**English Around Us - Reader 2** Orient Blackswan

English has been taught with many approaches, methods, and techniques and strategies for long. Traditionally technology has been linked with techniques and tools. English can be taught and learnt through various ways or strategies. As far concern about English language and its basic skills, it is necessary to get a wonderful interpretation of English language, which is what every teacher and student of English must know 'E' stands for empowerment, empowerment of the teacher and the learner, 'N' represents novelty, novelty in new experiences, ideas, outlook and ethos. Globalization is what we have in 'G', learning and livelihood are made available through the 'L' in English. The vast storehouse of knowledge and information is easily accessible on the internet chiefly through English. The dominating language of science and success is English. 'S' stands for it. Last but not the least those who know English has a prestige, at least in India and other developing countries, which is unique. Honors for the teachers and users of English, it means 'H' stands for honors.

*Four Stories from Tagore* Orient Blackswan

Flipping through a dictionary pages will now be having a new meaning while reading through Professional Learner's Dictionary of Spoken English. Designed as the Encyclopaedia of Communicative English, the dictionary contains whole gamut of idioms, sayings and phrases which are used in conversations—in both formal and informal situations. The book has been conceptualised and conceived for the ESL (English As a Second Language) learners, for whom English is a foreign language, but who are eager to speak Real English like the native speakers of English. This book attempts to go beyond the traditional approaches of Spoken English, and takes a communicative approach. Besides making a user aware of the meaning of a term, this book educates skillfully how to speak effective English, what to speak and what not to speak, in order to communicate flawlessly. Conversational ability, fluency in speaking, situation-specific (such as welcome speech) and format-based speaking (such as participating in a group discussion) are some other features of the book that will help a learner pick up the language effortlessly with ease. The book will be of immense utility for the students of Engineering, Management, Communication and all those for whom expressing their thoughts in words is a barrier, and who want to learn English and succeed in Professional and Personal life.

**English Around Us - Work Book 7** Orient Blackswan
