### **The Flower Yard** Ballantine Books

This invaluable book expands the traditional notion of the cutting garden and shows how any part of the garden landscape can provide a wealth of fresh flowers and foliage for glorious year-round arrangements. Plant lists, suggested reading and bibliography, sources. Over 200 full-color photos. *Grow Your Own Cut Flowers* Kyle Books *Grow Your Own CUT FLOWERS* distills everything Sarah Raven has learnt in five years of testing and cultivating the best possible cut flowers for growing at home. If you want to grow your own cut flowers, there could be no better guide in the world. The book ties-in with an eight-part five-minute mini-series on *Gardeners World* in spring 2002. *Grow Your Own CUT FLOWERS* is for the flower arranger who wants to grow their own flowers, but has never gardened before, and for the gardener who knows how to grow their own flowers, but wants ideas to fill a house with their harvest. It demystifies the world of floristry, giving away all the insiders' tips on sowing seed, conditioning flowers and making simple, but stylish arrangements a tied bunch, a large vase, a table centre and more elaborate party flowers. No

alarming terms, complex procedures or slabs of wordy text here *Grow Your Own Cut Flowers* is written more like a cookery book with recipes than a traditional gardening book. Illustrated with over 250 striking colour photographs by Jonathan Buckley, *Grow Your Own Cut Flowers* is stylish and inspirational as well as practical and accessible. THE AUTHOR WILL UNDERTAKE TO AMERICANIZE THE TEXT FOR ANY CO-EDITIONS.

*The Bold and Brilliant Garden* Laurence King Publishing

The Times Best Gardening Books of the Year 2021 'The Flower Yard is simply gorgeous. Inspirational, sumptuous and packed with refreshingly down-to-earth advice. I love this book.' Nigel Slater 'The Kew-trained king of the small-space garden.' Guardian Arthur Parkinson's town garden is like a path of pots, a tiny, exposed stage on bricks. Despite its small size, a flower-filled jungle in Venetian tones is grown here each year, in defiance of urbanisation. The plants act like drapes, closing gently as their growth engulfs the front door, from either side of the path, to the buzz of precious bees. This is gardening done entirely in pots, yet on a grand scale that will inspire anyone who wants their doorstep or patio to be a glamorous and lively canvas that nurtures them visually and mentally. From jewel scatterings of crocus, flocks of parrot tulips and scented sweet peas to galaxies of single dahlias, towering giraffes of amaryllises grown inside for winter and endless vases of cut blooms through the seasons. With his bantam hens at his feet, Arthur shares his life, knowledge, flair and influences for planting creatively, all of which combine to create a space that's rich in ever-changing colour and life.

Discover Rachel Ashwell's floral inspirations and the unique touch she brings to interiors in her first book dedicated to flowers, a deeply-held passion come to life. Flowers and floral decoration are at the core of Rachel Ashwell's world and her designs. From her showcase rose garden in California, she set out with photographer Amy Neunsinger to capture the full-blown

romance of the quintessential English country house, the dramatic colorways of northern Europe, and the faded opulence of a Parisian apartment. This is the story of that magical journey, which takes us through a variety of beautiful spaces large and small, some ornate and others simple. Every aspect of floral accents is showcased, from wallpaper to fabrics, floors to ceilings, architectural details, lighting and, of course, flower arrangements, some breathtaking and some simple... but all beautiful in their own right.
