bestseller: In the realms

of Dragonlance, the
legend of one heroic
knight is larger than life . .

. When word spreads that
goblins are roaming

nearby, Huma

Dragonbane, a Knight of
the Crown, is sent to

patrol the woods and fend
off chaos. It is there that

he stumbles upon a
tortured minotaur, Kaz,

who he swiftly frees from
vicious goblin captors. So

beings an unlikely but
powerful friendship—one
that will plunge Huma and

Kaz into a deadly battle
against the treacherous

Knights of Solamnia and
the dark goddess Takhisis.

Even with the power of
the legendary Silver

Dragon at their side,
Huma and Kaz face

overwhelming odds . . .
Only fragments of the

account of Huma survived

the Cataclysm that broke the world of Krynn. His story has never been fully told—until now.

The Ground Beneath Her Feet Gale, Cengage Learning

"Proceedings of the 9th annual meeting (1923) of the Texas folk-lore societyP : p. [263]-268. Bibliography of Texas legends.

The National Review
McFarland

The Irish folklore of the Otherworld is rich in its many manifestations of supernatural beings and personages. This is

represented in many different genres of folklore, such as folktales, legends, ballads, memorates, beliefs and belief statements, and exists within the context of rich literary, historical and imaginative parallels. This book presents a new reading of Irish religious belief and legend in a meaningful socio-historical context, examining popular belief and narratives of sinful women and unbaptised children, as a way of understanding a particular worldview in Irish society.

Blending postmodern approaches with traditional methodologies, the author reviews the representation of women, sin and repentance in Irish folklore. The author suggests new ways of seeing this legend material, indicating strong links between the Irish and the French, specifically Breton, religious tradition, and tracing the nature of this inter-relationship through the post-Tridentine Counter Reformation Roman Catholic Church and its teachings. In this

way aspects of Ireland's popular religious and cultural inheritance are examined.

The National and English Review Rowman & Littlefield

American Indian Stories is the second story collection by Dakota author Zitkála-Šá. In contrast to her earlier collection Old Indian Legends, which is a collection of traditional Dakota legends, American Indian Stories is a collection of stories about contemporary Dakota life. Many center on the

interactions and conflicts between Dakota and settler society, especially the challenges posed by the assimilationist Indian residential school system. The first few stories (through “Why I Am a Pagan”) are autobiographical in nature, drawing on Zitkála-Šá’s own experience as a student and then teacher in residential schools. Her story “The Softhearted Sioux” about a Sioux man’s loss of cultural and religious identity was even attacked as “trash”

by her employer at the Carlisle School, Richard Henry Pratt (the coiner of the infamous slogan “kill the Indian, save the man”). This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Worship of God and Fellowship Among Men W. W. Norton &

Company
Evelyn Lilian Hazeldine Carrington contessa Martinengo-Cesaresco's 'Essays in the Study of Folk-Songs' (1886) is a comprehensive

exploration of the cultural significance and historical context of folk songs. Carrington delves into the origins of these traditional songs, analyzing their themes, melodies, and variations across different regions. Her analytical approach uncovers the rich tapestry of storytelling and collective memory embedded within folk songs, shedding light on the deep-rooted traditions passed down through generations. Written in a scholarly yet accessible style, the book provides valuable insights

into the role of folk songs in shaping cultural identities and fostering communal bonds. As a pioneering work in the study of folklore, Carrington's essays offer a nuanced understanding of the complex interplay between oral traditions and literary artistry. This timeless work continues to inspire scholars and enthusiasts to explore the enduring legacy of folk songs in contemporary society. Legends of Texas Vintage Canada
 “Mesmerizing.... Conant’s

book has brought [Maggie Higgins] back to life.”
 —Andrew Nagorski, Wall Street Journal A spirited portrait of twentieth-century war correspondent Maggie Higgins and her tenacious fight to the top in a male-dominated profession. Marguerite Higgins was both the scourge and envy of the journalistic world. A longtime reporter for the New York Herald Tribune, she first catapulted to fame with her dramatic account of the liberation of Dachau at the end of World War II.

Brash, beautiful, ruthlessly competitive, and sexually adventurous, she forced her way to the front despite being told the combat zone was no place for a woman. Her headline-making exploits earned her a reputation for bravery bordering on recklessness and accusations of “advancing on her back,” trading sexual favors for scoops. While the Herald Tribune exploited her feminine appeal—regularly featuring the photogenic “girl reporter” on its front pages—it was Maggie’s

dogged determination, talent for breaking news, and unwavering ambition that brought her success from one war zone to another. Her notoriety soared during the Cold War, and her daring dispatches from Korea garnered a Pulitzer Prize for foreign correspondence—the first granted to a woman for frontline reporting—with the citation noting the unusual dangers and difficulties she faced because of her sex. A star reporter, she became part of the Kennedy brothers’

Washington circle, though her personal alliances and politics provoked bitter feuds with male rivals, who vilified her until her untimely death. Drawing on new and extensive research, including never-before-published correspondence and interviews with Maggie’s colleagues, lovers, and soldiers and generals who knew her in the field, journalist and historian Jennet Conant restores Maggie’s rightful place in history as a woman who paved the way for the next generation of

journalists, and one of the greatest war correspondents of her time.

One of the Time 100 Best Fantasy Books Of All Time
Two men rebel together against tyranny—and then become rivals—in this first sweeping book of an epic

fantasy series from Ken Liu, recipient of Hugo, Nebula, and World Fantasy awards. Hailed as one of the best books of 2015 by NPR. Wily, charming Kuni Garu, a bandit, and stern, fearless Mata Zyndu, the son of a deposed duke, seem like polar opposites. Yet, in the uprising against the emperor, the two quickly become the best of friends after a series of adventures fighting against vast conscripted armies, silk-draped airships, and shapeshifting gods. Once

the emperor has been overthrown, however, they each find themselves the leader of separate factions—two sides with very different ideas about how the world should be run and the meaning of justice. Fans of intrigue, intimate plots, and action will find a new series to embrace in the Dandelion Dynasty.

The Ancient Greeks Simon and Schuster

"The first great rock 'n' roll novel in the English language." --The Times
On Valentine's Day, 1989, Vina Apsara, a famous

and much-loved singer, disappears in a devastating earthquake. Her lover, the singer Ormus Cama, cannot accept that he has lost her, and so begins his eternal quest to find her and bring her back. His journey takes him across the globe and through cities pulsating with the power of rock 'n' roll, to Bombay, London and New York. But around the star-crossed lover and his quest, the uncertain world itself is beginning to tremble and break. Cracks and tears are appearing in

the very fabric of reality, and exposing the abyss beyond. And Ormus has to confront just how far he is willing to go for love. In this epic romance that stretches across whole lives, and even beyond death, Salman Rushdie's most accessible novel is also a vivid account of the intimate, flawed encounter between East and West, a remaking of the myth of Orpheus, and an exploration of the extremities of comedy, culture and desire. *The Ground Beneath Her Feet* is a gripping story that

encapsulates the history, dreams and passions of the last half century as no other novel has done.

Report Standard Ebooks Inside the changing sheds, the gyms, the hotels and on the field with the All Blacks at each Rugby World Cup – a tournament that grips the nation. Inside the Cup is the definitive story of the triumphs, oddities, heartbreaks, dramas and disasters of every All Black campaign at the Rugby World Cup. New Zealand rugby's master storyteller, Phil Gifford,

takes you behind the scenes to relive the action as it happened and as told by those directly involved. You'll find out why Buck Shelford was dropped, which All Blacks were actually sick before the 1995 final, why Taine Randell believes he shouldn't have been captain in 1999, what exactly led to Graham Henry being reappointed as coach despite the miserable result in 2007, and why Steven Donald is called Beaver. Gifford knows all of the players and personalities – he was

there. He details a fascinating and often tumultuous journey, from a boozy dinner in Cardiff where the idea for a global tournament first got off the ground, to the breathtaking finale of the victorious 2011 Cup. Inside the Cup is the perfect book for every true rugby fan. *The Book Monthly* Read Books Ltd
 "Here there be dragons"-- this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond. Heroes who

ventured there were only as great as the beasts they encountered. This encyclopedia contains more than 2,200 monsters of myth and folklore, who both made life difficult for humans and fought by their side. Entries describe the appearance, behavior, and cultural origin of mythic creatures well-known and obscure, collected from traditions around the world. *Inside the Cup: Secrets Behind Our All Black Campaigns* Getty Publications

Meet the people of ancient Greece, learn how they lived and worked, and see the sorts of objects they made and used. In profiling a wide range of people from this ancient society--from religious and government leaders to farmers, soldiers, and artisans to women and children--the author brings to life a distant and fascinating world. The lively text and wealth of illustrations of ancient Greek artworks and artifacts, including vases, statuary, religious objects, jewelry, and

weapons, make this the perfect introduction to an ancient society that left such an extraordinary legacy to Western civilization. Ages twelve and up.

The Legend of Huma

Penguin Random House
New Zealand Limited
Roy Rogers' golden palomino, Trigger, was the perhaps the most famous horse in film--more popular than the man himself among certain fans. In its expanded second edition, this detailed look at the animals and men who

created the legend of "the smartest horse in the movies" examines the life story of the original Trigger--and his doubles, particularly Little Trigger, the extraordinary trick horse. Movies in which Trigger appeared without Rogers are discussed. More than 200 photographs (90 new to this edition) and 30,000 words of additional material are included, covering unresolved aspects of Trigger's story, controversies surrounding the sale of the Roy Roger's Museum

collection and the fate of his legacy.

The Modern Review

Rowman & Littlefield
A moving account of friendship and discovery on the island of Sicily from the acclaimed travel writer and bestselling author of *The Alexandria Quartet*. Despite decades spent writing poetic evocations of the timeless pleasures of life in the Mediterranean, Lawrence Durrell had never set foot on the sea's largest island: mysterious, impenetrable Sicily. For years his friend Martine

begged him to visit her on this sun-kissed paradise, and though he always intended to, life inevitably interfered. It took Martine's sudden death to finally bring him to the island's shores. With Martine's letters in his pocket, Durrell signs up for a tour group, hoping to learn the travel habits of those who aren't obsessively devoted to island life. As he treks from sight to sight, dizzy with history and culture, Durrell finds echoes of his past lives in Rhodes, Cyprus, and Corfu.

The Blessed and the Damned McFarland
Both brawls and elaborate martial arts have kept movie audiences on the edges of their seats since cinema began. But the filming of fight scenes has changed significantly through the years--mainly for the safety of the combatants--from improvised scuffles in the Silent Era to exquisitely choreographed and edited sequences involving actors, stuntmen and technical experts. Camera angles prevented many a broken nose. Examining

more than 300 films--from The Spoilers (1914) to Road House (1989)--the author provides behind-the-scenes details on memorable melees starring such iconic tough-guys as John Wayne, Randolph Scott, Robert Mitchum, Lee Marvin, Charles Bronson, Clint Eastwood, Bruce Lee, Chuck Norris and Jackie Chan.

The Grace of Kings Black Rose Books Ltd.

With the international celebrations of the French Revolution as background, the publication of Peter

Kropotkin's classic with an introduction by George Woodcock represents the fulfilment of an important documentary need. The turbulent upheaval that swept in the first mighty revolution in the West, and which had such far ranging consequences, has subsequently been described by a thousand differing pens. From the King's summoning of the Estates General in 1789 to the establishment of the Directory in 1793, the revolution has had many interpretations. But Kropotkin is among the

very few who analyses this drama not only as a complex interplay of its leading personalities or a chain of political decisions made from above; rather, he penetrates this surface confusion to describe a great reordering of the economic bases of the ancien regime by the mass of urban workers and the peasantry. He saw the redistribution of land impeded at every step by an aggrandising middle class and by the forces of the counter-revolution inside and outside France. Kropotkin,

as a true historian, was not concerned with merely the period he discussed. He saw it as a climax in a long past and future development. The result is a very skillful and absorbing book, with great momentum, an active and readable style, and a capable use of a mass of details regarding the most obscure but no less important aspects of the French Revolution. First published in 1909 and long out of print, *The Great French Revolution* is the finest historical writing from the fluent

pen of Peter Kropotkin (1842-1921). The introduction by George Woodcock, the celebrated Canadian author, throws a modern light on the significance and scope of Kropotkin's contribution.

The Great French Revolution - 1789-1793

Open Road Media
Written by one of the greatest anarchists of the late 19th and early 20th centuries, "The Great French Revolution - 1789-1793" is not to be missed by those with an interest in history and sociology. In this volume,

Kropotkin offers a thought-provoking alternative perspective on the French Revolution. Contents include: "The Two Great Currents of the Revolution", "The Idea", "Action", "The People Before the Revolution", "The Spirit of Revolt: the Riots", "The Convocation of the States General Becomes Necessary", "The Rising of the Country Districts During the Opening Months of 1789", "Riots in Paris and Its Environs", etc. Pyotr Alexeyevich Kropotkin (1842-1921) was a

Russian writer, activist, revolutionary, economist, scientist, sociologist, essayist, historian, researcher, political scientist, geographer, geographer, biologist, philosopher and advocate of anarcho-communism. He was a prolific writer, producing a large number of pamphlets and articles, the most notable being

“The Conquest of Bread and Fields, Factories and Workshops” and “Mutual Aid: A Factor of Evolution”. This classic work is being republished now in a new edition complete with an excerpt from “Comrade Kropotkin” by Victor Robinson. *Annual Report Wild West Women* features the true stories

of the pioneering wives, mothers, daughters, teachers, writers, entrepreneurs, and artists who shaped the frontier and helped change the face of American history. These fifty stories cover the Western experience from Kansas City to Sacramento and the Yukon to the Texas Gulf. *The Atlantic Monthly*
