The Tycoon's Marriage Exchange Elizabeth Lennox Books (www.ElizabethLennox.com)

She had rules! She had a life plan that worked for her! Go to the gym, eat salads and broccoli. Focus on her career and steer clear of Luke Steele! The first part of the plan...well, she accomplished that on some days. The last rule...um...well, he wasn't helping her. Not one little bit! So instead of running from him, Naya would accept the attraction, but with boundaries. If he wouldn't agree to the rules, she would...well, she'd do something. So far, all of her plans weren't working but she'd eventually end up with a winning plan. Luke Steele saw the lovely temptation that was Naya and knew that his single days were over. Just like his three brothers before him, he'd found his soul mate and he was willing to tumble headlong into marriage. After avoiding the matrimonial state for so long, he had to laugh at how hard it was to convince the gorgeous woman to trust him. Until she set up the rules. Rules to an affair? Oh, hell no! And "no way" to an affair either! This woman was his. Forever!

Normally poised and self-assured, Jayden's world had taken an alarming turn. What initially had seemed like a nuisance was quickly becoming a significant threat to her business, her family, and her whole way of life! And she had no idea how to avoid catastrophe. Dante's suggested solution presented a potential lifeline, but with what strings attached? Would the solution be worse than the crisis that had required it?
