What about a real, live dinosaur? She could ride it to school. It would need lots of food to eat, a swimming pool to drink from, and a dino flap so it could come and go. The emphasis is on SIZE: how big, tall and heavy were these creatures? Which was the biggest (and smallest) of all? Each page has either two giant folding flaps, to reveal more dinosaurs underneath, or a 4-page concertina-fold pull-out, to reveal the very LONGEST creatures, on land and under the sea. Watch out for the life-size (young) T. rex footprint - big enough for young readers to fit their own foot inside! My Very First Dinosaurs Book This brightly illustrated non-fiction book for very young children is packed with dinosaurs to look at and talk about. Little children can find out about different species of dinosaur, how big they were, what they ate, how they lived and died. Illustrations: Full colour throughout See Inside the World of Dinosaurs

This fun and fabulous collection of standalones includes Cindy Procter-King's *Head Over Heels* and *Borrowing Alex*, Books 1 & 2 in *Love in the Pacific Northwest*. HEAs guaranteed! Book 1: *Head Over Heels* A girl. A guy. A tiny white lie. What could go wrong? (A lot). Magee Sinclair has had it with the recent blunders pushing her family's advertising agency to the brink. How can she accept the promotion her father plans when she keeps making costly mistakes? She needs to bring in more business however she can. So when new client Justin Kane asks her to act as his girlfriend for a weekend in exchange for a lucrative campaign, she jumps at the chance. Justin's goal to expand his chain of bike stores hinges on a distribution deal with a manufacturer. First, he needs to impress the man at a mountain resort while they bike trails with their significant others. But Justin's girlfriend dumps him, forcing him to find a quick replacement. Magee—pretty,

clever, and a skilled cyclist—is the perfect choice. Or so Justin thinks. Because Magee is in major trouble. She knows no more about mountain biking than Justin does about demi-bras. Before long, an irate ex pops up, fake identities abound, and a whole lot of doors slam in the middle of the night. Yet, through the chaos, Magee and Justin discover what it really means to fall head over heels... Book 2: *Borrowing Alex* He can run (or he can try). This good girl is going bad, and Alex is along for the ride. Nikki St. James wants to get married more than anything. But what's she to do when her fiancé spends his days sucking up to her rich father instead of helping with the simple task of, oh, setting a date? Why, fake a fling with the best man, of course! Nikki is the first to admit that ambushing Alex Hart and whisking him off to secluded Lake Eden is a tad desperate. But maybe pretending she's hot for the handsome history professor will kickstart the attention of her future groom. Besides, a sojourn at a lake cabin is exactly what uptight Alex needs. Not that Nikki cares what he needs or how sexy he is... Alex is not onboard with Nikki's plan. Sure, he'd love a break from his quest to achieve tenure at warp speed but getting kidnapped by a crazy blonde hardly tops his to-do list. If what he's heard is true and Nikki is perfectly happy with her "open" engagement to his former college roommate, why bother getting married? Quickly, Alex realizes Nikki isn't a wild party girl. She's cute, sweet—and faithful. Against his common sense, he's falling for her. Should he spill the beans about her rat fiancé? Or will he ruin his own chance for a happy ending?
