SIMPSON GABRIELLE

Ansel Adams 2014 Mini Wall Calendar
 Ansel Adams
 Renowned as America's pre-eminent black-and-white landscape photographer, Ansel Adams began to photograph in color soon after Kodachrome film was invented in the mid 1930s. He made nearly 3,500 color photographs, a small fraction of which were published for the first time in the 1993 edition of ANSEL ADAMS IN COLOR. In this newly revised and expanded edition, 20 unpublished photographs have been added. New digital scanning and printing technologies allow a more faithful representation of Adams's color photography.
Ansel Adams 2022 Calendar Ansel Adams

* The Ansel Adams wall calendar is an annual bestseller that has sold over 5 million copies since first publication in 1983.

Ansel Adams Engagement Calendar 2001

Little, Brown
 In 1941, the National Park Service hired Ansel Adams to photograph national parks and other western landscapes, with the goal of creating murals for the Department of the Interior building. Although this project was canceled in 1942 at the beginning of World War II, Adams' compiled 226 stunning photographs during his work for the government. 12 of these images are presented in this 2014 mini wall calendar. Each photo was meticulously prepared by photographer and imaging expert Grant Collier in an effort to do justice to Adams' images.

Ansel Adams 2022 Calendar Ansel Adams
 "Charming. . . . A moving testament to the diversity and depths of love." —Publishers

Weekly You'll laugh, you'll cry, you'll be swept away—in less time than it takes to read this paragraph. Here are 175 true stories—honest, funny, tender and wise—each as moving as a lyric poem, all told in no more than one hundred words. An electrician lights up a woman's life, a sister longs for her homeless brother, strangers dream of what might have been. Love lost, found and reclaimed. Love that's romantic, familial, platonic and unexpected. Most of all, these stories celebrate love as it exists in real life: a silly remark that leads to a lifetime together, a father who struggles to remember his son, ordinary moments that burn bright.

Thirteen duotone images of Yosemite, the High Sierra, Alaska, the American Southwest, and the Pacific coast -- printed on heavy, coated paper and reproduced to the very highest standards of quality -- will enthrall new and old Ansel Adams fans alike.

Ansel Adams 2022 Calendar Ansel Adams

With more than two hundred photographs - many rarely seen and some never before published - this is the most comprehensive collection of Ansel Adams' photographs of America's national parks and wilderness areas. For many people, Yosemite, Yellowstone, Glacier National Park, and other iconic American wildlands exist in the mind's eye as Ansel Adams photographs. The legendary photographer explored more than forty national parks in his lifetime, producing some of the most indelible images of the natural world ever made. One of the twentieth century's most ardent champions of the park and wilderness systems, Adams also helped preserve additional natural areas and protect existing ones through his photographs, essays, and letter-writing campaigns. Edited and with commentary by Andrea G. Stillman, the foremost expert on Adams' work, this landmark publication includes quotations by Adams on the making of numerous photographs and essays by Wallace Stegner, William A. Turnage of The Ansel Adams Trust, and journalist and critic Richard B. Woodward. This is a must-own for Ansel Adams fans and all those who, like Adams, treasure America's wilderness.

Ansel Adams 2022 Calendar

The sophisticated and splendidly printed black-and-white desk calendar features fifty-three photographs by Ansel Adams, including many of his best-loved images as well as an engaging mix of natural and architectural details, and lesser-known photographs of the American West. The weekly calendar facing each image allows ample space for noting appointments, and a section of monthly calendars facilitates long-range planning. Printed to the exacting standards of the Ansel Adams Publishing Rights Trust, the 2009 calendar is a satisfying and practical way to enjoy the beautiful photographs of this legendary American artist throughout the year.
