This book takes the reader on a delightful journey into Africa and into the world of a little girl called Tippi who tells her unforgettable story on her return from Africa to France at the age of ten. Tippi is no ordinary child. She believes that she has the gift of talking to animals and that they are like brothers to her. Her world is filled with characters like Leon the Chameleon, Abu the elephant whom she calls 'my brother', and leopards, snakes, baboons, lions and ostriches ... 'I speak to them with my mind, or through my eyes, my heart or my soul, and I see that they understand and answer me.' My Book of Africa contains the words of a little girl who has the gift of reaching out and touching the people and animals of Africa. It is beautifully illustrated with over 100 magical photographs taken by her parents, French filmmakers and photographers, Sylvie Robert and Alain Degré.

The Cat in the Hat Beginner Book

Dictionary Fox Chapel Publishing

A wise, affecting novel from the beloved, award-winning author of *Dickens* and *Prince*, *High Fidelity*, and *About A Boy*. New York Times-bestselling author Nick Hornby mines the hearts and psyches of four lost souls who connect just when they've reached the end of the line. *A Long Way Down* is now a major motion picture from Magnolia Pictures starring Pierce Brosnan, Toni Collette, Aaron Paul, and Imogen Poots. Meet Martin, JJ,

Jess, and Maureen. Four people who come together on New Year's Eve: a former TV talk show host, a musician, a teenage girl, and a mother. Three are British, one is American. They encounter one another on the roof of Topper's House, a London destination famous as the last stop for those ready to end their lives. In four distinct and riveting first-person voices, Nick Hornby tells a story of four individuals confronting the limits of choice, circumstance, and their own mortality. This is a tale of connections made and missed, punishing regrets, and the grace of second chances. Intense, hilarious, provocative, and moving, *A Long Way Down* is a novel about suicide that is, surprisingly, full of life.

"The history of Broadway has been written before, but never better....The verbal energy that pours off these pages is enough to transform the hell of...Times Square into a rough-hewn heaven, neon lit and open all night....The only thing wrong with this book is it isn't longer." —NEWSWEEK Nik Cohn ushers readers

along the street he calls "The Heart of the World." producing a book that is a resplendent pageant of New York's high-and-low-life. Among the characters we meet are a golden-tongued cab driver who calls himself a "collector of farces"; a pickpocket with the terrifying gift of impersonating his marks; a heartbreakingly beautiful Dominican tranvestite named Lush Life; strippers; pseudo-prophets; and a disgraced political veteran of the days when the graft was still honest. Conducted by a

writer with the manic energy of a sideshow barker and the full-blooded lyricism of a raucous poet, this is a bebop odyssey along the Great White Way that reaches in implication far beyond the streets of New York to document the ever-evolving mixtures that make up America itself. "A lovely, bracing book, full to bursting with juicy, tasty, rancid life. While making its bawdy way through crowded spaces ... it also travels through modern times ... wondrous." —USA TODAY
