## EVERETT DOMINIK

*Space and Place* Macmillan

Full of surprised to keep enquiring minds entertained, including flaps and spinning wheels. Discover what a cow's day is like, how a farm changes with the seasons and about the different animals and machines that can be found on the farm.

**Peep Inside the Castle** Maze Books

The classic fairy tale brought right up to date for a modern audience with beautiful illustrations and fine laser-cut holes and cutaways which add depth and drama. Young children will love looking at the details in this book - both in the illustrations and in the peep-throughs and flaps - and sharing and talking about it with a grown-up. Second in a new series which takes the format of the bestselling 'Peep Inside' non-fiction series and applies it to much-loved fairy tales.

[Peep Inside a Fairy Tale Cinderella](#) Peep Inside

Peep Inside is the very young children's lift-the-flap information book series, the younger cousin of the Look Inside series which is, in turn, the younger relative of the bestselling See Inside series. With flaps and holes to peep underneath and through, life on a

farm is revealed. Snippets of information are combined with intriguing and stylish pictures.

[Look Inside Our World](#) Usborne

Peep under chunky flaps and through holes in the pages to discover hungry sharks, giant whales, deep-sea jellyfish and even a shy sea dragon. Simple text gives information for young readers, and flaps and peep holes encourage their exploration of the marvellous underwater world. Illustrations: Full colour throughout

[Peep Inside Space](#) Usborne Publishing

Imagine if you could have an adventure in space. What if you could have MILLIONS of them? With this story-building book, you can tell your own space-inspired stories, over and over again. Just read the question and choose from the vibrant pictures on the page to create a new adventure. The book is packed full of fun, silly and exciting things for the reader to choose from, including: Wearing an alien disguise Visiting a planet made of cheese Traveling with a band of singing crickets Bringing your pet rock along for the journey Blasting off in a rocket Meeting a space pirate Once you've finished, you can turn back to the start and make different choices to tell a completely new tale. There are millions of possible combinations and endless stories to be told!

And can you find the cheeky penguin hidden on each page?

**Ask a Manager** Usborne Publishing Limited

Lots of amazing mazes set in space, each one completely different from the one before. Many of the mazes contain extra puzzles to solve and challenges to complete en route, and the mazes get gradually more and more difficult throughout the book, pushing children to develop their problem-solving and visual recognition skills.

**Lift-The-Flap First Questions and Answers Where Do Babies Come From?** Look Inside

Take a trip around the world in this fascinating book. Find out what the Earth is made of, who lives in steamy rainforests, how rivers flow into the sea, and much more.

**Reaching for the Stars** Peep Inside Space

A light-hearted look at space travel, with scenes showing the vastness of space, the inside of a space station, and the surface of the moon, plus hundreds of stickers with which to fill the pages -- with planets, stars, asteroids, astronauts, rovers and lots more. Part of a collectible series, illustrated by Paul Nicholls. Other titles include Cavemen, Ancient Egyptians, Ancient Greeks, Romans, Vikings and Knights and Castles.

**Look Inside a Castle** Peep Inside

Peep inside a plane to discover how it works. Peep into the cockpit, push the throttle and flap down the wheels as you follow the plane on a journey around the world. With lots of flaps to peep under and holes to look through, little ones will enjoy discovering the topic in a hands-on way. There is so much to look at and talk about, from the pilot's controls to the secret bedroom below the cockpit. The first in an exciting new series peeping inside things that go and how they work.

**Peep Inside How a Recycling Truck Works** Peep Inside

From brains and blood to senses and skin - children will love exploring the ins-and-outs of the human body with this fantastic interactive book. Young readers' minds will boggle as they learn about how their brains work, what happens when they eat, how their lungs use oxygen and much more. Full of surprises to keep inquiring minds entertained, including flaps beneath flaps and a peek inside a lavatory cubicle.

**An A to Z Walk in the Park (Animal Alphabet Book)** Wide Eyed Editions

Come and explore a magical land full of mermaids, pugicorns, and more in this enchanting book! With windows to peep through and flaps to flip, there's so much to discover.

**Peep Inside How a Plane Works** Center Street

This is a really hands-on introduction to recycling trucks, full of flaps for little fingers to lift and holes to peep through, an exciting glimpse into the world of recycling for children and adults to share. You can tip open a recycling bin, peep into the hopper to see where the recycling goes and then empty it all out onto the sorting factory floor. Follow the truck's journey from the street to the factory, and find out how recycling is sorted and turned into amazing new things - from loo rolls to playground slides. Children will love lifting the sturdy flaps and peeping through the di-cut holes to find out more about this fascinating process, and adults may learn a bit too! A topic addition to the award-winning Peep Inside series.

**Peep Inside Dinosaurs** Ballantine Books

What's in Space? Where did it come from? And how do we know? From the beginning of time to future space missions, unfold our

amazing universe and see inside its secrets.

**Peep Inside How a Fire Engine Works** Usborne Books

For thousands of years, the Moon has been the one thing in the night sky that everyone anywhere on our planet recognises.

Trace the story of the Moon around the world and through history, from ancient legends about its creation, to its first sighting through a telescope, right up until the Apollo 11 mission and the first Moon landing in 1969.

**Living in Space** Peep Inside

This simple non-fiction book for very young children is filled with facts about space and the universe. Little children can lift the flaps and peek through the holes in the pages to find out lots about space: this interactive introduction to the subject is accurate, playful and approachable. Space is a "hot" topic at the moment and is a fascinating subject that can lead little minds to be more interested about science as a whole.

**Space Maze Book** Wesleyan University Press

Blast off on an outer space adventure with Ollie, Allie, and their dog Yowzer in this innovative board book for junior space explorers. Get ready to blast off for an out-of-this-world adventure with Ollie, Allie, and their dog Yowzer! Each die-cut page in this innovative board book invites young space explorers on a mission to learn about Earth's moon, our solar system, and beyond. Each turn of the fact-filled pages launches readers deeper into outer space on a colorful and fascinating tour of the stars.

**The Sea** Usborne Publishing Limited

An action-packed non-fiction book exploring the inner workings of a fire engine. Nee naw, nee naw! The fire engine is here to save the day. Peep into the cab, roll out the hoses and slide out the ladder to find out how it works. Truck-obsessed toddlers will love all the details to spot, flaps to lift and holes to peep through. An exciting introduction to some of the people who help us.

**Look Inside Your Body** Peep Inside

A very simple non-fiction, lift-the-flap book for small children, packed with holes to peep through, flaps to peep beneath and snippets of factual information about what happens when night falls. Peep Inside is the very young children's lift-the-flap information book series; above that is the Look Inside series for 4+ readers and the See Inside series for slightly older children.

**Yayoi Kusama** Silver Dolphin Books

"Japanese artist Yayoi Kusama's iconic Infinity Mirror Rooms are filled with a multiplicity of lights that reflect endlessly, projecting the illusion of infinite space. Yayoi Kusama: Infinity Mirrors traces these installations over five decades, revealing the ways in which they developed from a strategy of "self-obliteration" and political liberation during the Vietnam War to a means of social harmony in the present. By examining her early unsettling installations alongside her more recent ethereal atmospheres, this volume aims to historicize her pioneering work amidst today's renewed interest in experiential practices"--

**Usborne Book of Night Time** Usborne Books

Take a journey upon a path that winds into a park full of wild and not so wild creatures from A to Z. This picture book is designed to help children learn their ABC's while identifying much of the animal kingdom--there are over 200 animals to explore. In addition to learning the alphabet, this book was created with the idea of how great it would be to read and connect many animals with their names easily in one book! There is even an index!
