Create stunning works of mosaic art with stickers! This distinctive poly-art paint by sticker book for kids ages 6-10 features a collection of 10 geometric designs of majestic horses. Using anywhere from 60-100 colored stickers for each horse pattern, place them in the appropriate spot according to its numbered section and watch as the geometric shapes transform into beautiful, crystalized designs. Also included are fun facts to learn more about amazing horses as kids bring them to life! An entertaining, hands-on activity for kids, this sticker painting book offers an excellent opportunity for developing their focus and attention span. Designs are printed on thick, perforated pages that can easily detach to be displayed or gifted once a painting is completed.

What are the silliest things that YOUR horse does? Does your horse hang his tail over the stall gate to poop in aisle? Does he dip his hay in his water bucket and sploosh it all over? Does he open his stall and then set his pals loose, too? All those who ride and keep horses have tons of great stories of the hilarious habits of our horses. This book is dedicated to that fact: HORSES ARE SILLY! (Which only makes us love them all the more!) In this coloring book, equestrian sports artist Ellen Sallas drew the funniest quirks collected from her horse friends and then provided a quote from the horse owners to match. I wonder if you'll find your silly horse among them! 30 hand-drawn original art coloring pages plus bonus horse art at the end from Ms. Sallas's other Equestrian Coloring Books. Be sure to click the author's profile to see all 14 (and counting) horse coloring books drawn ESPECIALLY FOR EQUESTRIANS. No matter what discipline you ride, you will see the difference in the artwork when it comes from a fellow rider! GRAB A COPY for yourself or a riding friend, & let's color & giggle!

Big Book of Horses to Color Yearling

After creating the first volume of "The Amazing World of Horses", I was inspired to create the "Midnight Edition". This edition is made with black or dark backgrounds to intensify the beautiful shape and form of each horse. Now you can focus on the colors of the horse and designs without using up your black mediums to fill in background space. So go to your favorite horse (or pegasus) page and release that inner artist. Happy Coloring!

The Secret Horses of Briar Hill Courier Corporation

Captivating photographs and stories of the wild horses of the west. Take an intimate look at the majestic equines who roam the public lands of the Mountain West: Wild Horses of the West provides a front row seat to a world rarely glimpsed by most people. Stories highlight specific horses known in these areas as The Old Man, One-Ear, and the Cremello Brothers whom the photographer, Jan Drake, has been following with her camera for years. More than 200 color photographs are divided into sections including Family Bands, Mares & Foals, Fighting Mustangs, Stallions & Bachelors, and Cedar Mountain Mustangs. Jan Drake is a long-time photographer based in Park City, Utah. She oversees the equestrian center at the National Ability Center (NAC) where adaptive horseback riding, trail riding, equine-assisted learning, and hippotherapy is made available to all ages and abilities. As an annual fundraiser for the NAC, Drake guides private groups on photography excursions to see wild horses of the West up close. She also volunteers regularly with the nonprofit Intermountain Wild Horse and Burros Advisors. This is her first book.

From the bestselling artist of Creative Cats come these 31 majestic, full-page illustrations. Marjorie Sarnat portrays horses as symbols of beauty, romance, and freedom in images of breathtaking breeds with flowing manes, draped with garlands, running through fields of wildflowers and along the shore, and in other idyllic settings. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, Dream Horses and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.

Intro to Show Jumping Trafalgar Square Books

In Show Horses, young children will read thrilling narratives of highly skilled horses and their riders competing in national and international events of prowess. Show Horses details the different breeds of horses suited for various competitive events, and explains how horses and riders working together will win such competitions as dressage, jumping, and three-day eventing. Students also will learn how horses are selected for shows as they follow them through training to their first day in the show ring before an audience. Action photos and a rich narrative text emphasize the unique relationship forged between a horse and rider that produces a winning team.

CP Horses Storey Publishing

Horse Speak is not a training method or technique—it is a practical system for “listening” and “talking” to horses in their language, instead of expecting them to comprehend ours. Horse Speak can be used by anyone who works with horses, whether riding instructor, colt starter, recreational rider, or avid competitor. It promises improved understanding of what a horse is telling you, and provides simple replies you can use to tell him that you “hear” him, you “get it,” and you have ideas you want to share with him, too. The result? Time with your horse will be full of what horse trainer and equine-assisted learning instructor Sharon Wilsie of Wilsie Way Horsemanship calls Conversations, and soon the all-too-common misunderstandings that occur between horse and human will evolve into civil discussions with positive and progressive results! Learn Horse Speak in 12 easy steps; understand equine communication via breath and body language; and discover the Four Gs of Horse Speak: Greeting, Going Somewhere, Grooming, and Gone. Practice regulating your intensity, and sample dozens of ready-made Conversations with your horse, as step-by-step templates and instructional color photographs walk you through the eye-opening process of communicating on a whole new level.

Colorists and horse lovers of all ages will treasure this splendid tribute to horses of the world. Illustrator John Green, a specialist in realistic depictions of animals, excels at drawing horses. This collection of his best equine images features draft animals as well as sporting creatures — thoroughbreds, mavericks, coach horses, show horses, polo ponies, and many other magnificent steeds. Informative captions offer accurate background information on each image.

Wild Horses of the West Dover Publications

"Thought-provoking...A lovely testament to horses and women from all walks of life." —Chicago Tribune In a phenomenon too prevalent to be mere chance, little girls all over the Western world wake one day to find themselves completely taken over by the love of all things equine. Melissa Holbrook Pierson was one of those horse-crazy girls who later returned to riding with a new appreciation for the nature of horses. Melding memoir, sociology, history, anecdote, and a bit of prose poetry, *Dark Horses and Black Beauties* delves beneath the shallow hypotheses explaining women's connection to horses to look at how this communication with another animal opens us up to a new apprehension of the larger "natural" world.

Horse Speak: An Equine-Human Translation Guide Nobrow Press

Featuring 40 line art designs of gorgeous horses from around the world, this coloring book for kids is the perfect outlet to express their creativity with their favorite animal! Fun facts complement each illustration for an added element of delight, from the American Quarter horse, American paint horse, and Scottish Clydesdale to warmbloods, Icelandic horses, stallions, and many other beautiful horse breeds. Designs are printed on a single side of high-quality paper with perforated edges for easy removal and display.

What Horses Really Want Storey Publishing

Riding Home: The Power of Horses to Heal, Horse Nation's must read book of 2016, is the first and only book to scientifically and experientially explain why horses have the extraordinary ability to emotionally transform the lives of thousands of men, women and children, whether they are horse lovers, or suffering from deep psychological wounds. It is a book for anyone who wants to experience the joy, wonder, self-awareness and peace of mind that comes from creating a horse/human relationship, and it puts forth and clarifies the principles of today's Natural Horsemanship (or what was once referred to as "Horse Whispering") Everyone knows someone who needs help: a husband, a wife, a partner, a child, a friend, a troubled teenager, a war veteran with PTSD, someone with autism, an addiction, anyone in emotional pain or who has lost their way. Riding Home provides riveting examples of how Equine Therapy has become one of today's most effective cutting-edge methods of healing. Horses help us discover hidden parts of ourselves, whether we're seven or seventy. They model relationships that demonstrate acceptance, kindness, honesty, tolerance, patience, justice, compassion, and forgiveness. Horses cause all of us to become better people, better parents, better partners, and better friends. A horse can be our greatest teacher, for horses have no egos, they never lie, they're never wrong and they manifest unparalleled compassion. It is this amazing power of horses to heal and teach us about ourselves that is

accessible to anyone and found in the pages of Tim Hayes's Riding Home. The information and lists of therapeutic and non-therapeutic equine programs, which are contained in the book, are also available at the book's website.

Horses of the World Gibbs Smith
