PATEL YULIANA

Bibliotheca Heberiana BoD – Books on Demand
Festivities such as those exalting the court of Louis XIV, the celebration of James II's London coronation, and the commemoration of the peace celebrations of 1749 at The Hague culminated in dazzling pyrotechnical displays. These were in turn reproduced as prints, paintings, and narrative descriptions. This unique book examines the propagandistic and rhetorical

functions these printed records came to serve as vehicles of aesthetic, cultural, and emotional significance.
