## CAMERON ERICK

*On Top of Him* HarperCollins UK  
 I've loved Tom Williams for most of my life, but always in secret. He was my brother Bohdan's best friend, and we're the reason Boh is dead. Years have passed, but the truth about us, about what happened that night, is all still a secret. One we've kept from everyone. One I wish I could keep from myself. I knew Tom would be at the family reunion. I even knew we'd end up in bed. What Tom doesn't know is that the husband he thinks waits for me at home is soon going to be my ex-husband...which means that finally, after all this time, Tom and I could have a chance to make what's always been between us into something real. I love Tom, but I'm afraid it's too late for us.

Time can't save a marriage. Time can't unbreak a heart. Time can get me to the edge of the dock...but it cannot make me jump.

Relentless bachelorhood is not enough. All those

women...not enough. Yet Sadie has troubles of her own, and no matter what Joe wants, he can't make himself what she needs. It will take personal tragedy for both of them to find their way to each other, but can a love that grew from such rocky soil ever be expected to bloom? Or will he once again ruin it all, and leave it not only broken, but shattered? Shattered is a companion novella to *Broken*. The story features new material as well as scenes from *Broken* retold in Joe's point of view.

[Broken](#) Chaos

From New York Times bestselling author Megan Hart comes an emotionally charged novel that explores the secrets and lies that can destroy a family...forever. Home isn't always the place you go because they have to take you in. Sometimes, home's the place you can't escape, no matter how far or fast you run. Janelle Decker hasn't been home in a long, long time. She ran away years ago, barely in front of the tragedy that rocked the small town of St. Mary's, Pennsylvania. Only one other person knows the part Janelle played in what happened back then. One man who took the blame for himself. Gabe Tierney stayed behind to face the terrible consequences of the accident that left one

younger brother permanently disabled and the other doing whatever he can to avoid them all. When Janelle returns with her twelve-year-old son to get her life in order and take care of her dying Nan, it should be easy for her and Gabe to rekindle their former friendship – except that Gabe can't forgive Janelle for abandoning him, and Janelle can't reconcile her part in what happened back then. There is no moving forward until you stop yourself from looking back, but will Janelle and Gabe be able to face their lives ahead? Or will their secrets and the lies they told keep them prisoners of their shared past? "A tense look at dark secrets and the redemptive power of truth." – Kirkus Reviews

**Broken: Part Four** (Mills & Boon Spice) Chaos

Don't think don't question just do. The anonymous note wasn't for me. Don't get me wrong, I'm not in the habit of reading other people's mail, but it was just a piece of paper with a few lines scrawled on it, clearly meant for the apartment upstairs. It looked so innocent, but decidedly—deliciously—it was not. Before replacing the note—and the ones that followed—in its rightful slot, I devoured its contents: suggestions, instructions, commands. Each was more daring, more intricate and more arousing than the last...and I followed them all to the letter. Before the notes, if a man had told me what to do, I'd have told him where to go. But submission is an art, and there's something oddly freeing about doing someone's bidding...especially when it feels so very, very good. But I find that the more I surrender, the more powerful I feel—so it's time to switch up roles. We play by my rules now. Originally published in 2009

*All Fall Down* Harper Collins

En sus manos No pienses. No preguntes. Actúa. Aquel anónimo no iba dirigido a mí. No te equivoques conmigo, no tengo la costumbre de leer el correo ajeno, pero era un simple pedazo de papel con unas cuantas líneas escritas a mano. Era evidente que iba dirigido a otro vecino. Parecía una nota inocente, pero, decididamente –y deliciosamente–, no lo era. Al desnudo Sin ataduras. Sin reproches. Sin vuelta atrás. No creía que él pudiera desearme. Y no iba a liarme con él, sobre todo después de lo que había oído. Alex Kennedy era alto, moreno e increíblemente guapo, pero yo ya había sufrido un gran golpe. Cuando le pedí que posara para mí, no esperaba que la sesión fotográfica se volviera tan apasionada. Viaje al pasado Un accidente de infancia convirtió a Emmaline en una persona propensa a sufrir alarmantes desvanecimientos; aunque apenas duraban unos minutos, para ella parecían prolongarse durante una eternidad. Aquellos episodios eran incómodos, pero manejables... hasta que conoció a Johnny Dellasandro. Aquel pintor huraño y solitario había ganado notoriedad en los años setenta por su estilo de vida desenfrenado y sus películas pornográficas de arte y ensayo.
