ROSA RYAN

Holy Bible (NIV) Walter de Gruyter GmbH & Co KG

My Story is an autobiography of the life of Uuka Umi Ato. It consists of his family matters, accomplishments, meetings, and living experiences with others in other continents, as well as his life during the Jim Crow Era in the North and South of the United States of America. His story also details his strength and ambition as he continues to move forward during the difficult times.

English as a Global Language Milliken Publishing Company

This handy book is a beginner's complete course in the Swahili language, designed especially for foreigners. The book is a result of the author's many years of teaching experience. It is divided into two parts: part one covers pronunciation; Swahili greetings and manners; classification of nouns; adjectives, verbs, adverbs, etc. in twenty-eight lessons and thirty-six exercises. part two includes a study of Swahili usage in specific situations (e.g. at home, in the market, on the road, at the airport, etc.); eleven further lessons and thirteen exercises; the key to the exercises in Parts One and

Tanzania is a home to spectacular sights like the Serengeti plains and Mount Kilimanjaro. Its rich wildlife population has led to conservation efforts, but also has allowed for more sinister workings to occur, such as poaching. Readers will learn about the country's past and present through vibrant photographs and rich text that examine Tanzania's unique features, including its people, heritage, geography, environment, and food, offering a comprehensive view of the country today.

Dictionary of Arabic Loanwords in the Languages of Central and East Africa Routledge

CONTRIBUTIONS TO THE SOCIOLOGY OF LANGUAGE brings to students, researchers and practitioners in all of the social and language-related sciences carefully selected book-length publications dealing with sociolinguistic theory, methods, findings and applications. It approaches the study of language in society in its broadest sense, as a truly international and interdisciplinary field in which various approaches, theoretical and empirical,

supplement and complement each other. The series invites the attention of linguists, language teachers of all interests, sociologists, political scientists, anthropologists, historians etc. to the development of the sociology of language.

African Music Simon and Schuster

For the first time, a riveting insider's account of the fascinating world of Dr. Dian Fossey's mountain gorilla camp, telling the often-shocking story of the unraveling of Fossey's Rwandan facility alongside adventures tracking mountain gorillas over hostile terrain, confronting aggressive silverbacks, and rehabilitating orphaned baby gorillas. In *A Forest in the Clouds*, John Fowler takes us into the world of Karisoke Research Center, the remote mountain gorilla camp of Dr. Dian Fossey, a few years prior to her gruesome murder. Drawn to the adventure and promise of learning the science of studying mountain gorillas amid the beauty of Central Africa's cloud forest, Fowler soon learns the cold harsh realities of life inside Fossey's enclave ten thousand feet up in the Virunga Volcanoes. Instead of the intrepid scientist he had admired in the pages of National Geographic, Fowler finds a chain-smoking, hard-drinking woman bullying her staff into submission. While pressures mount from powers beyond Karisoke in an effort to extricate Fossey from her domain of thirteen years, she brings new students in to serve her most pressing need—to hang on to the remote research camp that has become her mountain home. Increasingly bizarre behavior has targeted Fossey for extrication by an ever-growing group of detractors—from conservation and research organizations to the Rwandan government. Amid the turmoil, Fowler must abandon his own research assignments to assuage the troubled Fossey as she orders him on illegal treks across the border into Zaire, over volcanoes, in search of missing gorillas, and to serve as surrogate parent to an orphaned baby ape in preparation for its traumatic re-introduction into a wild gorilla group. This riveting story is the only first-person account from inside Dian Fossey's beleaguered camp. Fowler must come to grips with his own aspirations, career objectives, and disappointments as he develops the physical endurance to keep up with mountain gorillas over volcanic terrain in icy downpours above ten thousand feet, only to be affronted by the frightening charges of indignant giant silverbacks or to be treed by aggressive forest buffalos. Back in camp, he must nurture the sensitivity and patience needed for the demands of rehabilitating an orphaned baby gorilla. *A Forest in the Clouds* takes the armchair adventurer on a journey into an extraordinary world that now only exists in the memories of the very few who knew it.

Stanley AuthorHouse

More and More Veils Lifted From My Face is more than just Esther's life experience. It will inspire and encourage you as a reader to walk with Jesus. You will also learn to persevere knowing that even amongst hardship, there is also happiness, but only if you receive Jesus Christ as your savior. For Esther, she thought that to be a good Christian was to be humble, carry the Bible and go to church every Sunday. But that was not enough. It was not until she realized God's amazing Grace through the way of salvation that she saw a different page in her life. She was redeemed, became a happy and hopeful person. She confesses that God lifted a veil from her face to know and see the hidden things that she had not known. She remained stagnant for a long time, trying to rely on people to help her stand and walk as a saved Christian, but it wasn't easy because they failed her. Yet another veil was lifted from her face, and she began to rely on God, not man. It is very interesting to know that our faces are covered by so many thin veils, that God Himself lifts for us to see what is happening in the spiritual world. The pivotal part in this book is the instant miracle God performed in Esther's life. That was her biggest turning point, and she encourages people who are not certain about miracles, that they are real, and they still happen

State Ideology and Language in Tanzania Cavendish Square Publishing, LLC

Scholars, especially those interested in understanding how leadership has inhibited academic freedom and hindered effectiveness of institutions of higher learning have for long been engaged by the very important manner in which governance and leadership of higher education institutions in Africa is constituted and managed. The fact that there has been a dearth of work based on the experiences of those who have served as university leaders has created a major gap. Questions remain on how leaders of higher education institutions are identified, how they are prepared, the personal predispositions that individuals bring to the exercise of such positions and their personal experiences regarding what energizes or inhibits the performance of their work. Until recently, presidents in most African countries served as chancellors of public universities, identification of those who served as university leaders was largely a political process. But much has changed, with most countries establishing oversight bodies and the overall governance of higher education institutions divorced from the day-to-day political processes. *Trails in Academic and Administrative Leadership in Kenya* provides a personal account of the experiences in higher education leadership from an individual whose tenure in leadership straddled the two eras. In this book, Prof. Michieka provides an account of how his early education prepared him for roles in academic and institutional leadership in Kenya. The author shares his experiences on the trails he had to navigate as an academic, a vice-chancellor and a chairperson of university council at a time when universities in Kenya were transiting from extreme government administrative control to a greater degree of operational autonomy.

Readers will find in this work thought-provoking insights on how leaders of higher education institutions in Kenya have had to balance between demands of the political system and the need to safeguard academic traditions in the everyday management of the institutions.

Swahili Language Handbook Zondervan

Did you ever want to teach your kids the basics of Swahili ? Learning Swahili can be fun with this picture book. In this book you will find the following features: Swahili Alphabets. Swahili Words. English Translations.

Church Missionary Intelligencer and Record University Press of America

Written in a detailed and fascinating manner, this book is ideal for general readers interested in the English language.

Swahili Grammar for Introductory and Intermediate Levels Open Book Publishers

This book will tell all you need to know about British English spelling. It's a reference work intended for anyone interested in the English language, especially those who teach it, whatever the age or mother tongue of their students. It will be particularly useful to those wishing to produce well-designed materials for teaching initial literacy via phonics, for teaching English as a foreign or second language, and for teacher training. English spelling is notoriously complicated and difficult to learn; it is correctly described as much less regular and predictable than any other alphabetic orthography. However, there is more regularity in the English spelling system than is generally appreciated. This book provides, for the first time, a thorough account of the whole complex system. It does so by describing how phonemes relate to graphemes and vice versa. It enables searches for particular words, so that one can easily find, not the meanings or pronunciations of words, but the other words with which those with unusual phoneme-grapheme/grapheme-phoneme correspondences keep company. Other unique features of this book include teacher-friendly lists of correspondences and various regularities not described by previous authorities, for example the strong tendency for the letter-name vowel phonemes (the names of the letters) to be spelt with those single letters in non-final syllables.

The Church Missionary Intelligencer Rlpg/Galleys

This is a comprehensive manual intended to teach students the basics of communicating in Swahili at an elementary level. It is designed to teach major communicative skills such as speaking, listening, reading, and writing. Moreover, the text strives to impart fundamental knowledge about East African and Swahili culture.

Reevaluates the extraordinary exploits of one of history??'s most controversial figures

Swahili Children's Book Canongate Books

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Colloquial Swahili Faber & Faber

This book is a thoroughly revised version of the 1999 edition, which was welcomed at the time as a classic. It now extends the period of coverage to 2012 and includes an entirely new chapter on current developments, making this updated edition an essential

Revelation Feminist Press

Dictionary of Arabic Loanwords in the Languages of Central and East Africa analyzes around 3000 Arabic loanwords in more than 50 languages in the area, and completes the work started in a previous similar work on West Africa.

Letters of Bishop Tozer and His Sister BRILL

This book is intended for university students and anyone interested in learning Standard Swahili grammar as spoken in the East African Community of Tanzania, Kenya and Uganda. The most comprehensive grammar book currently available, some of the concepts covered in this book are greetings, numerals, telling the time, the Noun Class system, simple tenses such the past, present and future, adjectives and possessives. The book then progresses to more complex concepts such as Direct and Reported Speech, various verb typologies, other tenses, prepositions and conjunctions, adverbs and relative pronouns. Each chapter includes many examples and sample sentences, easy to read charts, practice questions, answers to the practice questions, and a list of new vocabulary used within the chapter. On completing this book, the reader will be able to read, write and converse in Swahili with confidence.
