## SANTOS JOSEPH

**Slither, Snake!** Capstone  
 Come along as little puppy goes out exploring in the world. Along the way he meets new friends, big and small, and sees amazing sites, but can't wait to get back home to mom. Told in simple yet lively text built with sight words and using picture icons to aid reading, National Geographic Pre-readers will enchant kids just beginning their journey with books.

**Baby Dogs** Bellwether Media  
 Simple text and photographs describe the plants, animals, and bodies of water that a bunny can see in the forest.

**Swim, Fish!** National Geographic Books  
 National Geographic Primary Readers is a

high-interest series of beginning reading books that have been developed in consultation with education experts. The books pair magnificent National Geographic photographs with lively text by skilled children's book authors across four reading levels. Level 1: Early reader These books contain simple sentences and are just right for kids who can decode with ease and are beginning to read fluently. They are ideal for readers of Yellow and Blue banded books. Come along as little puppy goes out exploring in the world. Along the way he meets new friends, big and small, and sees amazing sites, but can't wait to get back home to Mum. Told in simple yet lively text, Jump, Pup! will enchant kids who are just beginning their reading journey.

**Swing, Sloth!** Learning Sight Words  
 Young readers will learn about the river

otter.

**Little Dog** Xist Publishing

Cars that ZOOM! Trains that ZIP! Planes that speed through the sky. This energizing early reader from National Geographic introduces kids to the many modes of transportation. Kids love to read about things that go. Perfect for beginning and young readers, National Geographic Pre-readers include simple, expert-vetted text and large, engaging photos on every page. A vocabulary tree at the beginning of the book introduces kids to key words in concept groups, helping kids make connections between words. Plus, a wrap-up activity gives kids a chance to use what they've learned, while expanding their understanding of the world.

**Discover German Shepherds** Lerner Publishing Group

Meet amazing penguins from all around

the world! Young readers will learn about penguins big and small in this new pre-reader from National Geographic Kids. Through text features such as a vocabulary tree and wrap-up activity, kids will be introduced to vocabulary in concept groups - helping them make connections between words and expand their understanding of the world.

**The Case of the Wet Pet** Orca Book Publishers

Introduces wild ponies, including how they live together, where they can be found, and what they eat.

*Hop, Bunny!* National Geographic Society Juno and her boy live in a red house at the top of the world. One day Juno will be big and strong enough to help pull a sled across the tundra, but for now she is just a small puppy with a big-dog heart. Small puppies have to go to bed when their boys do, but Juno can't sleep with the midnight sun shining out across the town. She slips outside to play. Returning to see a hungry polar bear sniffing around the open door, Juno has no time to be afraid. It's time to summon the big dog inside her and save her beloved boy. With Deborah Kerbel's warm, expressive text, *Sun Dog* is a love letter to life in the Arctic Circle from the perspective of a sled dog pup. Suzanne Del Rizzo's dimensional art in polymer clay and acrylic wash offers both an intimate romp with a young puppy and a sweeping celebration of the vast and beautiful tundra.

**Me and My Puppy** Carson-Dellosa Publishing

Puppy has to eat, take a nap, and pick up his toys before play time. On board pages.

**Jump, Pup!** National Geographic Books After a long and unsuccessful search, Polka-dot Puppy finally finds a home.

**Pet Tricks** Twin Sisters®

Introduces puppies to young readers using simple, repetitive text and photographs, including senses and play activities.

**Jump, Pup!** Lerner Digital™

From pigeon pizza parties in New York City to koala street crossings in Australia, wild animals all over the world show us how they live in cities, interact with humans, and strut their street smarts in this new reader from National Geographic Kids.

*Play Time for Puppy* National Geographic Books

Simple text and photographs describe the behavior of monkeys.

*Baby Goats* National Geographic Society

Introduces puppies to young readers using simple, repetitive text and photographs, including senses and play activities.

*National Geographic Readers: Ducks (Pre-reader)* Look & Learn

"This quality read-along early reader will introduce children to much more than the sloths of the rain forest, and will encourage them to continue exploring with other books in the series." □School Library Journal

*A Parade of Puppies* Live Oak Media (NY)

"Shares the story of a playful little dog. Readers will join in the dog's fun as it explores its surroundings and runs around the yard. This story helps readers learn the words dog and little. Bright pictures provide visual cues to help the reader. Additional features include a word list, an introduction to the author, and a letter to caregivers and educators"--Provided by

publisher.

*Jump, Pup!* HarperCollins UK

Learn all about German Shepherds in this level 2 reader. With short sentences and sight words, kids will learn about one of the world's most loved dogs. With beautiful color photos of puppies, dog activities and more. This book is part of the Discover Reading series and is a great choice for beginning readers.

*Polka-Dot Puppy* Lerner Publishing Group Mystery dogs representing ten popular breeds show off in this book. They hope young readers might recognize them by their famous features. But no matter what, they will make known what makes them stand out as special. Each one is proud to have a one-of-a-kind look.

*The Language of Dogs and Other Canines* National Geographic Books

From fuzzy ducklings to graceful birds, waddle your way into this adorable early reader, all about ducks! Perfect for beginning and young readers, National Geographic Pre-readers include simple, expert-vetted text and large, engaging photos on every page. A vocabulary tree at the beginning of the book introduces kids to key words in concept groups, helping kids make connections between words. Plus, a wrap-up activity gives kids a chance to use what they've learned, while expanding their understanding of the world.

*National Geographic Readers: Follow Me* Pajama Press Inc.

Describes how different animals build their homes, from honeybees in a hive and birds in nests to bears in dens and spiders in webs.--
