HAYDEN PHILLIPS

The Outsiders Europa Editions UK
Voted America's Best-Loved Novel in PBS's The Great American Read
Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Un viejo que leía novelas de amor Spark Notes
Slavery is back. America, 1962. Having lost a war, America finds itself under Nazi Germany and Japan occupation. A few Jews still live under assumed names. The 'I Ching' is prevalent in San Francisco. Science fiction meets serious ideas in this take on a possible alternate history. Seven Stories Press
A Swiss orphan is heartbroken when she must leave her beloved grandfather and their happy home in the mountains to go to school and to care for an invalid girl in the city.

Read the book that inspired the classic coming-of-age film before it's back onscreen in select theaters this September! From award-winning German author Michael Ende, *The Neverending Story* is a classic tale of one boy and the book that magically comes to life. When Bastian happens upon an old book called *The Neverending Story*, he's swept into the magical world of Fantastica--so much that he finds he has actually become a character in the story! And when he realizes that this mysteriously enchanted world is in great danger, he also discovers that he is the one chosen to save it. Can Bastian overcome the barrier between reality and his imagination in order to save Fantastica? "An instantaneous leap into the magical . . . Energetic, innovative, and perceptive"—*The Washington Post* "A trumpet blast for the imagination."—*Sunday Times*
Nineteen eighty-four

Penguin
Set in the 1920's Jazz Age on Long Island, *The Great Gatsby* chronicles narrator Nick Carraway's interactions with the mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, the beautiful Daisy Buchanan. First published in 1925, the book has enthralled generations of readers and is considered one of the greatest American novels.

The Name of a Bullfighter Alma Books
Antonio José Bolívar Proaño vive en El Idilio, pueblo remoto en la región amazónica de shuar (mal llamados jíbaros), y con ellos aprendió a conocer la selva y sus leyes, a respetar a los animales y los indígenas que la pueblan, pero también a cazar el temible tigrillo como ningún blanco jamás pudo hacerlo. Un buen día decidió leer con pasión las novelas de amor que dos veces al año, le lleva el dentista Rubicundo Loachamín para distraer las solitarias noches de su incipiente vejez. En ellas intenta alejarse de la estupidez de esos codiciosos que creen dominar la selva porque van armados hasta los dientes, pero

que no saben cómo enfrentarse a una fiera enloquecida porque le han matado las crías. Descritas en un lenguaje escueto y preciso, las aventuras y las emociones de Bolívar Proaño difícilmente abandonarán nuestra memoria.

Glencoe Biology, Student Edition Wildside Press LLC
From the acclaimed author of *Suite Française* comes Nemirovsky's third novel, a masterpiece of French literature, available for the first time in Canada. *Le Bal* is a penetrating and incisive book set in early twentieth century France. At its heart is the tension between mother and daughter. The nouveau-riche Kampfs, desperate to become members of the social elite, decide to throw a ball to launch themselves into high society. For selfish reasons Mrs. Kampf forbids her teenage daughter, Antoinette, to attend the ball and banishes her to the laundry room. In an unpremeditated fury of revolt and despair, Antoinette takes a swift and horrible revenge. A cruel, funny and tender examination of class differences, *Le Bal* describes the torments of

childhood with rare accuracy. Also included in this volume is *Snow in Autumn*, in which Nemirovsky pays homage to Chekov and chronicles the life of a devoted servant following her masters as they flee Revolutionary Moscow and emigrate to a life of hardship in Paris.

Against Amazon Tusquets Editores, S.A.

The New York Times bestseller "The Shadow of the Wind" is ultimately a love letter to literature, intended for readers as passionate about storytelling as its young hero." —Entertainment Weekly (Editor's Choice) "One gorgeous read." —Stephen King
Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War, and Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's

seemingly innocent quest opens a door into one of Barcelona's darkest secrets--an epic story of murder, madness, and doomed love.

[Coriolanus \(No Fear Shakespeare\)](#) Houghton Mifflin Harcourt Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, *New York Times*) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows

of *Las Mariposas*—the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, *The New York Times Book Review* "This Julia Alvarez classic is a must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —Los Angeles Times "A magnificent treasure for

all cultures and all time." —*St. Petersburg Times* "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."—*Cosmopolitan.com* [Crecer Entre Líneas](#) Harper Collins Un viejo que leía novelas de amor Tusquets Editores, S.A. [The Story of a Snail Who Discovered the Importance of Being Slow](#) Biblioasis "Since they shot her at point-blank range while she was being kissed, she confused the pain of love with that of death." Rosario Tijeras is the violent, violated character at the center of Jorge Franco's study of contrasts, set in self-destructing 1980s Medellín. Her very name--evoking the rosary, and scissors--bespeaks her conflict as a woman who becomes a contract killer to insulate herself from the random violence of the streets. Then she is shot, gravely wounded, and the circle of contradiction is closed. From the corridors of the hospital where Rosario is fighting for her life, Antonio, the narrator,

waits to learn if she will recover. Through him, we reconstruct the friendship between the two, her love story with Emilio, and her life as a hitwoman.

Rosario Tijeras has been recognized as an admirable continuation of a literary subject that was first treated by Gabriel García Márquez and then by Fernando Vallejo. A work in the Latin American social realist tradition, Rosario Tijeras is told in fast and vibrant prose and with poetic flourish.

To Kill a Mockingbird

Wilkins Farago Pty Limited
The first Hispanic and third woman appointed to the United States Supreme Court, Sonia Sotomayor has become an instant American icon. Now, with a candor and intimacy never undertaken by a sitting Justice, she recounts her life from a Bronx housing project to the federal bench, a journey that offers an inspiring testament to her own extraordinary determination and the power of believing in oneself. Here is the story of a precarious childhood, with an alcoholic father (who would die when she was nine) and a devoted but overburdened mother, and of the refuge a little

girl took from the turmoil at home with her passionately spirited paternal grandmother. But it was when she was diagnosed with juvenile diabetes that the precocious Sonia recognized she must ultimately depend on herself. She would learn to give herself the insulin shots she needed to survive and soon imagined a path to a different life. With only television characters for her professional role models, and little understanding of what was involved, she determined to become a lawyer, a dream that would sustain her on an unlikely course, from valedictorian of her high school class to the highest honors at Princeton, Yale Law School, the New York County District Attorney's office, private practice, and appointment to the Federal District Court before the age of forty. Along the way we see how she was shaped by her invaluable mentors, a failed marriage, and the modern version of extended family she has created from cherished friends and their children. Through her still-astonished eyes, America's infinite possibilities are

envisioned anew in this warm and honest book, destined to become a classic of self-invention and self-discovery. Amazon.com Review Amazon Best Books of the Month, January 2013: Happily, it is becoming a familiar story: The young, smart, and very hardworking son or daughter of immigrants rises to the top of American professional life. But already knowing the arc of Sonia Sotomayor's biography doesn't adequately prepare you for the sound of her voice in this winning memoir that ends, interestingly, before the Yale Law School grad was sworn in as the first Hispanic Supreme Court Justice. Hers is a voice that lands squarely between self-deprecating and proud, grateful and defiant; a voice lilted with bits of Puerto Rican poetry; a voice full of anger, sadness, ambition, and love. My Beloved World is one resonant, glorious tale of struggle and triumph. --Sara Nelson Review "A compelling and powerfully written memoir about identity and coming of age...If the outlines of Justice Sotomayor's life are well known by now, her searching and emotionally intimate

memoir, *My Beloved World*, nonetheless has the power to surprise and move the reader...This account of her life is revealing, keenly observed and deeply felt...This insightful memoir underscores just how well Justice Sotomayor mastered the art of narrative. It's an eloquent and affecting testament to the triumph of brains and hard work over circumstance, of a childhood dream realized through extraordinary will and dedication."

—Michiko Kakutani, *The New York Times* "The book delivers on its promise of intimacy in its depictions of Sotomayor's family, the corner of Puerto Rican immigrant New York where she was raised and the link she feels to the island where she spent childhood summers ...This is a woman who knows where she comes from and has the force to bring you there. Sotomayor does this by being cleareyed about the flaws of the adults who raised her—she lets them be complicated...I've spent my whole life learning how to do things that were hard for me,' Sotomayor tells an acquaintance when he asks whether becoming a

judge will be difficult for her. Yes, she has. And by the time you close *My Beloved World*, you understand how she has mastered judging, too."

—Emily Bazelon, *The New York Times Book Review* "With buoyant humor and thoughtful candor, she recounts her rise from a crime-infested neighborhood in the South Bronx to the nation's highest court. 'I will be judged as a human being by what readers find here,' Sotomayor writes. We, the jury in this case, find her irresistible."

—John Wilwol, *Washingtonian* "Sotomayor turns out to be a writer of depth and literary flair...*My Beloved World* is steeped in vivid memories of New York City, and it is an exceptionally frank account of the challenges that she faced during her ascent from a public housing project to the court's marble palace on First Street." —Adam Liptak, *The New York Times* "You'll see in Sotomayor a surprising wealth of candor, wit, and affection. No topic is off limits, not her diabetes, her father's death, her divorce, or her cousin's death from AIDS. Put the kettle on, reader, it's time for some real talk with Titi

Sonia...The author shines in her passages on childhood, family, and self-discovery. Her magical portraits of loved ones bring to mind Sandra Cisneros's *The House on Mango Street*; both authors bring a sense of childlike wonder and empathy to a world rarely seen in books, a Latin-American and womancentric world."

—Grace Bello, *Christian Science Monitor* "This is a page-turner, beautifully written and novelistic in its tale of family, love and triumph. It hums with hope and exhilaration. This is a story of human triumph." —Nina Totenberg, NPR "Big-hearted...A powerful defense of empathy...She has spent her life imagining her way into the hearts of everyone around her...Anyone wondering how a child raised in public housing, without speaking English, by an alcoholic father and a largely absent mother could become the first Latina on the Supreme Court will find the answer in these pages. It didn't take just a village: It took a country." —Dahlia Lithwick, *The Washington Post* "*My Beloved World*" is filled with inspiring, and surprisingly candid, stories about how the

Supreme Court's first Hispanic justice overcame a troubled childhood to attend Princeton and Yale Law School, eventually earning a seat on the nation's highest court."

—Carla Main, Wall Street Journal "Remarkable...A portrait of a genuinely interesting person."

—Michael Tomasky, Daily Beast "In a refreshing conversational style, Sotomayor tells her fascinating life story with the hope of providing "comfort, perhaps even inspiration" to others, particularly children, who face hard times. "People who live in difficult circumstances,"

Sotomayor writes in her preface, "need to know that happy endings are possible." —Jay Wexler, Boston Globe "Classic Sotomayor: intelligent, gregarious and at times disarmingly personal...A portrait of an underprivileged but brilliant young woman who makes her way into the American elite and does her best to reform it from the inside...I certainly hope My Beloved World inspires readers to chase their dreams."

—Jason Farago, NPR "Vital, loving, and incisive...In this revealing memoir, Supreme Court Justice Sotomayor

candidly and gracefully recounts her formative years. Her memoir shows both her continued self-reliance and her passion for community." —Library Journal (Starred review)

"Justice Sotomayor recounts numerous obstacles and remarkable achievements in this personal and inspiring autobiography...Readers across the board will be moved by this intimate look at the life of a justice." —Publisher's Weekly "Amazingly candid... an intimate and honest look at her extraordinary life and the support and blessings that propelled her forward."

—Booklist (Starred review) "Graceful, authoritative memoir...Mature, life-affirming musings from a venerable life shaped by tenacity and pride."

—Kirkus Reviews The Old Man Who Read Love Stories Scholastic Paperbacks

In a remote Ecuadorean river town, an elderly widower-who finds comfort in reading romance novels brought to him by the visiting dentist-joins in the hunt for an enraged ocelot whose cubs were killed by a gold prospector.

My Beloved World Simon and Schuster

Jack London wrote this celebrated novel in 1903. It's considered one of his best stories and has become one of the world's most popular American classics. The call of the wild is the thrilling story of Buck, a domestic dog from California kidnapped and thrust into the harsh, physical world of the Yukon, a land of danger and ferocity, a land of wolves, blizzards, and treacherous frozen rivers that swallow up entire dog teams. Here is where Buck must learn to survive. He must become as wild and vicious as the wilderness that surrounds him ... or die!

Un viejo que leía novelas de amor

ResumenExpress.com

Meet Pugman, the delightfully grumpy pug dog. The day hasn't started well for Pugman. He's overslept, there's nothing for breakfast and the rain has made his newspaper soggy. Can the day get any worse? Then, out of nowhere, a magical and very cheerful fairy appears. She offers the grumpy Pugman three wishes. Think you now what he'll wish for? You and the fairy are in for quite a surprise?

First Love Novels

Nico, the son of a noted Chilean philosophy professor, witnesses his father's arrest while he is teaching a class. Bettini, the father of Nico's best friend, is a leftist advertising executive who has been blacklisted and is out of work after having been imprisoned and tortured by Pinochet's police. This doesn't stop the ministry of the interior from asking Bettini, who is the best in the business, to come up with a plan for the upcoming referendum designed to say "yes" to Pinochet's next term. But just hours after he has been approached by the right, the head of the opposition makes him the exact same offer. What is Bettini going to do? Put his life on the line or sacrifice his political convictions? Finally he goes with the left. The next hurdle is finding a slogan that would be approved by the sixteen factions that comprise the opposition and who never agree on anything. Whiskey after whiskey, an idea finally emerges. This is a vivacious tale that examines how advertising and politics come

together during the Pinochet regime. But this is also a coming-of-age story where we see through Nico's experience what it means to grow up in a country where nothing is allowed and almost any move can feel like an earnest act of resistance.

The Great Gatsby

Houghton Mifflin Netflix's series adaptation of One Hundred Years of Solitude premieres December 11, 2024! One of the twentieth century's enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of

life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, One Hundred Years of Solitude weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

Snow in Autumn

Houghton Mifflin Harcourt A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and

four days after he first declared his love for again.
Fermina, he will do so
