This text enables pupils from 11-16 to investigate European environmental issues through a wide variety of text, maps, photographs and statistical data presented in four focus sections: water and rivers; coasts and seas; forests; and urban areas. The accompanying disk

contains a collection of up-to-date data and real case studies from WWF National Organizations and schools across Europe involved in environmental projects (some in original language versions). Flexible software with simple exporting enables users to view, select and export items into word processing, desktop publishing and spreadsheet packages. The 120 page teacher's handbook offers background notes, practical activities developed by teachers across Europe, resource sheets reproducing key items from the disk, plus pupil worksheets.

Recognising one of the most-honoured performers of all time, A Celebration of Dolly Parton: The Activity Book is 2021's follow-up to A Celebration of David Attenborough: The Activity Book and The Unofficial Michelle Obama Activity Book. Spanning Dolly's long and illustrious career, TheActivity Book includes: Illustrations and graphics to colour-in dedicated to Dolly's Greatest Hits Anagrams of our favourite Dolly songs A solution for when the daily 9 to 5 grind is transported to the working-from-home environment A tour of Dollywood: try to

spot Dolly among the throngs of visitors and maze your way around to reunite her with her missing guitar. Inspirational word clouds, quizzes, puzzles, games, drawings, facts, emotional rollercoaster graphs and much, much more. Not just a musician, Dolly has used her vast fame and fortune for good: setting up The Dollywood Foundation, the My People Fund and, perhaps most famously, The Imagination Library which provides free books to children throughout their childhood. Dolly the Philanthropist sections are interspersed throughout the activities – providing information on her charitable endeavours, such as her recent contribution to the funding for research into the Moderna COVID-19 vaccine. But what do we really know about the woman behind the chart-toppers, successful enterprises and charitable foundations? Dolly's Wit & Wisdom punctuates the book, offering an insight into 'the living legend' – what makes her so likeable, why she is considered a queer icon, as well as valuable life advice on love, fashion and femininity to ensure you're as successful as 'Saint Dolly' herself.

This workbook, based on Acceptance and

Commitment Therapy (ACT) and Exposure

Response Prevention (ERP), teaches teens with OCD new skills to handle the stream of pesky obsessions that show up in their mind. It presents the Choice Point - a tool to help teens choose how to handle those tricky moments when dealing with unwanted thoughts. Chapter by chapter, teens learn powerful skills to unhook from their obsessions, including exposure exercises and strategies for accepting their emotions, and complete activities to help them overcome their compulsions, avoidant behaviors, and requests for accommodations. With real-life examples and tons of fun activities, this workbook shows that fears, worry and nervousness are a part of life and gives teens the skills to choose how to respond to their obsessions and move towards the stuff they really care about. Making applying ACT and ERP skills fun, it encourages them to face their fears and live life to the full.

The New York Times Super Saturday Crosswords Cambridge University Press

A mysterious iron giant appears in a farming community and eats up all the farm equipment. A young boy comes up with a plan so that the Iron Man and the people can live together. Reproducible chapter questions, plus comprehension questions, a story summary, author biography, creative and cross-curricular activities, complete with answer key. The goal of this unit is to provide teachers and students of children's literature with meaningful, purposeful activities by which they can learn more about this novel, the world around them and hopefully, about themselves as well. Specific objectives (outcomes) include the following: 1. The student will become familiar with and able to use in various contexts specific vocabulary from this novel (i.e. compound words, adjectives, British vocabulary and expressions). 2. The student will be able to use maps, graphs and other graphic representations to aid in the expression of verbal concepts and ideas. 3. Through

exploration of the characters' motives, actions and emotions, the student will come to a better understanding of his own feelings and of his place in the world. 47 pages.
