Barbara Ann Brennan continues her ground-breaking exploration of the human energy field, or aura—the source of our experience of health or illness. Drawing on many new developments in her teaching and practice, she shows how we can be empowered as both patients and healers to understand and work with our most fundamental healing power: the light that emerges from the very center of our humanity. In a unique approach that encourages a cooperative effort among healer, patient, and other health-care providers, *Light Emerging* explains what the healer perceives visually, audibly, and kinesthetically and how each of us can participate in every stage of the healing process. Presenting a fascinating range of research, from a paradigm of healing

based on the science of holography to insights into the "hara level" and the "core star," *Light Emerging* is at the leading edge of healing practice in our time.

Tarot Basics The Bhaktivedanta Book Trust International, Inc.

In this "slyly subversive, semi-autobiographical" novel "of Arab Israeli life," a Palestinian man struggles against the strict confines of identity (Publishers Weekly). In Sayed Kashua's debut novel, a nameless anti-hero contends with the legacy of a grandfather who died fighting the Zionists in 1948, and a father who was jailed for blowing up a school cafeteria in the name of freedom. When the narrator is granted a scholarship to an elite Jewish boarding school, his family rejoices, dreaming that he will grow up to be the first Arab to build an atom bomb. But to their dismay, he turns out to be a coward devoid of any national pride; his only ambition is to fit in with his Jewish peers who reject him. He changes his clothes, his accent, his eating habits, and becomes an expert at faking identities, sliding between different cultures, schools, and languages, and eventually a Jewish lover and an Arab wife. With refreshing candor

and self-deprecating wit, *Dancing Arabs* is a "chilling, convincing tale" of one man's struggle to disentangle his personal and national identities, only to tragically and inevitably forfeit both (Publishers Weekly). "Rings out on every page with a compelling sense of human truth" —Kirkus Reviews "Despite its dark prognosis, there is a lightness and dry humor that lifts it with the kind of wings its protagonist once hoped for." —Booklist

Tarot of the 78 Doors Llewellyn Worldwide

This collectable group of 22 beautifully designed Tarot cards is available in a handsome boxed set in either German or English language. Each card is a careful reproduction of one of Giger's paintings, and is interpreted by philosopher-magician Akron in a booklet of instructions, included with the set. To Akron Tarot is like an inexhaustible mine of symbols, suited to manifest Giger's aesthetics of apocalypse in literary style. Akron resorts to the tradition of the Tarot in order to convey the messages of Baphomet - a medieval secret symbol -- which is of special significance in Giger's work. H.R. Giger is a painter, Oscar-award winner and cult figure of an international artistic

community, for which his aesthetics of the apocalypse represent inspiration and spiritual healing. His pictures are gripping, indeed sometimes shocking visions - they shake us from our unconsciousness as they relentlessly point to the hidden inner world of all things. The art of Giger is a journey to the most ancient destination of mankind: to birth and death, love and war, hope and the destruction of life.

Two leading spiritual teachers share new, high-frequency ascending information—so that you can accelerate your journey to the light Since 2012, the energy on this planet has changed considerably, with much more high-frequency energy coming in. In addition, many of the tools and techniques we have been using on the ascension path have moved to a new vibration with different geometric set-ups. Diana Cooper and Tim Whild have been working with the angels for many years and believe that people are ready to receive this higher-level information. The Archangels are stepping in to help you to ascend your frequency to the fifth dimension and beyond. In *The Archangel Guide to Ascension*, they offer clear steps to accelerate your journey to the light. These steps are sequential so that your path will be smooth and clear. Each chapter offers guidance about the Archangels, information about the step you are on, and a visualization to assist you. Archangel Metatron, who vibrates with the number 55, is overlighting the whole book, and will be with you as you work with the guidance it offers.
