buenas letras.

ECPA BESTSELLER—Over one million copies sold! • What Would Your Life be Like if Anything Were Possible? Born without arms or legs, Nick Vujicic overcame his disabilities to live an independent, rich, fulfilling, and “ridiculously good” life while serving as a role model for anyone seeking true happiness. Now an internationally successful motivational speaker, Nick eagerly spreads his message: the most important goal is to find your life’s purpose and to never give up, despite whatever difficulties or seemingly impossible odds stand in your way. Nick tells the story of his physical disabilities and the emotional battle he endured while learning to deal with them as a child, teen, and young adult. “For the longest, loneliest time, I wondered if there was anyone on earth like me, and whether there was any purpose to my life other than pain and humiliation.” Nick shares how his faith in God has been his major source of strength, and he explains that once he found a sense of purpose—inspiring others to better their lives and the world around them—he found the confidence to build a rewarding and productive life without limits. Let Nick inspire you to start living your own life without limits. Nick offers practical advice for realizing a life of fulfillment and happiness by building trust in others, developing supportive relationships, and gaining strength for the journey. He encourages the reader by showing how he learned to accept what he could not control and focus instead on what he could. Includes a Life Without Limits Personal Action Plan to help anyone determine their unique path to a successful life.

Billboard Editorial Whatvaz

"The Armies by Evelio Rosero, a story of love, violence, and war, is a modern classic." "Ismail, the profesor, is a retired teacher in the small, fictional Colombian town of San Jose. He passes the days pretending to pick oranges while spying on his neighbor Geraldina as she lies naked in the shade of a ceiba tree. The garden burns with sunlight; the macaws laugh sweetly. Otilia, Ismail's wife, is ashamed of him and suggests that he pay a visit to Father Alborno, who was once his student. Instead the profesor wanders the town visiting old friends, plagued by a tangle of secret memories: Where have I existed these years? I answer myself: up on the wall, peering over." "When guerrillas and paramilitaries suddenly invade the town, Ismail's reveries gradually give way to a living hell. His wife disappears and he must find her. We learn that not only gentle, grassy hillsides surround San Jose, but also land mines and coca. The profesor's voyeuristic ramblings are engulfed by the hallucinatory violence of Rosero's narrative, which is suffused not only with a deep sadness but also with an extraordinary tenderness." --Book Jacket.

Billboard Charisma Media

Cuando la gente de Dios hace cosas que no son de Dios no solo expone las seducciones de Satanás, poniendo en sobreaviso a creyentes fuertes para que se mantengan firmes, sino que también muestra al seducido a como encontrar verdadera restauración con su Padre celestial.

NEW YORK TIMES BESTSELLER • The pioneering experts behind The Whole-Brain Child and The Yes Brain tackle the ultimate parenting challenge: discipline. “A lot of fascinating insights . . . an eye-opener worth reading.”—Parents Highlighting the fascinating link between a child’s neurological development and the way a parent reacts to misbehavior, No-Drama Discipline provides an effective, compassionate road map for dealing with tantrums, tensions, and tears—without causing a scene. Defining the true meaning of the “d” word (to instruct, not to shout or reprimand), the authors explain how to reach your child, redirect emotions, and turn a meltdown into an opportunity for growth. By doing so, the cycle of negative behavior (and punishment) is essentially brought to a halt, as problem solving becomes a win/win situation. Inside this sanity-saving guide you’ll discover • strategies that help parents identify their own discipline philosophy—and master the best methods to communicate the lessons they are trying to impart • facts on child brain development—and what kind of discipline is most appropriate and constructive at all ages and stages • the way to calmly and lovingly connect with a child—no matter how extreme the behavior—while still setting clear and consistent limits • tips for navigating your child through a tantrum to achieve insight, empathy, and repair • twenty discipline mistakes even the best parents make—and how to stay focused on the principles of whole-brain parenting and discipline techniques Complete with candid stories and playful illustrations that bring the

authors’ suggestions to life, No-Drama Discipline shows you how to work with your child’s developing mind, peacefully resolve conflicts, and inspire happiness and strengthen resilience in everyone in the family. Praise for No-Drama Discipline “With lucid, engaging prose accompanied by cartoon illustrations, Siegel and Bryson help parents teach and communicate more effectively.”—Publishers Weekly “Wow! This book grabbed me from the very first page and did not let go.”—Lawrence J. Cohen, Ph.D., author of The Opposite of Worry

Life Without Limits Bantam

Ellery’s grief over the loss of her younger sister is pushing her down a dark path in this heartwrenching story of loss and the journey to hope that’s perfect for fans of *Girl in Pieces* and *All the Bright Places*. Ellery doesn’t want to live anymore. She’s unable to bear the pain of losing her younger sister to a car accident she blames herself for, or face the rest of her broken family. So, she’s made a plan—bought the gun, arranged for her funeral, and picked the day. Everything has fallen into place. Then, on the day she intends to take her own life, she meets Colter, a boy who recognizes her desperation and becomes determined to stop her. Ellery won’t be swayed so easily, but as she struggles with her hopelessness it becomes clear Colter has good reasons for his vigilance—deep, personal reasons. And whether Ellery likes it or not, he can’t let go.

Es posible que hayas dado con este libro buscando remedios para hacer una buena digestión. Quizá llevas décadas lidiando con dolores de estómago, gases, estreñimiento... o problemas peores. A mí me sucedía igual. También es posible que no quieras más visitas al médico y hacerte infinidad de análisis y pruebas solo para que el especialista te diga: "No tienes nada grave"; "Todo son nervios", o "Ha sido algo pasajero: estrés o una infección o...". ¿Te has dicho que eres un misterio sin resolver y que no entiendes qué pasa dentro de ti? ¿Te has sentido impotente cuando los médicos insisten en que no tienes nada malo, pero tú sigues encontrándote mal? Tu cuerpo no te engaña. Algo pasa. No son imaginaciones tuyas. Mi mensaje para ti es... ¡No te rindas! No te consideres un caso perdido. No te conformes con lo que te digan uno, dos o media docena de médicos. Investiga, lee, busca y, sobre todo, toma las riendas de tu vida y de tu salud. En este libro comparto, además de mis experiencias, los conocimientos que he ido adquiriendo en un largo camino en busca de bienestar. La salud digestiva es un universo apasionante. Te invito a iniciar este viaje conmigo. Atrévete a creer. Hacer buenas digestiones es posible... también para ti.

No-Drama Discipline Destiny Image Publishers

Researcher and thought leader Dr. Brené Brown offers a powerful new vision in *Daring Greatly* that encourages us to embrace vulnerability and imperfection, to live wholeheartedly and courageously. 'It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly' -Theodore Roosevelt Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. Challenging everything we think we know about vulnerability, Dr. Brené Brown dispels the widely accepted myth that it's a weakness. She argues that vulnerability is in fact a strength, and when we shut ourselves off from revealing our true selves we grow distanced from the things that bring purpose and meaning to our lives. *Daring Greatly* is the culmination of 12 years of groundbreaking social research, across the home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is *daring greatly*. 'Brilliantly insightful. I can't stop thinking about this book' -Gretchen Rubin Brené Brown, Ph.D., LMSW is a #1 New York Times bestselling author and a research professor at the University of Houston Graduate College of Social Work. Her groundbreaking work was featured on Oprah Winfrey's Super Soul Sunday, NPR, and CNN. Her TED talk is one of the most watched TED talks of all time. Brené is also the author of *The Gifts of Imperfection* and *I Thought It Was Just Me (but it isn't)*.
