**Lisa, Bright and Dark** Simon and Schuster

Chappie is a punked-out teenager rejected by his mother and abusive stepfather. Out of school and in trouble with the police, he drifts through crash pads, dooper squats, and malls until he finally settles in an abandoned school bus with Rose, a seven-year-old child, and I-Man, an exiled Rastafarian who will dramatically change his life. Together they begin an amazing journey...

*The Story of Alice* Belknap Press

NEW YORK TIMES BESTSELLER • A gorgeously written novel that weaves class, wealth, race, and fate into a brilliant portrait of a first lady—from the author of *Rodham* and *Eligible* “Terrific . . . an intelligent, bighearted novel about a controversial political dynasty.”—*Entertainment Weekly*

NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR: *Time* • *People* • *Entertainment Weekly*

A kind, bookish only child born in the 1940s, Alice Lindgren has no idea that she will one day end up in the White House, married to the president. In her small Wisconsin hometown she learns the virtues of politeness, but a tragic accident when she is seventeen shatters her identity and changes the trajectory of her life. More than a decade later, when the charismatic son of a powerful Republican family sweeps her off her feet, she is surprised to find herself admitted into a world of privilege. And when her husband unexpectedly becomes governor and then president, she discovers that she is married to a man she both loves and fundamentally disagrees with—and that her private beliefs increasingly run against her public persona. As her husband’s

presidency enters its second term, Alice must confront contradictions years in the making and face questions nearly impossible to answer. NAMED ONE OF THE BEST BOOKS OF THE YEAR: *The New York Times Book Review* • *Chicago Tribune* • *NPR* • *Rocky Mountain News* • *St. Louis Post-Dispatch* • *The Washington Post Book World*

**O Frabjous Day!** Macmillan

A frank, streetwise “Our Bodies, Ourselves” for young men and women, this guide answers the questions young people are asking--about sexuality, drugs, alcohol, fitness and nutrition, and much more.

*Rule Of The Bone* Vintage Canada

The author offers sixty-two short reflections on self-acceptance and staying positive with oneself.

**The “go Ask Alice” Book of Answers**

Simon and Schuster

Presents the text of Alice Walker’s story “Everyday Use”; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author.

*Bad Romance* Createspace Independent Publishing Platform

“Unmask Alice by Rick Emerson goes a long way to showing what investigative journalism could be in the right hands . . . this book is undeniably buzzworthy.”

—*Portland Book Review* “An absorbing

and unnerving read . . . this book

demands to be finished in one sitting.”

—*Booklist* “One of the must-read books of this century.” —*Gillian Flynn*, #1 *New York Times* bestselling author of *Gone Girl*

Two teens. Two diaries. Two social panics. One incredible fraud. In 1971, *Go Ask Alice* reinvented the young adult genre with a blistering portrayal of sex, psychosis, and teenage self-destruction. The supposed diary of a middle-class

addict, *Go Ask Alice* terrified adults and cemented LSD's fearsome reputation, fueling support for the War on Drugs. Five million copies later, *Go Ask Alice* remains a divisive bestseller, outraging censors and earning new fans, all of them drawn by the book's mythic premise: *A Real Diary*, by Anonymous. But Alice was only the beginning. In 1979, another diary rattled the culture, setting the stage for a national meltdown. The posthumous memoir of an alleged teenage Satanist, Jay's *Journal* merged with a frightening new crisis—adolescent suicide—to create a literal witch hunt, shattering countless lives and poisoning whole communities. In reality, *Go Ask Alice* and Jay's *Journal* came from the same dark place: Beatrice Sparks, a serial con artist who betrayed a grieving family, stole a dead boy's memory, and lied her way to the National Book Awards. *Unmask Alice: LSD, Satanic Panic, and the Imposter Behind the World's Most Notorious Diaries* is a true story of contagious deception. It stretches from Hollywood to Quantico, and passes through a tiny patch of Utah nicknamed "the fraud capital of America." It's the story of a doomed romance and a vengeful celebrity. Of a lazy press and a public mob. Of two suicidal teenagers, and their exploitation by a literary vampire. *Unmask Alice* . . . where truth is stranger than nonfiction.

**The Silent Patient** Harper Collins  
 "A rare, no-holds-barred documentation of an American teenager's life."  
 —Publishers Weekly Told through the actual diary entries of a real teenage girl, *Dear Nobody* chronicles Mary Rose's struggles with drug addiction, bullying, and a deadly secret in this raw, authentic book. Her story will inspire you—and remind you that you're not

alone. They call me a freak. I'm sick of it. It makes me want dangerous, bad things. Drugs—hard drugs—and people who are bad for me, but I don't care, because I'm so lonely and no matter what their intentions are at least they're talking to me... They say that high school is supposed to be the best time of your life. But what if that's just not true? More than anything, Mary Rose wants to fit in. To be heard. To be loved. And she'll do whatever it takes to make that happen. Even if it costs her her life. Compelling and unflinchingly honest, *Dear Nobody* is perfect for readers looking for: contemporary young adult nonfiction true stories about drug addiction books like *Go Ask Alice* and *Lucy in the Sky* stories that spark conversation about issues teens face

**Don't Ask Alice** The O'Brien Press  
 A moving and insightful collection of quotes, memories, and images celebrating the life of Anthony Bourdain When Anthony Bourdain died in June 2018, the outpouring of love from his fans around the world was momentous. The tributes spoke to his legacy: That the world is much smaller than we imagine and people are more alike than they are different. As Bourdain once said, "If I'm an advocate of anything, it's to move...Walk in someone else's shoes or at least eat their food." *Anthony Bourdain Remembered* brings together memories and anecdotes from fans reminiscing about Bourdain's unique achievements and his enduring effect on their lives as well as comments from chefs, journalists, filmmakers, musicians, and writers inspired by Tony including Barack Obama, Eric Ripert, Jill Filipovic, Ken Burns, Questlove, and José Andrés, among many others. These remembrances give us a glimpse of Tony's widespread impact through his

political and social commitments; his dedication to travel and eating well (and widely); and his love of the written word, along with his deep compassion, open-mindedness, and interest in lives different from his own. Anthony Bourdain Remembered captures Tony's inimitable spirit and passion in the words of his devoted fans as well as some of his closest friends and colleagues.

Words from a Wanderer Ecco

Feeling like she does not fit in with the other members of her family, who are all thin, brilliant, and good-looking, fifteen-year-old Virginia Shreves tries to deal with her self-image, her first physical relationship, and her disillusionment with some of the people closest to her.

10,000 first printing.

*Jay's Journal* Simon and Schuster

Selected as one of TheNew York Times Book Review's Best Books of the Year and honored worldwide, *Lisa, Bright and Dark* was an immediate sensation when it was first published. Detailing how mental illness affects friends and family of the ill, *Lisa, Bright and Dark* has been in print for more than forty years. Its value has not diminished over time, and readers throughout the world contact the author regularly to discuss their reactions to it. A straight-through read, it is full of romance, excitement, suspense, and finally triumph.

I Was Born for This Rutgers University Press

In the tradition of *Go Ask Alice* and *Lucy in the Sky*, a harrowing account of anorexia and addiction. She was a good girl from a good family, with everything she could want or need. But below the surface, she felt like she could never be good enough. Like she could never live up to the expectations that surrounded her. Like she couldn't do anything to make a change. But there was one thing

she could control completely: how much she ate. The less she ate, the better—stronger—she felt. But it's a dangerous game, and there is such a thing as going too far... Her innermost thoughts and feelings are chronicled in the diary she left behind.

*Go Ask Alice* Sourcebooks, Inc.

**\*\*THE INSTANT #1 NEW YORK TIMES BESTSELLER\*\*** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy."

—Entertainment Weekly *The Silent Patient* is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

*The "Go Ask Alice" Book of Answers*  
Harper Collins

The beloved New York Times columnist "inspires women to embrace aging and look at it with a new sense of hope" in this lively, fascinating, eye-opening look at women and aging in America (Parade Magazine). "You're not getting older, you're getting better," or so promised the famous 1970's ad -- for women's hair dye. Americans have always had a complicated relationship with aging: embrace it, deny it, defer it -- and women have been on the front lines of the battle, willingly or not. In her lively social history of American women and aging, acclaimed New York Times columnist Gail Collins illustrates the ways in which age is an arbitrary concept that has swung back and forth over the centuries. From Plymouth Rock (when a woman was considered marriageable if "civil and under fifty years of age"), to a few generations later, when they were quietly retired to elderdom once they had passed the optimum age for reproduction, to recent decades when freedom from striving in the workplace and caretaking at home is often celebrated, to the first female nominee for president, American attitudes towards age have been a moving target. Gail Collins gives women reason to expect the best of their golden years.

*Anna's Story* Simon and Schuster  
Provides young people with answers to questions on subjects ranging from sex to drugs to friendship

**American Wife** Celadon Books  
In *Go Ask Alice*, Liz Axelrod invites us to view the world through the looking glass prism of her thoroughly postmodern imagination. Ironically, though, instead of distortions, we enjoy sharp observations that capture our

contemporary landscape with an irreverent and dark, celebratory wit. This collection offers a panoply of our common obsessions—food, sex, politics, technology—showing how they impinge upon and transform our many identities. As passionate as "full moon fever," yet delicate as "hand-colored sound-bytes," these poems create a wonderland of extravagant delights well worth exploring. Elaine Equi \*\*\* "The sky's the limit," writes Liz Axelrod, "if you've got good aim." She does. With Lewis Carroll's Alice as a guide through a terrain of lived experience, Axelrod shoots the shit out of the clown circus that is life itself—and never misses. A single page has healing powers (and not only when watching Netflix). Meanwhile, Axelrod's Saturn births the hexagon cloud that brings our matter home, home to these very healing pages.

Sharon Mesmer

*Go Ask Alice* Ballantine Books  
From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems

unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party

**Praise for Ask a Manager** "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*

"Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**Go Ask Alice** Random House Trade Paperbacks

From the bestselling creator of HEARTSTOPPER and LOVELESS, a deeply funny and deeply moving exploration of identity, friendship, and fame. For Angel Rahimi life is about one thing: The Ark -- a boy band that's taking the world by storm. Being part of The Ark's fandom has given her everything she loves -- her

friend Juliet, her dreams, her place in the world. Her Muslim family doesn't understand the band's allure -- but Angel feels there are things about her they'll never understand. Jimmy Kaga-Ricci owes everything to The Ark. He's their frontman -- and playing in a band with his mates is all he ever dreamed of doing, even it only amplifies his anxiety. The fans are very accepting that he's trans -- but they also keep shipping with him with his longtime friend and bandmate, Rowan. But Jimmy and Rowan are just friends -- and Rowan has a secret girlfriend the fans can never know about. Dreams don't always turn out the way you think and when Jimmy and Angel are unexpectedly thrust together, they find out how strange and surprising facing up to reality can be. A funny, wise, and heartbreakingly true coming of age novel. *I Was Born for This* is a stunning reflection of modern teenage life, and the power of believing in something -- especially yourself.

**Go Ask Malice** Simon and Schuster

A teen plunges into a downward spiral of addiction in this classic cautionary tale. January 24th After you've had it, there isn't even life without drugs... It started when she was served a soft drink laced with LSD in a dangerous party game. Within months, she was hooked, trapped in a downward spiral that took her from her comfortable home and loving family to the mean streets of an unforgiving city. It was a journey that would rob her of her innocence, her youth—and ultimately her life. Read her diary. Enter her world. You will never forget her. For thirty-five years, the acclaimed, bestselling first-person account of a teenage girl's harrowing descent into the nightmarish world of drugs has left an indelible mark on generations of teen readers. As powerful—and as

timely—today as ever, *Go Ask Alice* remains the definitive book on the horrors of addiction.

Faith is told her destiny by Diana Dormer because she is the Chosen One who will stand alone against the vampires, the demons, and the forces of darkness.

[The Book of David Harper Collins](#)

Fourteen-year-old Jennie's life is turning upside down. Her father has walked out, and her anguished mother seeks solace in pills. Her best friend practically abandons her to be with a boyfriend. It

seems like Jennie's real best friend is her diary. Then she meets Mr. Johnstone, the substitute math teacher. Jennie has never met such a charismatic teacher. She feels honored when Mr. J. seems to single her out for special attention, and begins to fantasize about him as her boyfriend. When Mr. J. first reveals his feelings for her, she is thrilled by the relationship that grows outside the classroom walls. Then, slowly, Jennie's diary becomes a record of her loneliness, pain, and confusion. Will it also offer her a way to escape from this treacherous love?
