Stuart Cosgrove
WINNER OF THE PENDERYN MUSIC BOOK PRIZE 2018 In the 1950s and 1960s, Memphis, Tennessee, was the launch pad of musical pioneers such as Aretha Franklin, Elvis Presley, Johnny Cash, Al Green and Isaac Hayes, and by 1968 was a city synonymous with soul music. It was a deeply segregated city, ill at ease with the modern world and yet to adjust to the era of civil rights and racial integration. Stax Records offered an escape from the turmoil of the real world for many soul and blues musicians, with much of the music created there becoming the soundtrack to the civil rights movements. The book opens with the death of the city's most famous recording artist, Otis Redding, who died in a plane crash in the final days of 1967, and then follows the fortunes of Redding's label, Stax/Volt Records, as its fortunes fall and rise again. But, as the tense year unfolds, the city dominates world headlines for the worst of reasons: the assassination of civil rights leader Martin Luther King.

Let the Future Begin Turner Publishing Company

Readers interested in urban studies and recent Detroit history will appreciate this thoughtful assessment of the best practices and obvious errors when it comes to reinventing our cities.

Detroit Then and Now Wayne State University Press

Analysis of the urban riots of the 1960s with a focus on the Detroit riot of 1967.

Dave Jordano returned to his hometown of Detroit to document the people who still live in what has become one of the country's most economically challenging cities. Against a backdrop of mass abandonment through years of white flight, unemployment hovering at almost three times the national average, city services cut to the bone, a real estate collapse of massive proportions, and ultimately filing the largest municipal bankruptcy in U.S. history, Jordano searches for the hope and perseverance of those who have had to endure the hardship of living in a post-industrial city that has fallen on the hardest of times. From the lower Southeast Side where urban renewal and government programs slowly became the benchmark of civic failure, to the dwindling enclaves of neighborhoods like Delray and Poletown (once blue-collar neighborhoods that have all but vanished), Jordano seeks to dispel the popular myth perpetrated through the media that Detroit is an empty wasteland devoid of people. He encounters resolute individuals determined to make this city a place to live, from a homeless man who decided to build his own one-room structure on an abandoned industrial lot because he was tired of sleeping on public benches, to a group of squatters who repurposed long-abandoned houses on a street called Goldengate. Jordano discovers and rebroadcasts a message of hope and endurance to an otherwise greatly misunderstood and

misrepresented city. Detroit: Unbroken Down is not a document solely about what's been destroyed, but even more critically, about all that has been left behind and those who remain to cope with it.

The Detroit Wolverines Oxford University Press

A Black Revolutionary's Life in Labor: Black Workers Power in Detroit by Michael Hamlin with Michele Gibbs is a must read personal narrative of a book for labor activists, students and educators, community organizers and lovers of black history. In this candid narrative Hamlin exposes the horrors of growing up black in America from a Mississippi sharecropper's plantation to Korean War soldier, and ultimately truck driver for the Detroit News and his increasing rage at the system. Hamlin, a key organizer of DRUM and a leader of The League of Revolutionary Black Workers, describes his role in the 1960's and early 1970's when black assembly line workers shut down Chrysler Detroit's Dodge Main and Eldon Road auto plants to protest racial discrimination, safety violations and poor working conditions. The actions spawned a national revolutionary union movement built on black workers power. In documented conversation with Michele Gibbs, political activist, artist and poet, Hamlin offers an inside look at the development of the League and its internal struggles, analyzes historic gains made and lessons learned as they apply to the continuing fight for racial equality by the working class. The book includes a Readers Study Guide, appendices of documents, poetry, artwork and photos pertinent to the period.

(Vocal Selections). Winner of the New York Drama Critics' Circle Award for Best Musical, The Band's Visit is a musical adaptation of the 2007 Israeli film of the same name. This vocal selections folio features 11 vocal line arrangements with piano accompaniment composed by David Yazbek: Answer Me * The Beat of Your Heart * Haled's Song About Love * It Is What It Is * Itzik's Lullaby * Omar Sharif * Papi Hears the Ocean * Something Different * Soraya * Waiting * Welcome to Nowhere.

Blood at the Root Da Capo Press

Tracing two centuries of rise, fall, and rebirth in the heart of downtown Detroit. Downtown Detroit is in the midst of an astonishing rebirth. Its sidewalks have become a dreamland for an aspiring creative class, filled with shoppers, office workers, and restaurant-goers. Cranes dot the skyline, replacing the wrecking balls seen there only a few years ago. But venture a few blocks in any direction and this liveliness gives way to urban blight, a nightmare cityscape of crumbling concrete, barbed wire, and debris. In Dream City, urban designer Conrad Kickert examines the paradoxes of Detroit's landscape of extremes, arguing that the current reinvention of downtown is the expression of two centuries of Detroiters' conflicting hopes and dreams. Kickert demonstrates the materialization of these dreams with a series of detailed original morphological maps that trace downtown's rise, fall, and rebirth. Kickert writes that downtown Detroit has always been different from other neighborhoods; it grew faster than other parts of the city, and it declined differently, forced to reinvent itself again and again. Downtown has been in constant battle with its own offspring—the automobile and the suburbs the automobile enabled—and modernized itself through parking attrition and land consolidation. Dream City is populated by a varied cast of downtown

power players, from a 1920s parking lot baron to the pizza tycoon family and mortgage billionaire who control downtown's fate today. Even the most renowned planners and designers have consistently yielded to those with power, land, and finances to shape downtown. Kickert thus finds rhyme and rhythm in downtown's contemporary cacophony. Kickert argues that Detroit's case is extreme but not unique; many other American cities have seen a similar decline—and many others may see a similar revitalization.

Historic Photos of Detroit Casemate Publishers

From the Underground Railroad to the Model T, the Cultural Center to Motown, *Historic Photos of Detroit* is a photographic history collected from the areas top archives. With around 200 photographs, many of which have never been published, this beautiful coffee table book shows the historical growth from the mid 1800's to the late 1900's of "the Motor City" in stunning black and white photography. The book follows life, government, events and people important to Detroit and the building of this unique city. Spanning over two centuries and two hundred photographs, this is a must have for any long-time resident or history lover of Detroit!

Building the Modern World Haymarket Books

Famous the world over for automobile manufacture and the distinctive sounds of Motown music, Detroit, the Motor City, celebrated its 300th birthday in 2001. "Detroit Then and Now" is a fascinating look at this city's great history, taking historic photographs from the dawn of the camera age and comparing them with full-color photographs of the same scenes today.

Sunset Baby Wayne State University Press

Graffiti crews are willing to risk anything for their art. Called vandals, criminals, even creative terrorists, graffiti artists set out to make their voices heard and alter the way people view the world. But when one crew finishes the biggest graffiti bomb of their careers, the consequences get serious and spark a public debate asking, "Where does art belong?" Kevin Coval is the author of *Schtick*, *L-vis Lives*, the American Library Association "Book of the Year" Finalist *Slingshots: A Hip-Hop Poetica*, and an editor of *The BreakBeat Poets*. Idris Goodwin is a playwright, spoken-word performer, and essayist recognized across mediums by the National Endowment for the Arts, the Ford Foundation, and the Mellon Foundation.

Violence in the Model City University of Michigan Press

Detroit Rock City is an oral history of Detroit and its music told by the people who were on the stage, in the clubs, the practice rooms, studios, and in the audience, blasting the music out and soaking it up, in every scene from 1967 to today. From fabled axe men like Ted Nugent, Dick Wagner, and James Williamson jump to Jack White, to pop flashes Suzi Quatro and Andrew W.K., to proto punkers Brother Wayne Kramer and Iggy Pop, Detroit slices the rest of the land with way more than its share of the Rock Pie. Detroit Rock City is the story that has never before been sprung, a frenzied and schooled account of both past and present, calling in the halcyon days of the Grande Ballroom and the Eastown Theater, where national acts who came thru were made to stand and deliver in the face

of the always hard hitting local support acts. It moves on to the Michigan Palace, Bookies Club 870, City Club, Gold Dollar, and Magic Stick -- all magical venues in America's top rock city. Detroit Rock City brings these worlds to life all from the guys and dolls who picked up a Strat and jammed it into our collective craniums. From those behind the scenes cats who promoted, cajoled, lost their shirts, and popped the platters to the punters who drove from everywhere, this is the book that gives life to Detroit's legend of loud.

Detroit 67 University of Michigan Library

This is the first-ever historical study across all musical genres in any American metropolis. Detroit in the 1940s-60s was not just "the capital of the twentieth century" for industry and the war effort, but also for the quantity and extremely high quality of its musicians, from jazz to classical to ethnic. The author, a Detroiter from 1943, begins with a reflection of his early life with his family and others, then weaves through the music traffic of all the sectors of a dynamic and volatile city. Looking first at the crucial role of the public schools in fostering talent, *Motor City Music* surveys the neighborhoods of older European immigrants and of the later huge waves of black and white southerners who migrated to Detroit to serve the auto and defense industries. Jazz stars, polka band leaders, Jewish violinists, and figures like Lily Tomlin emerge in the spotlight. Shaping institutions, from the Ford Motor Company and the United Auto Workers through radio stations and Motown, all deployed music to bring together a city rent by relentless segregation, policing, and spasms of violence. The voices of Detroit's poets, writers, and artists round out the chorus.

The Wondering Jew powerHouse Books

This innovative collection builds bridges between multiple areas of social activism as well as current scholarship in geography, anthropology, history, and urban studies to inspire communities in Detroit and other cities towards transformative change.

Grit, Noise, and Revolution Wayne State University Press

A celebrated Israeli author explores the roots of the divide between religion and secularism in Israel today, and offers a path to bridging the divide "A thoughtful social, political, and philosophical examination of Judaism. . . . A cogent consideration of the place of religion in the modern world."--Kirkus Reviews Zionism began as a movement full of contradictions, between a pull to the past and a desire to forge a new future. Israel has become a place of fragmentation, between those who sanctify religious tradition and those who wish to escape its grasp. Now, a new middle ground is emerging between religious and secular Jews who want to engage with their heritage--without being restricted by it or losing it completely. In this incisive book, acclaimed author Micah Goodman explores Israeli Judaism and the conflict between religion and secularism, one of the major causes of political polarization throughout the world. Revisiting traditional religious sources and seminal works of secularism, he reveals that each contains an openness to learn from the other's messages. Goodman challenges both orthodoxies, proposing a new approach to bridge the divide between religion and secularism and pave a path toward healing a society torn asunder by extremism.

Young Soul Rebels Wayne State University Press

First in the award-winning soul music trilogy—featuring Motown artists Diana Ross & the Supremes, Smokey Robinson, Marvin Gaye, and others. *Detroit 67* is "a dramatic account of twelve remarkable months in the Motor City" during the year that changed everything (Sunday Mail). It takes you on a

turbulent journey through the drama and chaos that ripped through the city in 1967 and tore it apart in personal, political, and interracial disputes. It is the story of Motown, the breakup of the Supremes, and the damaging clashes at the heart of the most successful African American music label ever. Set against a backdrop of urban riots, escalating war in Vietnam, and police corruption, the book weaves its way through a year when soul music came of age and the underground counterculture flourished. LSD arrived in the city with hallucinogenic power, and local guitar band MC5—self-styled holy barbarians of rock—went to war with mainstream America. A summer of street-level rebellion turned Detroit into one of the most notorious cities on earth, known for its unique creativity, its unpredictability, and self-lacerating crime rates. The year 1967 ended in social meltdown, rancor, and intense legal warfare as the complex threads that held Detroit together finally unraveled. “A whole-hearted evocation of people and places,” *Detroit 67* is “a tale set at a fulcrum of American social and cultural history” (Independent).

The Detroit Project Hal Leonard Corporation

It's 1967 in Detroit. Motown music is getting the party started, and Chelle and her brother Lank are making ends meet by turning their basement into an after-hours joint. But when a mysterious woman finds her way into their lives, the siblings clash over more much more than the family business. As their pent-up feelings erupt, so does their city, and they find themselves caught in the middle of the '67 riots. *Detroit '67* is presented in association with Classical Theatre of Harlem and the National Black Theatre. *Detroit '67* was awarded the 2014 Edward M. Kennedy Prize for Drama Inspired by American History

Motor City Music Wayne State University Press

The Detroit Tigers were founding members of the American League and have been the Motor City's

team for more than a century. But the Wolverines were the city's first major league club, playing in the National League beginning in 1881 and capturing the pennant in 1887. Playing in what was then one of the best ballparks in America, during an era when Detroit was known as the "Paris of the West," the team battled hostile National League owners and struggled with a fickle fan base to become world champions, before financial woes led to their being disbanded in 1888. This first-ever history of the Wolverines covers the team's rise and abrupt fall and the powerful men behind it.

Detroit 67 MIT Press

Edgar Award Finalist: The true story of a serial killer who terrorized a midwestern town in the era of free love—by the coauthor of *The French Connection*. In 1967, during the time of peace, free love, and hitchhiking, nineteen-year-old Mary Terese Fleszar was last seen alive walking home to her apartment in Ypsilanti, Michigan. One month later, her naked body—stabbed over thirty times and missing both feet and a forearm—was discovered, partially buried, on an abandoned farm. A year later, the body of twenty-year-old Joan Schell was found, similarly violated. Southeastern Michigan was terrorized by something it had never experienced before: a serial killer. Over the next two years, five more bodies were uncovered around Ann Arbor and Ypsilanti, Michigan. All the victims were tortured and mutilated. All were female students. After multiple failed investigations, a chance sighting finally led to a suspect. On the surface, John Norman Collins was an all-American boy—a fraternity member studying elementary education at Eastern Michigan University. But Collins wasn't all that he seemed. His female friends described him as aggressive and short tempered. And in August 1970, Collins, the “Ypsilanti Ripper,” was arrested, found guilty, and sentenced to life in prison without chance of parole. Written by the coauthor of *The French Connection*, *The Michigan Murders* delivers a harrowing depiction of the savage murders that tormented a small midwestern town.
