Guardian, The Choice Floris Books
 In *Guardians of Magic* the award-winning, 2015-2017 UK Children's Laureate Chris Riddell weaves together a stunningly illustrated magical quest in which three ordinary children, with extraordinary gifts, come together to defeat the enemies who threaten the mysterious cloud horses. This is the first title in *The Cloud Horse Chronicles* series. The Kingdom of Thrynne is a place where fairy tales don't behave, and magic can be found in unexpected places. But magic brings danger to Zam, Phoebe and Bathsheba, because it is forbidden. Now, the future of magic itself is under threat from powerful enemies: those who fear it and, worse, those who want to use it for their own ends. What

can three ordinary children do to protect it?

 Time is running out for Ben Greenwood - not as an apprentice for the Royal Institute of Magic, but as the Head Guardian, secretly responsible for uniting Queen Elizabeth's Armour. The dark elves are coming and the only chance of stopping them is to find the last Guardian and the final two pieces of the armour. They will be difficult to find and heavily protected, as they are the most important of all. To make matters worse, Ben's only clue to their whereabouts comes from a particularly unreliable and dangerous source. With the dark elves massing an army and looking increasingly likely to begin their invasion, Ben faces a race against time to find the last Guardian and unite the final pieces of Elizabeth's Armour. But that isn't his only challenge -

he will soon be forced to make a critical decision involving his closest friends, and even his oldest enemies, that might make or break the entire mission.

A widowed noblewoman unites with an amnesiac sorcerer prince to fight evil magic in this epic fantasy adventure by the author of *Son of Avonar*. The idyllic world of Avonar reels under the assaults of its ancient foes, two-thirds of its territory a wasteland, its failing magic embodied in the last weak, dissolute prince of its royal bloodline. But a brash mage has taken it upon himself to repair his liege lord's soul. Unfortunately, the Prince of Avonar is left with no memory of himself, much less his homeland or his desperate war. Abandoned in her mundane world, waiting for news of the Prince's recovery, Seri keeps her promise to relay her brother's

dying words to his son. But something is clearly wrong with her ten-year-old nephew. Secretive, isolated, angry, the boy shows an inordinate terror of Seri's past connections with sorcerers. Though determined not to care for a child whose life she resents, she finds herself intrigued, and when the boy is abducted by her longtime nemesis, Seri's frenzied pursuit plunges her straight into Avonar's war—and horrors she could never have imagined. All are ensnared by the Lords of Zhev'Na in their plot to destroy D'Arnath's Bridge and plunge two worlds into chaos. Praise for Guardians of the Keep "The well-drawn and complex characters are the focus of the story, and they carry the plot off outstandingly. . . . If you enjoy fantasy with a dark thread, such as David Drake's Isles Series or Raymond Feist's Riftwar books, Carol Berg is someone you should try. If you like good characters in an exciting, unpredictable plot, this is also a series for you." —SFRevu

Renegade Magic The Rosen Publishing Group, Inc

Guardians of Magic is a Fantasy that meets Sci-Fi type of story that takes place 15,000 to 20,000 years ago in the Alpha Centauri star system, which happens to be the closest star system to Earth's solar system. Their magic and culture is based around light crystals and their power comes from these special crystals. They have advance technology and their technology is based around crystals, light, and sound. They combine their technology with very rare and unknown metals from other planets and Earth. They have the ability to travel to other planets in their ships or through a portal / star gate. The average life span of a Centaurian can live around 500 to 600 years, and after the enlightenment process they can live for 2,000 plus years and they become almost god like. Centaurians are travelers and explorers of other new worlds. They are also teachers of ancient knowledge and how to use their technology by combining crystals with certain metals. If anyone is miss using their knowledge (magic) or the crystals they will stop them at all cost. This is the reason why they are called the "Guardians of Magic" to stop any planet miss using the powers of these crystals and their knowledge. The Centaurians will also go on explorations to find lost ancient magical items before they are found in the wrong hands, and these items will be used for evil things. The Centaurians wear these light crystals around their necks or around their chest - men usually have theirs on a chest plate or around their neck by a chain - for the women around their necks by a chain or chest by a body chain wrap. The

body chain is made up of tungsten and/or titanium. The light crystals are clear quartz, golden quartz, smokey quartz, and amethyst because of the light inside of them they have a low glow to them. Religion = Law of One, the highest level of spiritual harmony, pure heart. Very advanced and very old race of beings. Beautiful looking beings exotic looking, bronze skin, 6 to 8 feet tall in height, Travelers and Explorers of planets within their solar system and other solar systems, even Earth. Protectors of magical items and their knowledge from being miss used. Explorers of abandon magical and power items before they are found by the wrong hands.

In a murky swamp on the east side of Flat Lake in South Central Louisiana hidden from the curious eyes of the local human populace is a magical place referred to by its inhabitants as Sanctuary. For 300 years woodland fairies and sylvan have guarded Sanctuary aided by magical humans called guardians. Recently the guardians have adopted the aid of werewolves who enjoy the privilege of moonlight running within the protected boundary of Sanctuary. Sanctuary itself is magical and possesses the power to keep non-magical humans out; but it cannot protect itself against the dark fey that have escaped the netherworld prisons of Faerie. The demons and other dark fey have set their sights on Sanctuary's destruction and the loss of any humans who find themselves in the way is just considered collateral damage. The guardians and protectors find themselves in a race against time to attain their full power and protect their beloved Sanctuary from destruction. Jean Lafitte Gateaux, the most powerful guardian to enter Sanctuary in 300 years joins forces with werewolves and witches in an all out attempt to thwart the dark forces of Golva the chaos demon. Will they be in time?

Worlds of adventure await in this action-packed sequel to *The Secret of Zoone*, where it's up to Ozzie Sparks, a blue skyger, a purple-haired princess, and one very overprepared aunt to save the multiverse from an evil robot overlord. Ozzie Sparks's life went from normal to out of this world—literally—when he traveled to the station of Zoone, saved the multiverse, and somehow managed to find his way home to his Aunt Temperance. He'd like nothing more than to go back right away, but the portal is stubbornly closed. Until Zoone comes to him. But his

friends Fidget and Tug aren't dropping in for a friendly visit. An evil overlord and his army of automatons have taken over Zoone, and it's up to Ozzie, Fidget, Tug, and Ozzie's usually very normal aunt to defeat them and save the station (again). Fans of adventures like *The Unwanteds* and *The Glass Sentence* will be swept away by the second book in Lee Edward Födi's fantastically fun multiversal series. Guardians of Magic WordFire +ORM "You're Ellie Spencer." I opened my mouth, just as he added, "And your eyes are opening." Seventeen-year-old Ellie Spencer is just like any other teenager at her boarding school. She hangs out with her best friend Kevin, she obsesses over Mark, a cute and mysterious bad boy, and her biggest worry is her paper deadline. But then everything changes. The news headlines are all abuzz about a local string of serial killings that all share the same morbid trademark: the victims were discovered with their eyes missing. Then a beautiful yet eerie woman enters Ellie's circle of friends and develops an unhealthy fascination with Kevin, and a crazed old man grabs Ellie in a public square and shoves a tattered Bible into her hands, exclaiming, "You need it. It will save your soul." Soon, Ellie finds herself plunged into a haunting world of vengeful fairies, Maori mythology, romance, betrayal, and an epic battle for immortality.

Growing up in Chicago, Kyle Adams could never quite fit in with the other kids, and after being mysteriously transferred to a new foster home in northern Michigan for his senior year of high school, it seems that things are going to be the same. Then he meets Lily Goodshepherd. Like Kyle, Lily is different, but unlike Kyle, she knows exactly what the difference is. Magic, few are gifted with it, and fewer still ever learn to master its secret power. There is one though, Ramius King, who is the master of all masters, a man whose strength and ambition might earn him a throne atop every nation on earth. When King's only able opposition, the Guardians of Magic, are decimated in an evil twist of fate, his path to global domination appears clear. Kyle and Lily are ready to take up the Guardian's reins, but without help their chances are slim. Unfortunately, the only help available is a sassy fortune teller who can't control her talent and an ex-Guardian who's spent the last fifteen years trying to deny the magic within him and forget his tragic past.

Guardians of Magic Simon and Schuster GUARDIANS INC.: THE CYPHER is two stories in one. A glimpse into a multinational company that is in reality the oldest of secret societies, one that spans close to seven thousand years of existence, weaving in and out of history, guiding and protecting humanity from creatures and forces that most of us believe are only mythology and fairy tales. The other is the story of Thomas Byrne, a young man thrust into secrets he shouldn't be aware of and dangers he shouldn't face but, that he ultimately will, for he is a Cypher. The only one who can steer humanity's future. The ultimate conspiracy theory is that Magic is real. Kept in check by technology but, every five hundred years the balance can shift and, if it does, technology will fail and those creatures we've driven into myth will come back with a vengeance. To protect the present, Guardians Incorporated needs to know the future.
