A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

*Heart of Darkness* is often considered the world's best short novel. The book serves as a bridge between the 19th century and modernism, an adventure tale revolving around the ambiguity of themes such as truth, morality, and evil. Joseph Conrad witnessed the European exploitation of the Congo with his own eyes. He once sailed up the Congo River himself to locate a countryman at a trading station deep within the country - even though this man wasn't named Kurtz. The goal and

enigma of the journey have become synonymous with this name, one of the most unforgettable fictional characters of our time. JOSEPH CONRAD [1857-1924] was born in Ukraine to Polish parents, went to sea at the age of seventeen, and ended his career as a captain in the English merchant navy. His most famous work is the novella Heart of Darkness [1899], adapted into a film by Francis Ford Coppola in 1979 as Apocalypse Now.

A teacher's job is to create an environment where our students' engagement in learning proceeds towards an intended direction. In order for this to occur, we must form a bridge between the teaching of material in the classroom and how the learning of that information is being processed and manipulated by our students. The only way we can do this effectively is through the process of assessment. Recent theoretical history on how to effectively establish and implement assessment strategies into policy has caused much confusion; it is high time to consider how assessment, marking and feedback have changed over the years so that conversations about how best to move forward can begin. In this researchED Guide to Assessment, Sarah Donarski brings together chapters by Dylan Wiliam, Tom Sherrington, Alison Peacock and many others to consider the debates, critique the strategies and find solutions that not only better the progress of pupils but also assist the wellbeing and manageability of workload for staff.

**The Merchant of Venice** Houghton Mifflin Harcourt

The tragedy "Romeo and Juliet" is one of the most famous plays written by the English author, William Shakespeare. It's one of the most famous love-themed tragedies ever. It was the first tragedy ever written by Shakespeare. He wrote it in 1593 after completing his two comedies, which are less known nowadays. The piece was written during the first phase of his career as a writer. It was inspired by a commonly known legend about two lovers from Verona, who ended their lives tragically because of love. Even Dante mentioned the tragedy of the families Montague and Capulet in his Divine Comedy, in part referring to the Purgatory. Additionally, there are records pointing to the fact that it was a historical event from 1303. Also, the love story was mentioned in work called "History of Verona," which was printed in the period around 1595. Several authors used the motif of a tragic couple of Verona in their works before Shakespeare; however, Shakespeare's version remained the most famous one. The tragedy tells the story about two young people that fall in love with each other, despite the animosity between their families that are consumed by hatred and rivalry. Their love seems impossible at first, but they get married secretly. In the course of various conflicts occurring between the two families, Romeo murders Juliet's cousin and thus has to leave the country. However, he remains in hiding, not to leave Juliet behind. Juliet's parents want to marry her to a prominent nobleman, but she would rather die than violate her love and marriage with Romeo. She receives help again from the priest who married them. He gives Juliet a potion that would put her to sleep but not kill her, so that her family would think she is dead, setting her free. The priest sends the message to Romeo, telling him that Juliet is alive. However, the message never reaches him. After hearing about Juliet's death, Romeo arrives at her tomb, where he takes his life by drinking poison because he sees no sense in living a life without Juliet. Upon that, Juliet wakes up and tries to drink the last drops of poison from Romeo's lips to die, but when she sees that it is not enough, she takes a dagger and commits suicide. Both families then realize that their irrational hatred took the lives of young people, but it failed to stop true love, which is the sole morality of the story. This tragedy is the source of several timeless sentences that remain quoted to this day. Among them is the most famous one: "O Romeo, O Romeo, wherefore art thou Romeo?" It is as if Juliet almost curses her fate for falling in love with Romeo, yet it does not stop her from loving him. The balcony scenes in which Romeo declares his love to Juliet have remained a synonym to romantic declarations of love to this day, and all love stories are compared to this very one, known as the greatest love story ever. The Tragedy of Romeo and Juliet was written in pentameter. The introduction was written in the form of the Shakespearean sonnet, comprised of 14 lines.
