HOLDEN JANIYAH

Tattoo Coloring Book B.E.S. Publishing

For anyone who has ever felt like they don't belong, Sigh, Gone shares an irreverent, funny, and moving tale of displacement and assimilation woven together with poignant themes from beloved works of classic literature. In 1975, during the fall of Saigon, Phuc Tran immigrates to America along with his family. By sheer chance they land in Carlisle, Pennsylvania, a small town where the Trans struggle to assimilate into their new life. In this coming-of-age memoir told through the themes of great books such as *The Metamorphosis*, *The Scarlet Letter*, *The Iliad*, and more, Tran navigates the push and pull of finding and accepting himself despite the challenges of immigration, feelings of isolation, and teenage rebellion, all while attempting to meet the rigid expectations set by his immigrant parents. Appealing to fans of coming-of-age memoirs such as *Fresh Off the Boat*, *Running with Scissors*, or tales of assimilation like Viet Thanh Nguyen's *The Displaced* and *The Refugees*, Sigh, Gone explores one man's bewildering experiences of abuse, racism, and tragedy

and reveals redemption and connection in books and punk rock. Against the hairspray-and-synthesizer backdrop of the '80s, he finds solace and kinship in the wisdom of classic literature, and in the subculture of punk rock, he finds affirmation and echoes of his disaffection. In his journey for self-discovery Tran ultimately finds refuge and inspiration in the art that shapes—and ultimately saves—him.

Tattoo Coloring Book Marshall Cavendish International (Asia)

Angelique Houtkamp is the inspirational Dutch tattoo mademoiselle of the contemporary art world. This fascinating monograph happily traverses the nostalgic, eclectic and beautifully rendered artistic wonderland of Angelique with a strong focus on her fine-art practice. A true celebration of Angelique's vision, charm and talents as a tattoo artist, painter, collector and personality. Wonderful new art, inspiration galore and swoon-worthy photos of Angelique at work and at play. 80 pages full-colour reproductions, essays and commentary.

Colouring Singapore Postcards Clinton Barnes

Tattoo art turned coloring book. Let your inner tattoo artist out on this nautical themed coloring book. Each page can be colored for fun, hung on the wall, or taken in to be tattooed. Who doesn't

love to color, might as well color something fun! From flying whales, pirate ships, to mermaids, there is plenty to keep you coming back for more coloring.

Coloring Postcards Thank You Peter Pauper Press

"Why did you get that tattoo? Every tattoo tells a story, whether the ink is meaningful or the result of a misguided decision made at the age of fourteen, representative of the wearer's true self or the accidental consequence of a bender. These most permanent of body adornments are hidden by pants legs and shirt tails, emblazoned on knuckles, or tucked inside mouths. They are battle scars and beauty marks, totems and mementos. Pen & Ink grants us access to the tattoos of writers Cheryl Strayed, Tao Lin, and Roxane Gay; rockers in the bands Korn, Otep, and Five Finger Death Punch; and even a porn star. But it also illuminates the tattoos of the ordinary people living in our midst--from professors to thrift store salespeople, cafe owners to librarians, union organizers to administrators--and their extraordinary lives. Curated and edited by Isaac Fitzgerald, who sports ten tattoos himself, each story features Wendy MacNaughton's stylish full color illustrations of the tattoos on black-and-white drawings of the bearer's body. At its heart, beneath its colorful skin, Pen & Ink is an exploration of the decision to scar one's self with a symbol and a story"--

Tattoo Darling Get Creative 6

"Polynesian art is a form of humbleness and soothes the mind and soul," says tattoo artist Anthony J. Tenorio. His Pacific island background inspired his passion for the traditional art of tatau, in which each tattoo is filled with symbolism and is composed to relate uniquely to the individual. When Tenorio creates a tatau, he says, "I guide the placement of art on the body with patterns and meanings that relate to their background, culture, past, present, and future. It creates a sense of strength. To have a tatau is so meaningful that it upholds a better vision of their future, thoughts, feelings, and the way they genuinely see things in life." The fifty designs in this coloring book are works of contemporary Polynesian art-Tenorio's individual expressions based on the pattern and symbolism within the art of tatau, passed down to him from mentors and Polynesian elders and drawn from island cultures around the world. "I believe in the meanings for every individual symbol and what it represents, and to put it in a book and show people what I see and express passionately is a true blessing."

Tattoo Coloring Book for Adults Chartwell Books

Evocative and symbolic designs based on the ancient tradition of Polynesian tattoo art. The beauty of Polynesian art is perhaps most evident in the tradition of Polynesian tattooing, which has existed for more than two thousand years and is infused with rich symbolism and spiritual meaning. Roberto Gemori designs tattoos reflecting this tradition, drawing from each person's own history of personal struggles, adversities, and triumphs. In his approach to tattoo art, Gemori takes the meaningful moments of a person's life story and weaves them into a creative design, such that the tattoo itself becomes a form of personal empowerment, representing qualities a person is working to cultivate in their life and challenges they have overcome. The author presents here modern tattoo designs inspired by Polynesian art to color and contemplate for inspiration and transformation. In addition to a short introduction on Polynesian art and symbolism, the book features 42 designs for coloring, each accompanied by a description of the image's unique meaning. Color these stunning designs and discover the depth of Polynesian art!
