Eugene Peterson instilled the love of the local church in his family, and especially his son, pastor Eric E. Peterson. This collection of letters, written over several

years by Eric, offers a poignant, pastoral vision for what the people of God are to be about in their personal lives and their life together. You'll find this wisdom for one local church to be warm, winsome, knowing, understanding, and universally relevant. Eric E. Peterson addresses essential questions such as "What is a church? What should a church be doing? What do we owe

each other?
 What can we expect from one another?
 How do we follow Christ together?" A pastor in the state of Washington, he wrestled with how to grow his infant church into a mature Christian community. This book was born in the midst of a church coming to life, and is a compelling read for any pastor, church leader, or congregant. Purchase individually or together with *Letters to a Young Pastor*,

a book that contains letters written back and forth between Eugene Peterson and his son, Eric E. Peterson. *A Record of Proceedings in the North Congregational Church, Newburyport, January 24, 1868* NavPress

In a time when organized religion is suffering an identity crisis, the author of *The Last*

Presbyterian? examines the faith culture that shaped him and his family over the last half millennium. Filled with historical, theological, and spiritual reflections and set in the context of both old family stories and current trends, Cuthbertson's book addresses such timely issues as practicing faith within families, setting aside time for God, and the changing facets of

leadership and discipleship within the Presbyterian tradition. Starting with the "Psalm-singing, Sabbath-keeping, Shorter-Catechism-memorizing" branches of Scots-American Presbyterianism, this book offers an affectionate look back, and a hopeful look ahead, to an emergent Presbyterianism coming to terms with issues such as LGBT ordination and same-gender marriage,

interfaith relations, and care for the earth.

Celebrating Christian

Marriage Ann Arbor, Mich. : University Microfilms International
Honest to God, originally published in 1963, has been described as the most talked-about theological work of the twentieth century. Its publication work instigated a passionate debate about the nature of Christian belief and doctrine in the

white heat of a secular revolution. It also epitomized the revolutionary spirit of a fresh and challenging way of looking at the world, which, throughout the 1960s, was to bring about the disintegration of established orthodoxies and social, political and theological norms. It articulated the anxieties of a generation who saw these traditional givens as no longer acceptable or

necessarily credible. Reissued on the 50th anniversary of the original publication, *Honest to God* is not only a book that generated controversy and debate in its own time, but a piece of honest theology which continues to inspire many in their search for credible Christianity in today's world. *The Living Church* Zonderkidz "Mental hygiene" films developed for classroom use touted

vigilance, correct behavior, morality, and model citizenship. They also became powerful tools for teaching literacy skills and literacy-based behaviors to young people following the Second World War. In this study, Kelly Ritter offers an extensive theoretical analysis of the alliance of the value systems inherent in mental hygiene films (class-based ideals, democracy, patriotism)

with writing education—an alliance that continues today by way of the mass digital technologies used in teaching online. She further details the larger material and cultural forces at work in the production of these films behind the scenes and their effects on education trends. Through her examination of literacy theory, instructional films, policy documents, and textbooks of the late

1940s to mid-1950s, Ritter demonstrates a reliance on pedagogies that emphasize institutional ideologies and correctness over epistemic complexity and de-emphasize the role of the student in his or her own learning process. To Ritter, these practices are sustained in today's pedagogies and media that create a false promise of social uplift through formalized education,

instead often resulting in negative material consequences .

Boydell & Brewer Revised and updated for the twenty-first century: the authoritative reference for the ceremonies, traditions, and protocols of today's Catholic Church. In *The Church Visible*, James-Charles Noonan presents a detailed and comprehensive resource on all matters concerning the external life of the church. As the

only book of its kind published in more than a century, it is the recognized authority on the subject—and the first to incorporate the momentous changes of the Second Vatican Council. This newly revised edition presents the most up to date information on such topics as Papal Honors, Church Protocol, Vesture & Insignia, the Universal Church, and

more.

Few treatments of Catholic Social Teaching are as comprehensive as this, and none is nearly so devoted to a critical scholarly presentation and analysis of the whole corpus. *Reframing the Subject*
The interest in marriage and the future of marriage is

urgent and increasing. This collection of expert research, analysis and discussion may be the most significant ever assembled on this subject. There are contributions from different continents and cultures; from Roman Catholic, Protestant, Anglican and Orthodox traditions; from theologians and many other professionals - including historians, social theorists, sex therapists, lawyers, psychiatrists and demographers - all in conversation with the idea of Christian marriage. There are introductions to each topical section by Adrian Thatcher: Marriage at the Start of the Millennium, Beginning Marriage, Love and Marriage, The Marriage Relationship, Children and Marriage, Single-Sex Marriage, Ending Marriage - Roman Catholic Perspectives, Ending Marriage - Anglican Perspectives. Catholic Social Teaching Lenny Duncan is the unlikeliest of pastors. Formerly incarcerated, he is now a black preacher in the whitest denomination in the United States: the Evangelical Lutheran Church in America (ELCA). Shifting demographics and shrinking congregations

make all the headlines, but Duncan sees something else at work-- drawing a direct line between the church's lack of diversity and the church's lack of vitality. The problems the ELCA faces are theological, not sociological. But so are the answers. Part manifesto, part confession, and all love letter, Dear Church offers a bold new vision for the future of

Duncan's denomination and the broader mainline Christian community of faith. Dear Church rejects the narrative of church decline and calls everyone-- leaders and laity alike--to the front lines of the church's renewal through racial equality and justice. It is time for the church to rise up, dust itself off, and take on forces of this world that

act against God: whiteness, misogyny, nationalism, homophobia, and economic injustice. Duncan gives a blueprint for the way forward and urges us to follow in the revolutionary path of Jesus. *From the Reformation to the Permissive Society* Includes minutes of the conventions of the General Synod, the General Council, and the United Synod.
