Take Me On Harlequin

A New York Times Bestseller A Washington Post Notable Nonfiction Book of 2020 Named a Best Book of 2020 by NPR "A fascinating scientific, cultural, spiritual and evolutionary history of the way humans breathe—and how we've all been doing it wrong for a long, long time." —Elizabeth Gilbert, author of *Big Magic* and *Eat Pray Love* No matter what you eat, how much you exercise, how skinny or young or wise you are, none of it matters if you're not breathing properly. There is nothing more essential to our health and well-being than breathing: take air in, let it out, repeat twenty-five thousand times a day. Yet, as a species, humans have lost the ability to breathe correctly, with grave consequences. Journalist James Nestor travels the world to figure out what went wrong and how to fix it. The answers aren't found in pulmonology labs, as we might expect, but in the muddy digs of

ancient burial sites, secret Soviet facilities, New Jersey choir schools, and the smoggy streets of São Paulo. Nestor tracks down men and women exploring the hidden science behind ancient breathing practices like Pranayama, Sudarshan Kriya, and Tummo and teams up with pulmonary tinkerers to scientifically test long-held beliefs about how we breathe. Modern research is showing us that making even slight adjustments to the way we inhale and exhale can jump-start athletic performance; rejuvenate internal organs; halt snoring, asthma, and autoimmune disease; and even straighten scoliotic spines. None of this should be possible, and yet it is. Drawing on thousands of years of medical texts and recent cutting-edge studies in pulmonology, psychology, biochemistry, and human physiology, *Breath* turns the conventional wisdom of what we thought we knew about our most basic biological function on its head. You will never breathe the same again.

Crash Into You Harlequin

In this stunning, imaginative novel, Eve Marie Mont transports her modern-day heroine into the life of Jane Eyre to create a mesmerizing story of love, longing, and

finding your place in the world. . . Emma Townsend has always believed in stories--the ones she reads voraciously, and the ones she creates. Perhaps it's because she feels like an outsider at her exclusive prep school, or because her stepmother doesn't come close to filling the void left by her mother's death. And her only romantic prospect--apart from a crush on her English teacher--is Gray Newman, a long-time friend who just adds to Emma's confusion. But escape soon arrives in an old leather-bound copy of *Jane Eyre*. . . Reading of Jane's isolation sparks a deep sense of kinship. Then fate takes things a leap further when a lightning storm catapults Emma right into Jane's body and her nineteenth-century world. As governess at Thornfield, Emma has a sense of belonging she's never known--and an attraction to the brooding Mr. Rochester. Now, moving between her two realities and uncovering secrets in both, Emma must decide whether her destiny lies in the pages of Jane's story, or in the unwritten chapters of her own. . . "Captivating and heartrending. . . Definitely one for the favorites shelf."--Kelly Creagh, author of *Nevermore* "A rich,

wonderful, smart adventure, steeped in romance. I fell into this book in the same way Emma falls into *Jane Eyre* and I didn't want to fall back out again." --Lesley Livingston, author of *Once Every Never* and the *Wondrous Strange* trilogy Eve Marie Mont lives with her husband, Ken, and her shelter dog, Maggie, in suburban Philadelphia, where she teaches high school English and creative writing. Her debut women's fiction novel, *Free to a Good Home*, was published by Berkley Books in 2010.

Memory's Last Breath Harlequin “[A] glorious, glittery saga of friendship and loss... I read *The Air You Breathe* in two nights. (One might say I inhaled it.)” -NPR “Echoes of Elena Ferrante resound in this sumptuous saga.”--O, The Oprah Magazine “Enveloping...Peebles understands the shifting currents of female friendship, and she writes so vividly about samba that you close the book certain its heroine's voices must exist beyond the page.” -People The story of an intense female friendship fueled by affection, envy and pride--and each woman's fear that she would be nothing without the other. Some friendships, like romance, have the feeling of fate. Skinny, nine-year-old orphaned Dores is working in

the kitchen of a sugar plantation in 1930s Brazil when in walks a girl who changes everything. Graça, the spoiled daughter of a wealthy sugar baron, is clever, well fed, pretty, and thrillingly ill behaved. Born to wildly different worlds, Dores and Graça quickly bond over shared mischief, and then, on a deeper level, over music. One has a voice like a songbird; the other feels melodies in her soul and composes lyrics to match. Music will become their shared passion, the source of their partnership and their rivalry, and for each, the only way out of the life to which each was born. But only one of the two is destined to be a star. Their intimate, volatile bond will determine each of their fortunes--and haunt their memories. Traveling from Brazil's inland sugar plantations to the rowdy streets of Rio de Janeiro's famous Lapa neighborhood, from Los Angeles during the Golden Age of Hollywood back to the irresistible drumbeat of home, *The Air You Breathe* unfurls a moving portrait of a lifelong friendship--its unparalleled rewards and lasting losses--and considers what we owe to the relationships that shape our lives.
