Her aim was to swap a stressful life servicing a crippling mortgage with a more carefree lifestyle, stripped back to essentials, living in the moment and exploring New Zealand. With no schedule and no real goals and after nearly two years on the road Jackie and her husband Gareth have learnt a lot about the highs and lows of a nomadic life. She writes with humour and insight about their adventures on the road and the lessons they've learnt along the way with anecdotes, tips, suggestions and favourite spots they've been on their travels from the tip of the North Island to Bluff in the South. We learn about the day-to-day reality and challenges of life on the road, top campsites, special spots, how to cope with mozzies and the dreaded condensation, and what the traveller community is really like.

Zealand. Why You Need Lost Travelers First we would like to thank you for considering Lost Travelers as your guide book. Allow us to explain our beginnings, and the reason we created Lost Travelers. Lost Travelers was created due to one simple problem that other guides on the market did not solve; loss of time. Considering it's the 21st century and everything is available on the internet why do we still purchase guidebooks? To save us time! That's right. Since the goal is to be efficient and save time, we did not understand why there are several guidebooks on the market that are of 500 to 1000 page' long. We do not believe one needs that much bluff to get an overview of the location and some remarkable suggestions. Considering many guidebooks on the market are filled with "suggestions" that were sponsored for, we have decided to take a different approach and provide our travelers with an honest opinion and decline any sort of sponsorship. This simply allows us to cut off any nonsense and create our guides the Lost Travelers style. Our mission is simple; to create an easy to follow guide book that outlines the best of activities to do in our limited time at the destination. This easily saves you your most valuable asset; your time. You no longer need to spend hours looking through a massive book, or spend hours searching for information on the internet as we have completed the whole process for you. The best part is we provide you our e-guides for one third the price of the leading brand, and our paper copy for only half the price. Here Is A Quick Preview Of Our Guide Section 1: Welcome to New Zealand Brief Culture and History The Basics Section 2: Travel Guide to Main Destinations Chapter 3: Auckland Chapter 4: Franz Josef Chapter 5: Rotorua Chapter 6: Wellington Chapter 7: Bay of Islands Chapter 8: Nelson Chapter 9: Taupo Chapter 10: Christchurch Chapter 11: Queenstown Chapter 12: Waitomo Conclusion Let us guide you for a better, safer and more enjoyable trip. It's time to get off the beaten path. Inspiring equal parts wonder and wanderlust, Atlas Obscura celebrates over 700 of the strangest and most curious places in the world. Talk about a bucket list: here are natural wonders—the dazzling glowworm caves in New Zealand, or a baobab tree in South Africa that's so large it has a pub inside where 15 people can drink comfortably. Architectural marvels, including the M.C. Escher-like stepwells in

India. Mind-boggling events, like the Baby Jumping Festival in Spain, where men dressed as devils literally vault over rows of squirming infants. Not to mention the Great Stalacpipe Organ in Virginia, Turkmenistan's 40-year hole of fire called the Gates of Hell, a graveyard for decommissioned ships on the coast of Bangladesh, eccentric bone museums in Italy, or a weather-forecasting invention that was powered by leeches, still on display in Devon, England. Created by Joshua Foer, Dylan Thuras and Ella Morton, **ATLAS OBSCURA** revels in the weird, the unexpected, the overlooked, the hidden and the mysterious. Every page expands our sense of how strange and marvelous the world really is. And with its compelling descriptions, hundreds of photographs, surprising charts, maps for every region of the world, it is a book to enter anywhere, and will be as appealing to the armchair traveler as the die-hard adventurer. Anyone can be a tourist. **ATLAS OBSCURA** is for the explorer.
