## Press

Help learners build a deep understanding of sociological concepts by exploring links between global topics such as identity, family and culture. Varied activities support the development of key research and analysis skills, as learners apply what they have learnt to real-world scenarios. Written with English as second language learners in mind, this coursebook includes key word definitions and opportunities for learners to check their understanding.

Suitable for the Cambridge IGCSE(TM) and O Level Sociology syllabuses (0495/2251) for examination from 2025. Answers are available to teachers via Cambridge GO.

Cambridge IGCSE® First Language English Language and Skills Practice Book Cambridge University Press

The second edition of Ken Browne's highly successful Introducing Sociology for AS-level provides in-depth and up-to-date coverage of the complete specification for AQA AS-level sociology. The first edition of this book was widely

praised for its comprehensive coverage, and student-friendly style. In this second edition, all of the chapters have been revised to include new studies, reports and statistics. Key sociological terms are now systematically highlighted all the way through the book, and included in a comprehensive glossary, with fresh questions and activities added to develop and test students' understanding further. Fuller consideration of issues of identity has been given throughout the text. More detailed advice has been provided on coursework, including a top-mark example to show students exactly what they have to do to achieve the highest grades. What's more,

two authentic exam questions are now included on every topic. Pitched at exactly the right level for AS sociology, the book provides all the tools necessary to help students achieve top grades, and a sound basis for progression to A2. A host of cartoons, photographs, graphs, tables, and spider diagrams help to enliven the text, as well as reinforcing key issues. Web sites and web-based activities are included throughout, encouraging students to engage with the most recent social changes, and developments in sociology. Although it assumes no previous knowledge of sociology, its dedicated and in-depth coverage of all the AQA's AS

topics provides a useful reference tool for the synoptic elements at A2. The second edition of *Introducing Sociology for AS Level* combines sociological rigour and accessibility in a way unrivalled by any other book at this level. It will be an invaluable resource to anyone following the AQA specifications.

**Cambridge IGCSE  
Travel and Tourism**

Cambridge University  
Press

Comprehensive student-friendly resources designed for teaching Cambridge International AS and A Level English Language (syllabus 9093). The core aim of this Coursebook is to help students to develop and apply the key skills they need to achieve in AS and A Level English Language. They will

build the skills needed for assessment through frequent activities. Divided into two distinct parts for AS and A Level studies, the book covers a wide range of reading skills, such as understanding aspects of style, voice and tone. It also addresses the conventions of key kinds of writing and spoken language, from scripted speeches to travel articles, and looks at how they can capture these conventions in their own work.

Synopsis coming  
soon.....

Secondary Social  
Studies for Pakistan  
Cambridge University  
Press

Have you ever wondered what jobs we will do in the future, or why some brands of shoes cost more than others? Explore these and many other questions as you begin your study of economics. Working in groups and on your

own, you'll learn to make judgements and see how economics connects with your life. You can use this book alongside the coursebook for extra support or as perfect preparation before Cambridge IGCSE or O Level Economics. Answers are at the back of the book, giving teachers the option to set it as summer work before students start studying economics.

Thoroughly revised and fully updated, An Introduction to Sociology gives concise yet comprehensive coverage of all the topics specified by the GCSE examining boards. The second edition was described by the AQA's Chief Examiner for GCSE Sociology as establishing 'the standard for textbooks at this level' - this new edition builds on the book's existing achievements. New

material is found throughout the book, including substantive new sections on gender, identity, citizenship, education, new social movements, poverty and the welfare state, religion, the mass media, work and leisure, and population. The book has been carefully designed to support and extend students' learning. Each chapter begins with a summary of the key issues to be covered, and goes on to highlight important terms, which are then explained in a clear glossary. Summaries at the end of each chapter, a lively range of new activities and discussion points, the use of websites, as well as helpful suggestions for coursework, all add to the book's value as a learning and

teaching resource. Student-friendly cartoons, tables, diagrams, and photographs - and the re-designed internal lay-out - also enliven the text, making sociology seem exciting and relevant to students of all interests and abilities. The new edition of this highly successful textbook will prove invaluable to anyone taking an introductory sociology course, especially at GCSE and related levels. Students taking AS and A-level - as well as Access, nursing, and health and social care courses - will also find the book provides an easy and fun introduction to studying sociology.

Introducing Sociology for AS Level Polity Cambridge IGCSE Computer Science Revision Guide follows the Cambridge IGCSE (0478) and Cambridge O Level (2210) Computer Science syllabuses, matching the syllabus for examination from 2015. The book instils confidence and thorough understanding of the topics learned by the students as they revise for examinations, and is written in a clear and straightforward tone to assist learning concepts and theories. This revision guide is endorsed by Cambridge International Examinations.
