## PAUL RAY

---

Confessions of an Economic Hit Man Open Road Media

On a September night in 1971, a few days after getting busted for dropping acid, a sixteen-year-old curls up in the corner of her ratty bedroom and begins to write. Now the truth can finally be revealed about the mysterious day long ago when the authorities found a child, calmly walking in the boiling desert, covered with blood. The girl is Roberta Rohbeson, and her rant against a world bounded by "the cruddy top bedroom of a cruddy rental house on a very cruddy mud road" soon becomes a detailed account of another story, one that she has kept silent since she was eleven. Darkly funny and resonant with humanity, *Cruddy*, masterfully

intertwines Roberta's stories -- part *Easy Rider* and part bipolar Wizard of Oz. These stories, the backbone of Roberta's short life, include a one-way trip across America fueled by revenge and greed and a vivid cast of characters, starring Roberta's dangerous father, the owners of the Knocking Hammer Bar-cum-slaughterhouse, and runaway adolescents. With a teenager's eye for freakish detail and a nervous ability to make the most horrible scenes seem hilarious, *Cruddy* is a stunning achievement.

It can be easily argued that the radical nature and challenge of Heidegger's thinking is grounded in his early embrace of the phenomenological method as providing an access to concrete lived experience (or "factual life," as he called it) beyond the imposition of theoretical constructs such as "subject" and "object," "mind" and "body." Yet shortly after the publication of

his groundbreaking work *Being and Time*, Heidegger appeared to abandon phenomenology as the method of philosophy. Why? Heidegger was conspicuously quiet on this issue. Here, William McNeill examines the question of the fate of phenomenology in Heidegger's thinking and its transformation into a "thinking of Being" that regards its task as that of "letting be." The relation between phenomenology and "letting be," McNeill argues, is by no means a straightforward one. It poses the question of whether, and to what extent, Heidegger's thought of his middle and late periods still needs phenomenology in order to accomplish its task—and if so, what kind of phenomenology. What becomes of phenomenology in the course of Heidegger's thinking?

\*\*\*NOW A USA TODAY BESTSELLER\*\*\* Imagine lying in a hospital bed and the doctor who pulls the curtain back to treat you is the one who got away. Even if you never really had her in the first place. She's not only your high school crush, she's the ex-girlfriend of your ex-best friend. The one girl you've always wanted. Here's a step-by-step list to finally win her over... Key to win #1: Try not to take offense that she snuck back into town without telling you—six months ago. Key to win #2: Rekindle the friendship to ease the awkwardness. But... DO NOT enter the friend zone. Key to win #3: Ignore the fact that she went speed dating the night before. Take it as good a sign—maybe she's looking for a relationship. Key to win #4: Attempt to keep the two of you out of the town gossip blog and away from your large family. Make sure you don't let this last one throw you off your mission. Key to win #5: Don't get deterred when you find out the

past is about to repeat itself. Because the man she met at the speed dating night is your best buddy from work. Just remember, you sat back and let her slip away once, you won't do it a second time. Failure is not an option. Author Note: This book does NOT contain cheating.

**Open the Barn Door, Find a Cow** Canongate Books

Embroidery Pocket Guide (Leisure Arts #56019) is the handiest reference guide for embroiders ever -- a laminated pocket-size encyclopedia of the most popular stitches and much more. Approximately 8.5 inches tall by 4.625 inches wide, the guide folds out accordion-style with information on supplies and stitching tips, plus illustrated stitch guides. Featured stitches are backstitches, blanket stitches, chain stitches, couching stitches, cross stitches, featherstitches, filling stitches, running stitches, satin stitches, and weaving stitches. A ruler is printed along the edge for convenience.

*Bushcraft: A Family Guide* VIZ Media LLC

On March 31, 1929, seventy-seven men began an epic 3,554-mile footrace across America that pushed their bodies to the breaking point. Nicknamed the "Bunion Derby" by the press, this was the second and last of two trans-America footraces held in the late 1920s. The men averaged forty-six gut-busting miles a day during seventy-eight days of nonstop racing that took them from New York City to Los Angeles. Among this group, two brilliant runners, Johnny Salo of Passaic, New Jersey, and Pete Gavuzzi of England, emerged to battle for the \$25,000 first prize along the mostly unpaved roads of 1929 America, with each man pushing the other to go faster as the lead switched back and forth between them. To pay the prize money, race director Charley

Pyle cobbled together a traveling vaudeville company, complete with dancing debutantes, an all-girl band wearing pilot outfits, and blackface comedians, all housed under the massive show tent that Pyle hoped would pack in audiences. Kastner's engrossing account, often told from the perspective of the participants, evokes the remarkable physical challenge the runners experienced and clearly bolsters the argument that the last Bunion Derby was the greatest long-distance footrace of all time.

#### **Blind Descent** Abrams

Director Anthony Minghella (*The English Patient*, *The Talented Mr Ripley*) has produced a powerful adaptation for film of the bestselling debut novel by Charles Frazier. Set in the waning days of the American Civil War, *Cold Mountain* is the story of Inman, a wounded Confederate soldier (played by Jude Law) who struggles on a perilous journey to get back home to Cold Mountain, North Carolina - and to Ada (Nicole Kidman), the woman he left behind in going off to fight. In the course of his journey, Inman encounters a succession of extraordinary characters, while back at home, Ada is learning the ropes of managing her late father's farm with the assistance of a drifter named Ruby (Renee Zellweger), who teaches her a few things in turn. Translating Frazier's novel into the language of cinema, Minghella imparts to *Cold Mountain* the same level of emotional intensity that he conjured in his celebrated adaptation of *The English Patient*.

#### **The Alchemist's Apprentice** Simon & Schuster

"Autonomous is to biotech and AI what *Neuromancer* was to the Internet."—Neal Stephenson "Something genuinely and thrillingly new in the naturalistic, subjective, paradoxically humanistic but

non-anthropomorphic depiction of bot-POV—and all in the service of vivid, solid storytelling."—William Gibson *When anything can be owned, how can we be free* Earth, 2144. Jack is an anti-patent scientist turned drug pirate, traversing the world in a submarine as a pharmaceutical Robin Hood, fabricating cheap scrips for poor people who can't otherwise afford them. But her latest drug hack has left a trail of lethal overdoses as people become addicted to their work, doing repetitive tasks until they become unsafe or insane. Hot on her trail, an unlikely pair: Eliaz, a brooding military agent, and his robotic partner, Paladin. As they race to stop information about the sinister origins of Jack's drug from getting out, they begin to form an uncommonly close bond that neither of them fully understand. And underlying it all is one fundamental question: Is freedom possible in a culture where everything, even people, can be owned?

#### What I Like About You Rowman & Littlefield Publishers

Whether it is a mini adventure into the woods and countryside, a camping trip or simply exploring your own back garden, it's hard to get enough outdoors time, so what better way to do that than with the art of bushcraft? This beautifully illustrated book contains everything that both children and adults need to know to have fun and be safe in the outside world, including instructions on building shelters, foraging, tracking, tying knots, navigation and much more!

#### Now You Know Canada Penguin

An Economist and Financial Times "Best Book of the Year" "Harrowing" true stories from two years of immersion reporting on the migrant trail from Chiapas to Arizona—an "honorable successor to enduring works like George Orwell's *The Road to*

Wigan Pier” (New York Times) One day a few years ago, 300 migrants were kidnapped between the remote desert towns of Altar, Mexico, and Sasabe, Arizona. A local priest got 120 released, many with broken ankles and other marks of abuse, but the rest vanished. Óscar Martínez, a young writer from El Salvador, was in Altar soon after the abduction, and his account of the migrant disappearances is only one of the harrowing stories he garnered from two years spent traveling up and down the migrant trail from Central America and across the US border. More than a quarter of a million Central Americans make this increasingly dangerous journey each year, and each year as many as 20,000 of them are kidnapped. Martínez writes in powerful, unforgettable prose about clinging to the tops of freight trains; finding respite, work and hardship in shelters and brothels; and riding shotgun with the border patrol. Illustrated with stunning full-color photographs, *The Beast* is the first book to shed light on the harsh new reality of the migrant trail in the age of the narcotraficantes.

The Blizzard Random House Trade Paperbacks

Vladimir Sorokin is one of Russia's most popular novelists, and one of its most provocative as well. In Sorokin's scabrous dystopian satire, *Day of the Oprichnik*, American readers were introduced to his distinctive style, which combines an edgy avant-garde sensibility with a fondness for the absurd and even grotesque—all in the service of bringing out stinging truths about life in modern-day Russia. In *The Blizzard*, we are immediately immersed in the atmosphere of a 19th century Russia familiar to us from the works of Turgenev, Tolstoy, and Dostoyevsky. District doctor Garin is desperately trying to reach the village of Dolgoe,

where a mysterious epidemic called the “Chernukha” is raging and threatens to spread throughout the country, turning people into zombies. The doctor carries with him a vaccine that will prevent the spread of this terrible disease, but is stymied in his travels by an all-consuming snow storm, an impenetrable blizzard that turns a drive that should last only a few hours into a voyage of days, and finally, a journey into eternity. *The Blizzard* dramatizes a timeless metaphysical predicament. The characters in this nearly post-apocalyptic world are constantly in motion, and yet somehow trapped and frozen—spending day and night fighting their way through the storm on an expedition filled with extraordinary encounters, dangerous escapades, torturous imaginings, and amorous adventures. In the fantastical realm Sorokin has invented, the reader also loses her bearings, subject to the vicissitudes of time and change, to both the movement of life and its stagnancy. Hypnotic, fascinating, and richly descriptive, *The Blizzard* is a seminal work from one of the most inventive writers working today.

**Robicheaux** Dundurn

Dr. Noakes explores the physiology of running, all aspects of training, and recognizing, avoiding, and treating injuries. 133 illustrations.

*Soziologie der Selbstoptimierung* Soho Press

Can a love triangle have only two people in it? Online, it can...but in the real world, it's more complicated. In this debut novel that's perfect for fans of Jenny Han and Morgan Matson, Marisa Kanter hilariously and poignantly explores what happens when internet friends turn into IRL crushes. Is it still a love triangle if there are only two people in it? There are a million things that Halle Levitt

likes about her online best friend, Nash. He's an incredibly talented graphic novelist. He loves books almost as much as she does. And she never has to deal with the awkwardness of seeing him in real life. They can talk about anything... Except who she really is. Because online, Halle isn't Halle—she's Kels, the enigmatically cool creator of One True Pastry, a YA book blog that pairs epic custom cupcakes with covers and reviews. Kels has everything Halle doesn't: friends, a growing platform, tons of confidence, and Nash. That is, until Halle arrives to spend senior year in Gramps's small town and finds herself face-to-face with real, human, not-behind-a-screen Nash. Nash, who is somehow everywhere she goes—in her classes, at the bakery, even at synagogue. Nash who has no idea she's actually Kels. If Halle tells him who she is, it will ruin the non-awkward magic of their digital friendship. Not telling him though, means it can never be anything more. Because while she starts to fall for Nash as Halle...he's in love with Kels.

*Birds of a Feather* A&C Black

A National Bestseller! A new collection of the best Canadian trivia in honour of Canada's 150th birthday. Just in time for Canada's 150th birthday comes this collection of the best in Canadian questions and answers, covering history, famous Canadians, sports, word origins, geography, and everything in between. What famous explorer played hockey in the Arctic? Who was the first black woman elected to Canada's Parliament? What unlikely team beat Canada for the gold medal for hockey in the 1936 Winter Olympics? How

did the Halifax Explosion occur?

Tor Books

James Lee Burke's most beloved character, Dave Robicheaux, returns in this New York Times bestselling mystery set in the towns and backwoods of Louisiana: an "enthraling yet grim novel that...will captivate, start to finish" (Publishers Weekly). Dave Robicheaux is a haunted man. From the acts he committed in Vietnam, to his battles with alcoholism, to the sudden loss of his beloved wife, Molly, his thoughts drift from one irreconcilable memory to the next. Images of ghosts pepper his reality. Robicheaux's only beacon remains serving as a detective in New Iberia, Louisiana. It's in that capacity that Robicheaux crosses paths with powerful mob boss, Tony Nemo. Tony has a Civil War sword he'd like to give to Levon Broussard, a popular local author whose books have been adapted into major Hollywood films. Then there's Jimmy Nightengale, the young poster boy of New Orleans wealth and glamour. Jimmy's fond of Levon's work, and even fonder of his beautiful, enigmatic wife, Rowena. Tony thinks Jimmy can be a US Senator someday, and has the resources and clout to make it happen. There's something off about the relationship among these three men, and after a vicious assault, it's up to Robicheaux to uncover the truth "in the barn-burner of a climax" (Booklist, starred review). Complicating matters is the sudden death of the New Iberian local responsible for Molly's death; namely that Robicheaux's colleague thinks Robicheaux had something to do with it. As Robicheaux works to clear his name and make sense of the murder, a harrowing study of America emerges: this nation's abiding conflict between a sense of past grandeur and a legacy of shame, its easy seduction by

demagogues and wealth, and its predilection for violence and revenge. "It has been almost five years since James Lee Burke's last Dave Robicheaux novel, and it was absolutely worth the wait" (Associated Press).

*Run the Alps Switzerland* Tor Books

Press your way to a pep talk with this Badass button and mini booklet of affirmations and advice, based on Jen Sincero's breakout #1 New York Times bestseller. In her refreshingly blunt *You Are a Badass®*, Jen Sincero served up candid and inspiring stories, sage advice, and the occasional swear word, all with the goal of helping readers reverse self-sabotaging behaviors and create a life they love. If you loved the book, you will love this badass kit, which includes: An 88-page mini abridgement of Sincero's irreverent guide *A Badass Button* for your desk, kitchen, or bedroom that spouts inspiring messages in Sincero's own voice

**Radicalized** Minotaur Books

Perkins, a former chief economist at a Boston strategic-consulting firm, confesses he was an "economic hit man" for 10 years, helping U.S. intelligence agencies and multinationals cajole and blackmail foreign leaders into serving U.S. foreign policy and awarding lucrative contracts to American business.

**Jingo** Human Kinetics

From the creator of the acclaimed Kurt Wallander series: A thrilling story set in Sweden and Zambia told with "heart-stopping tension" (Entertainment Weekly). Interweaving past and present, *The Eye of the Leopard* draws on bestselling author Henning Mankell's deep understanding of both Scandinavia and post-colonial Africa. Hans Olofson arrives in Zambia in the 1970s, at the start of its independence. There, he hopes to fulfill the

missionary dream of a boyhood friend who was unable to make the journey. But he is also there to flee the traumas of his motherless childhood in provincial Sweden: his father's alcoholism, his best friend's terrible accident, his fear of an ordinary and stifled fate. Africa is a terrible shock, yet he stays and makes it his home. In all his years as a *mzungu*, a wealthy white man among native blacks, he never comes to fully understand his adoptive home, or his precarious place in it. Rumors of an underground army of revolutionaries wearing leopard skins warn him that the fragile truce between blacks and whites is in danger of rupturing. Alternating between Hans's years in Africa and those of his youth in Sweden, *The Eye of the Leopard* is a bravura achievement and a study in contrasts—black and white, poor and wealthy, Africa and Europe—both sinister and elegiac. "Mankell's novels are a joy." —USA Today "A fascinating novel . . . [the] prose is powerful, and the narrative of *The Eye of the Leopard* is profound." —Bookreporter.com "A thought-provoking, multilayered novel whose themes will challenge and linger." —The Courier Mail "Mankell is a master of atmosphere and suspense." —Los Angeles Times "Mankell's novels are the best Swedish export since flatpack furniture." —The Guardian "Beautiful, heartbreaking, yet ultimately hopeful . . . A powerful exploration of the stresses and challenges of freedom." —Booklist, starred review

*Kydd* National Geographic Books

The emergence of the Louisiana plantations forms the background for a romantic story of a Carolinian and a girl from Connecticut.

*The Beast* Syracuse University Press

Together at last. Under the pseudonym Richard Stark, Donald E. Westlake, one of the greats of crime fiction, wrote twenty-four fast-paced, hard-boiled novels featuring Parker, a shrewd career criminal with a talent for heists and a code all his own. With the publication of the last four Parker novels Westlake wrote- Breakout, Nobody Runs Forever, Ask the Parrot, and Dirty Money- the University of Chicago Press pulls the ultimate score: for the first time ever, the entire Parker series will be available from a single publisher. Nobody Runs Forever opens a three-part saga with a job at a poker game that sours into a necktie party. When Parker goes in on a messy scam-stealing an armored car-with someone he barely knows, as usual the amateurs get in the way of the job. Featuring new forewords by Chris Holm, Duane Swierczynski, and Laura Lippman-celebrated crime writers, all these masterworks of noir are the capstone to an extraordinary literary run that will leave you craving more. Written over the course of fifty years, the Parker novels are pure artistry, adrenaline, and logic both brutal and brilliant. Join Parker on his jobs and read them all again or for the first time. But don't talk to

the law.

*The Sun & the Moon & the Rolling Stones* Gestalten

From internationally bestselling author Julian Stockwell comes a dramatic story closely based on real events following one man's journey as he becomes a true sailor and defender of Britain. Europe is ablaze with war. The British prime minister is under pressure to intimidate the French and dispatches a Navy squadron to appear off the French coast. To man the ships, ordinary citizens must be press-ganged. Thomas Paine Kydd, a young wig-maker from Guildford, is seized and taken across the country to be part of the crew of the ninety-eight-gun line-of-battle ship Duke William. The ship sails immediately and Kydd has to learn the harsh realities of shipboard life fast. Despite all he goes through, amid dangers of tempest and battle, he comes to admire the skills and courage of his fellow seamen, taking up the challenge himself to become a true sailor and defender of Britain at war. Kydd launches a masterly writing talent and is the first installment of a thrilling new series. Based on dramatic real events, it is classic storytelling at its best, rich with action, exceptional characters, and a page-turning narrative.
