Gardening Month by Month in New York State Lone Pine Media BC

When a soldier on a World War I battlefield sends a pine cone home to his mother, he could not know that his simple gift would become a symbol of history and remembrance. Susie Brown and Margaret Warner's sensitive text is evocatively illustrated by Sebastian Ciaffaglione, and tells a story that is about both personal experience and a nation-defining event.

Plants of the Pacific Northwest

Coast Lone Pine International

More than 500 species of mushrooms found from Manitoba to the Pacific Coast are described in detail and meticulously illustrated in full colour. Includes information on habitat, distribution, identification and edibility, with indexes for common names, genera and species, as well as an illustrated glossary.

Perennials for New York State Publishing Partners
