 In "THE CROSS AND ITS SHADOW," the type and the antitype are placed side by side, with the hope that the reader may thus become better acquainted with the Saviour. It is not the intention of the author of this work to attack any error that may have been taught in regard to the service of the sanctuary, or to arouse any controversy, but simply to present the truth in its clearness. This is a reprint of an important early Advent book, which explains the sanctuary and its services. -

 William Francis, author of *The Stones Cry Out* (1993), presents a worthy examination of the Jewish feasts and fasts established by God in Leviticus 23 and those inaugurated after the Babylonian

exile. With studied skill Francis first explains the historical background of each feast, then offers its meaning and practice among Jews, and lastly makes clear its significance for modern Christians. The book reveals how Jesus participated in the feasts and how their meaning was fulfilled. The author's numerous visits to Israel and his precise probing for cultural insights into the Hebraic heritage of the Christian Church distinguish Francis as a preeminent voice among contemporary authorities on the Holy Land. Celebrate the Feasts is a valuable and informative book that combines a lucid writing style with careful scholarship, yet it avoids the intrusion of multiple citations and footnotes. Study guides follow each chapter, and a helpful bibliography lists Old Testament feasts in greater depth and detail. Celebrate the Feasts reminds us that uniting in joyful worship nourishes our

souls, our social relationships, and, on occasion, our bodies. As you turn the pages, you will find yourself seated at the banquet table, enjoying the Feasts of the Lord!

*Celebrating Jesus in the Biblical Feasts Expanded Edition* Zola Levitt Ministries Modern-day Christians often bring their own presuppositions and assumptions to the reading of the Bible, not realizing how deeply their understanding of Christ's life and teachings is affected by a 21st-century worldview. In Understanding

Jesus, author Joe Amaral delves deep into Jewish history, societal mores, and cultural traditions, closing the gap created by geographical distance and over two thousand years of history. Using a chronological approach to the life of Christ, he guides the reader through significant events such as Jesus' birth, baptism, and crucifixion, pointing out illuminating details that the Western mind would normally miss. Amaral's premise is that to understand Jesus, we must understand the time and place in which he was born, the background from which he drew his illustrations, and the audience he spoke to. Throughout the book he explores specific terms, places, and events for their significance and shows how they add richness and meaning to the text. Topics include the connection between Jesus and John the Baptist, the annual Feasts and why they are important to modern Christianity, Jewish customs such as foot-washing, clean and unclean foods, paying tribute to political governments, and the significance of various miracles. In Understanding Jesus, Amaral draws back the curtain on a way of life that existed during the reign of the Caesars, and in doing so, reveals truths about the way we live more than two thousand years later, half a world away.

The great religious feasts as described in the Old Testament and Jewish tradition are full of spiritual truth presented in the New Testament, especially as they recreate the symbolic representations of Christ. When those festivals are re-enacted in the Christian home, children have a living picture of Bible principles as exemplified in and through Jesus, the prophesied Messiah. They learn far better by experience than by only hearing. Every Christian family can benefit from understanding the Jewish roots of their faith without becoming enslaved to Jewish traditions.

**Our Father Abraham** Bethany House The clarity, accuracy, and literary grace of the NIV text alongside the teaching of Dr. David Jeremiah creates an interrelationship that is so essential to understanding the complete biblical message and what it says, what it means, and what it means to you. The result is a Bible that can be read and used by all Christians who want to grow in their faith by going deeper into God's Word.

This book tells how God wanted Israel to be holy, and what they were to do when they fell short of His holiness. Through the sacrifices, the priesthood, and the good law of God, the Lord made Israel more like their holy God - and points us to Jesus, God's ultimate Holy One. What do the feasts of the Bible reveal about our place in today's tired world? In short, everything. From Genesis through Revelation, redemptive history is captured through feasts. Through them, God calls his people to commemorate mercy, delight in grace, and commune with him and with each other. In the process, he proves he doesn't ration his rich, soul-satisfying love toward us but instead lets it overflow. Invitations to Abundance brings to life the festivities described in the Bible and illuminates how relevant they remain in a modern world defined by isolation and disillusionment. When your heart needs encouragement, these wondrous celebrations remind you why, where, and how you can find security, unity, and hope. Each chapter seats us at a unique feast

from Scripture—from the well known to the less familiar—and considers how you can respond worshipfully as a partaker of these celebrations. *Invitations to Abundance* shows you how to reciprocate God's initiating kindness and what it means to live knowing God's table is spread before you.

The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book—perhaps his greatest work—is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures." Fully illustrated by charts describing God's plan for humanity, *Dispensational Truth* covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

God created a game - it's called The Game of Life. Planet Earth is the playing field, the 10 love commandments are the rules, and we humans are the players who can win or lose. The game is played by two teams, like the game of football. One team's head coach is Jesus and the other team's head coach is Satan. All of us on earth are playing for one of these two teams! Gabriel Ansley Erb wrote the book "2028 END" in order to fully elucidate God's game clock scenario for The Game of Life as contained in the game's handbook, the Holy Bible. The handbook says, "God declared the end from the beginning" (Isaiah 46:10) by using 7 days in the creation event. Each 24 hour creation day foretold of a future 1,000 year period for a total 7,000 year plan God had for The Game of Life to be played on planet earth. And amazingly, to confirm this is all true, God hid a secret prophesy in each creation

day foretelling the greatest event He had planned to occur in that day's future millennium! Consequently, Creation day 1 foretold Adam & Eve's fall, which was fulfilled during earth's 1st millennium. Creation day 2 foretold Noah's global flood, which was fulfilled during earth's 2nd millennium. Creation day 3 foretold Moses' Red Sea parting, which was fulfilled during earth's 3rd millennium. Creation day 4 foretold of John the Baptist & Jesus Christ, and so they lived and died during earth's 4th millennium. And the prophecies continue with each Creation day! Gabriel proves all of the above, carefully revealing the prophetic Scriptures as well as the fulfillment Scriptures. Then he reveals a dozen Scriptures proving Christ died earth's 4,000 year and will return earth's 6,000 year. Finally, he proves Christ died Feast of Passover AD 28 and will return Feast of Trumpets 2028. For those who read this book, it is an open and shut case: The Game of Life will end 2,000 years from the year of Christ's death on the cross - AD 2028.

Only God, Who is all knowing and all powerful, could bring these seven appointments with Israel to fruition. This in-depth study is based upon an inductive Bible investigation rather than rabbinical and traditional sources. Three unique aspects of each feast are demonstrated: a portrayal in vivid detail of the seven mountain-top historical appointments between God and the nation of Israel in the past, present, and future; simple but clear pictures of seven key spiritual events in every believer's life; and an understanding of where we are in the timing of God's plan for history. Andrew Bonar, in his classic commentary on Leviticus rightly notes: "It is beautifully supposed by some, that Israel's feasts represent the Course of Time this earth's days, from creation down to the final end. The Lamb slain (Passover) commences it, and the eighth day of the happy Feast of Tabernacles is its close; while the Sabbath, the rest God's rest in himself, and his creatures' rest around him both precedes and follows this Course of Time."
