The Musical Times & Singing-class Circular Hal Leonard Corporation
 A Violin solo for 2 Violins with Piano Accompaniment composed by Henry Purcell.

Golden Sonata Courier Corporation
 This classic method for beginners provides

a brief history of the instrument, an explanation of organ construction, a discussion of the various stops and their management, a section devoted to practical study, and several pieces. *Trumpet Tune and Air* Alfred Music Publishing (Faber Piano Adventures). In this inspiring collection, late-elementary to early-intermediate pianists will find appealing arrangements that advance skills while exploring masterworks of Western music. The famous orchestral, keyboard, and operatic repertoire here spans four periods of music history. In the Baroque & Classical section, discover the elegance of Bach, the beauty of Mozart and the passion of Beethoven. Through the pages of the Romantic & Impressionistic section, sample the lyricism of Chopin, the drama of Grieg, and the atmosphere of Debussy.

May the melodies of these and many other composers open an enduring world of expression and sound.

The British Catalogue of Music Alfred Music Publishing

Originally compiled and edited by Louis Kí_hler, this edition contains some of the most popular keyboard sonatinas, rondos and other works (including symphonic transcriptions) of Beethoven, Clementi, Haydn, Kuhlau and Mozart, among others. In clarifying this edition, editor Allan Small has removed impractical fingerings and unnecessary accidentals found in other editions.

Musical News Scarecrow Press

"This book presents music titles in which the organ is part of a chamber ensemble. Alphabetized by composer, entries contain the bibliographical information for each title and a brief commentary or

description, as well as information on the level of difficulty, timing, mood, fingerings/pedalings, and other performance aids. The selections are suitable for concerts and religious services and are written in a variety of styles, from Baroque to contemporary." "This catalogue will be of interest to church organists searching for a piece for organ and brass appropriate for Easter, visiting instrumentalists choosing music for a Sunday service, teachers introducing their organ students to the experience of accompanying a violin, and instrumentalists seeking a composition to play with the organ, among many others." -BOOK JACKET. Songs include: All of Me * Brave * Crazy * Danny Boy * Edelweiss * Fur Elise * Hallelujah * It's a Small World * Lean on Me * Music Box Dancer * The Pink Panther * Sing * This Land Is Your Land * Unchained Melody * You Raise Me Up * and more.

Masters of Russian Song: Twenty-five songs by Moussórgsky Alfred Music

This famous "Trumpet Tune and Air" was originally written for keyboard but seems like it was meant for a more grand orchestration! The somber, minor Air is sandwiched between the celebratory Trumpet Tune. The repeats have been removed on the return to the Trumpet Tune as the work drives to a joyous conclusion.

Kenneth Leighton, best known for his organ and sacred choral music, was a composer of great depth and talent who wrote a significant body of works. Many of those works were written for large orchestras and a significant number of pieces of chamber music were composed for a variety of instrument groupings, as well as for instrumental solos. Anyone interested in 20th-century music as well as British and Scottish Cathedral music will find a wealth of works listed with a description of each. Anyone interested in 20th-century music as well as British and Scottish Cathedral music will find a wealth of works listed with a description of each. This volume begins with a brief biography of Leighton and is followed by an alphabetical listing of works and performances. Also included is a discography and a bibliography of articles, reviews, books, and dissertations. The last section is a chronological list of compositions. Smith helps us to realize that Kenneth Leighton was an extraordinary composer of 20th-century music with a varied body of works and also a virtuoso pianist of some note.

Organ Voluntaries Alfred Music Publishing

Annotated bibliography of the Arthurian legend in modern English-language fiction, not only in literary texts, but in television, music, and art. The legend of Arthur has been a source of fascination for writers and artists in English since the fifteenth century, when Thomas Malory drew together for the first time in English a variety of Arthurian stories from a number of sources to form the Morte Darthur. It increased in popularity during the Victorian era, when after Tennyson's treatment of the legend, not only authors and dramatists, but painters, musicians, and film-makers found a source of inspiration in the Arthurian material. This interdisciplinary, annotated bibliography lists the Arthurian legend in modern English-language fiction, from 1500 to 2000, including literary texts, film, television, music, visual art, and games. It will prove an invaluable source of reference for students of literary and visual arts, general readers, collectors, librarians, and cultural historians--indeed, by anyone interested in the history of the ways in which Camelot has figured in post-medieval English-speaking cultures.
