This book provides a lively and comprehensive account of the unprecedented Italian general election of 2018 and of its profound significance for Italy and beyond. The contributions in this volume cover the political, economic and international contexts in which the vote took place, and consider the main election contenders in the run-up to the election as well as the

From Here to Eternity Blu Editore

"The Mafia? What is the Mafia? Something you eat? Something you drink? I don't know the Mafia. I have never seen it." So said Mommo Piromalli, a 'Ndrangheta crime boss, to a journalist in the seventies. In *Mafiacraft*, Deborah Puccio-Den explores the Mafia's reliance on the force of silence, and undertakes a new form of ethnographic inquiry that focuses on the questions, rather than the answers. For Puccio-Den, the Mafia is not a stable social fact, but a cognitive event shaped by actions of silence. Rather than inquiring about what has previously been written or said, she explores the imaginative power of silence and how it gives consistency to special kinds of social ties that draw their strength from a state of indetermination. What methods might anthropologists use to investigate silence and to understand the life of the denied, the unspeakable, and the unspoken? How do they resist, fight, or capitulate to the strength of words, or to the force of law? In *Mafiacraft*, Puccio-Den's addresses these questions with a fascinating anthropology of silence that opens up new ground for the study of the world's most famous criminal organization.

The #1 International Bestseller from the Executive Producer of the hit Netflix series *House of Cards*. Francis Urquhart is back and the newly elected Prime Minister continues his climb to power. This time he will take on the King himself, threatening to expose Royal secrets. This game is winner-takes-all, but who will walk away the victor? The role of the monarchy in modern Britain comes under scrutiny as Prime Minister Francis Urquhart threatens to expose Royal secrets when his plans are blocked by the idealistic new King. Their differences of opinion quickly degenerate into open hostility. The battlefield ranges from architecture to the underprivileged; the battle is fought with rigged opinion polls, manipulated newspaper headlines, sexual scandal and economic brinkmanship as Urquhart sets out to destroy not only the King's family and friends but even the King himself. Continuing the dark tale of greed, corruption, and unquenchable ambition, *To Play the King* reveals that no matter the country, politics, intrigue and passion reign in the corridors of power. An explosive political thriller, fans of Vince Flynn, David Baldacci and Robert Ludlum will enjoy this second tale of Urquhart's intrigues and schemes. Cinque saggi, indipendenti tra loro ma uniti dalla lunga ombra che Alessandro Manzoni proietta sul Novecento. Il volume si apre con un'indagine del problematico rapporto tra etica ed estetica in I promessi sposi e in Storia della colonna infame. I quattro saggi successivi sono dedicati rispettivamente a Giuseppe Antonio Borgese, Carlo Emilio Gadda, Leonardo Sciascia e Mario Pomilio. Di ognuno di questi Palumbo Mosca sceglie una o più opere paradigmatiche: Poetica dell'unità e le Lezioni di estetica per Borgese; Racconto italiano di ignoto del Novecento e alcuni saggi di I viaggi la morte per Gadda; L'affaire Moro per Sciascia e,

infine, Il Natale del 1833 per Pomilio. La scelta di questi quattro autori – in dialogo con Manzoni e tra loro – si rivela emblematica per cogliere due aspetti della riflessione manzoniana che sembrano oggi i più fecondi e urgenti: il rapporto tra finzione e non finzione e la necessaria tensione etica della letteratura.

In simplest terms, it is a house tour, but Mario Praz's Roman apartment was no ordinary house it was a wunderkammer, a house of wonders, rooms replete with objects d'art and sculpture, walls hung with paintings and prints, bureaus overflowing with postcards and ephemera. And Praz is no ordinary guide; he leads you, the reader, through each room discussing the objects therein. What emerge are his passions, his immense erudition, his insatiable curiosity, his undeniable amiability, his infectious enthusiasm. What emerges is a multi-layered disquisition on the nature of art, on the challenge of investigation and discovery, on the way in which art and the objects we choose to surround us tell stories.
