Global
In today's
environmental and
economic climate, it is
important for
businesses to drive
development towards
sustainable and zero-
waste industries,
responsibly leveraging
renewable low-cost
inputs to generate
high-value outputs for

the global market. Marine macroalgae presents modern businesses with opportunities for the development of a new and vibrant industry sector that largely fulfills these requirements. **Harnessing Marine Macroalgae for Industrial Purposes in an Australian Context: Emerging Research and Opportunities** provides emerging perspectives on the theoretical and practical aspects of developing a new business sector within the bio-marine industry. Featuring coverage on a broad range of topics such as competitive advantage, food industry, and production systems, this publication is ideally designed for

environmental researchers, business students, engineers, and academicians seeking current research on the economics, regulation, and policy in supporting the development of the macroalgal industry sector in the global market.

La fabrique à bijoux la plus facile du monde Visible Ink Press

When Stephanie moves to the notoriously cheap Perry Bar neighborhood of Birmingham, she's just happy to find an affordable room for rent that's large enough not to deserve her previous room's nickname, "the cell." The eccentric — albeit slightly overly-friendly — landlord seems nice and welcoming

enough, the ceilings are high, and all of the other tenants are also girls. Things aren't great, but they're stable. Or at least that's what she tells herself when she impulsively hands over enough money to cover the first month's rent and decides to give it a go. But soon after she becomes uneasy about her rash decision. She hears things in the night. Feels them. Things...or people...who aren't there in the light. Who couldn't be there, because after-all, her door is locked every night, and the key is still in place in the morning. Concern soon turns to terror when the voices she hears and presence she feels each night become hostile. It's clear that something very bad

has happened in this house. And something even worse is happening now. Stephanie has to find a way out, before whatever's going on in the house finds her first. Adam Nevill's *No One Gets Out Alive* will chill you straight through to the core — a cold, merciless, fear-inducing nightmare to the last page. A word of caution, don't read this one in the dark.

Le Tendre baiser du Tyrannosaure

Editions Le Manuscrit
Darkly funny account of the office worker's mindset by the celebrated French novelist A long-suffering employee in a big corporation has summoned up the courage to ask for a raise. But as he runs through the looming encounter in his mind,

his neuroses come to the surface: What is the best day to see the boss? What if he doesn't offer you a seat when you go into his office? *The Art of Asking Your Boss for a Raise* is a hilarious account of an employee losing his identity—and possibly his sanity—as he tries to put on the most acceptable face for the corporate world, with its rigid hierarchies and hostility to new ideas. If he follows a certain course of action, so this logic goes, he will succeed—but, in accepting these conditions, are his attempts to challenge his world of work doomed from the outset? Neurotic and pessimistic, yet endearing, comic and never less than entertaining, Perce's

Woody Allen-esque underling presents an acute and penetrating vision of the world of office work, as pertinent today as it was when it was written in 1968. *Chuck Amuck* U of Minnesota Press
Notre enfance s'est identifiée aux héros de « Belle et Sébastien » ; les airs de « L'île aux enfants » résonnent encore à nos oreilles ; les chanteurs du « Petit Conservatoire » - ou de « Taratata » - ont rythmé notre adolescence ; les reportages de « Cinq colonnes à la Une » ont fait entrer la planète entière dans notre salon ; les images tremblées du premier homme sur la Lune ou celles, bouleversantes, de l'enterrement de Diana, sont encore imprimées dans nos

réтины. Issus de plus de deux mille numéros de Télé 7 Jours, les textes et les photographies de cet album du souvenir nous font retrouver ces moments d'émotion dans leur intensité d'origine. Des variétés à la politique, des feuillets aux grands reportages, du sport aux magazines de société, à travers quatorze chapitres richement illustrés, un portrait subjectif de la télévision, celle que nous avons tant aimée...

Tempted (Mills & Boon Spice) Simon and Schuster

Fans of *Pretty Little Liars* will crave the mystery and suspense in the second book of #1 New York Times bestselling author Alyson Noël's *Beautiful Idols* series, where

celebrity worship is a dangerous game. Wannabe reporter LAYLA, aspiring actress ASTER, and fledgling musician TOMMY joined the Unrivaled nightclub competition for the same reason—they knew winning it would change their lives. They just never imagined that somewhere along the way they'd become entangled in the disappearance of mega starlet MADISON BROOKS. Now each of them is smack in the center of a media frenzy that threatens to take all of them down. Banding together to clear their names, the fierce adversaries become temporary allies and vow to dig up the truth. But when Layla, Aster, and Tommy team up

with an unsuspecting insider, they will find that some secrets are best kept in the grave. *Silver Borne* Pushkin Press

In New York Times bestselling author Cindy Gerard's sizzling new novel, a ruthless international conspiracy is no match for the irresistible alpha heroes of Black Ops, Inc. A RACE FOR SURVIVAL... Bold, blonde Defense Intelligence officer B. J. Chase isn't exactly thrilled when she's summoned from personal leave to investigate an alarming national security breach -- until the suspicious death of a government official blows her covert mission sky-high. TURNS INTO A PULSE-POUNDING ADVENTURE...

Gorgeous Black Ops bad boy Raphael Mendoza always feared his family's dark history would haunt him. But he never expected it might hold the key to dismantling a rogue weapons system. Now with cool B. J. Chase posing as his hot babe fiancée, he returns to his uncle in Colombia to convince him he can be trusted with the family's dirtiest business secrets. ...AND IGNITES A PASSIONATE FIRE. Carrying out a deception among ruthless killers brings Rafe and B.J. too close to ignore the smoldering heat between them. Now, they must work together as the closest of partners as the countdown to international

catastrophe closes
in....

The Muppet Show

Book Penguin

Greil Marcus, author of *Mystery Train*, widely acclaimed as the best book ever written about America as seen through its music, began work on this new book out of a fascination with the Sex Pistols: that scandalous antimusical group, invented in London in 1975 and dead within two years, which sparked the emergence of the culture called punk. "How can an antichrist!" shouted singer Johnny Rotten "where in the world of pop music did that come from? Looking for an answer, with a high sense of the drama of the journey, Marcus takes us down the dark paths

of counterhistory, a route of blasphemy, adventure, and surprise. This is no mere search for cultural antecedents. Instead, what Marcus so brilliantly shows is that various kinds of angry, absolute demands "demands on society, art, and all the governing structures of everyday life" seem to be coded in phrases, images, and actions passed on invisibly, but inevitably, by people quite unaware of each other. Marcus lets us hear strange yet familiar voices: of such heretics as the Brethren of the Free Spirit in medieval Europe and the Ranters in seventeenth-century England; the dadaists in Zurich in 1916 and Berlin in 1918, wearing

death masks, chanting glossolalia; one Michel Mourre, who in 1950 took over Easter Mass at Notre-Dame to proclaim the death of God; the Lettrist International and the Situationist International, small groups of Paris-based artists and writers surrounding Guy Debord, who produced blank-screen films, prophetic graffiti, and perhaps the most provocative social criticism of the 1950s and 60s; the rioting students and workers of May 68, scrawling cryptic slogans on city walls and bringing France to a halt; the Sex Pistols in London, recording the savage "Anarchy in the U.K." and "God Save the Queen."

Although the Sex Pistols shape the beginning and the end of the story, *Lipstick Traces* is not a book about music; it is about a common voice, discovered and transmitted in many forms. Working from scores of previously unexamined and untranslated essays, manifestos, and filmscripts, from old photographs, dada sound poetry, punk songs, collages, and classic texts from Marx to Henri Lefebvre, Marcus takes us deep behind the acknowledged events of our era, into a hidden tradition of moments that would seem imaginary except for the fact that they are real: a tradition of shared utopias, solitary refusals, impossible demands, and

unexplained disappearances. Written with grace and force, humor and an insistent sense of tragedy and danger, *Lipstick Traces* tells a story as disruptive and compelling as the century itself.

The world's most famous travelling reporter is confused by some very strange goings on involving shattering glass and an packet of cigarettes. But can he solve the mystery in time to protect Professor Calculus? Windows, mirrors and chandeliers are spontaneously shattering and Tintin is left flummoxed. After a shooting and a break in, Tintin knows Calculus is in danger, but he has only one clue - an unusual packet of cigarettes. He has a mystery to solve. But can he do it before a terrible weapon falls into the wrong hands? Join the

most iconic character in comics as he embarks on an extraordinary adventure spanning historical and political events, and thrilling mysteries. Still selling over 100,000 copies every year in the UK and having been adapted for the silver screen by Steven Spielberg and Peter Jackson in 2011. The Adventures of Tintin continue to charm more than 80 years after they first found their way into publication. Since then an estimated 230 million copies have been sold, proving that comic books have the same power to entertain children and adults in the 21st century as they did in the early 20th.

The Art of Asking Your Boss for a

Raise Turtleback Books

In the first four years of U.S. involvement in the Vietnam War (1961-64), Hollywood did not dramatize the current military conflict but rather romanticized earlier ones. Cartoons reflected only previous trends in U.S. culture, and animators comically but patriotically remembered the Revolutionary War, the Civil War, and both World Wars. In the early years of military escalation in Vietnam, Hollywood was simply not ready to illustrate America's contemporary radicalism and race relations in live-action or animated films. But this trend changed when US participation dramatically increased

between 1965 and 1968. In the year of the Tet Offensive and the killings of the Rev. Martin Luther King, Jr., and Senator Robert Kennedy, the violence of the Vietnam War era caught up with animators. This book discusses the evolution of U.S. animation from militaristic and violent to liberal and pacifist and the role of the Vietnam War in this development. The book chronologically documents theatrical and television cartoon studios' changing responses to U.S. participation in the Vietnam War between 1961 and 1973, using as evidence the array of artistic commentary about the federal government, the armed forces, the draft, peace negotiations, the

counterculture movement, racial issues, and pacifism produced during this period. The study further reveals the extent to which cartoon violence served as a barometer of national sentiment on Vietnam. When many Americans supported the war in the 1960s, scenes of bombings and gunfire were prevalent in animated films. As Americans began to favor withdrawal, militaristic images disappeared from the cartoon. Soon animated cartoons would serve as enlightening artifacts of Vietnam War-era ideology. In addition to the assessment of primary film materials, this book draws upon interviews with people involved in the

production Vietnam-era films. Film critics responding in their newspaper columns to the era's innovative cartoon sociopolitical commentary also serve as invaluable references. Three informative appendices contribute to the work.

From the New York Times bestselling author of *Sweet Ache* comes a blistering new novel filled with danger, secrecy, and a desire that can't be sated... Foreign war correspondent Tanner Thomas is addicted to living on the edge. Needing the adrenaline rush of his job to help him cope with a personal loss, he throws himself back into the game, concentrating all his energy on getting the next big story. But when he meets his new photojournalist, Beaux Croslyn, he can't help but feel like he's losing his focus—and maybe

risking more... With secrets she won't address, Beaux is far from your ordinary woman. Determined to keep her distance, she's willing to pull Tanner in closer and hide behind the sparks flying between them. But as Beaux's past begins to put their relationship—and their lives—at risk, Tanner's determination to find the truth puts them both in jeopardy. He's ready to chase her to the ends of the earth to find out if what they had was real, or if the danger surrounding them was just an exquisite heat fated to burn out...

Random House

The illustrated classic, complete with a new preface by Matt Groening. Winner of three Academy Awards

and numerous other prizes for his animated films, Chuck Jones is the director of scores of famous Warner Bros. cartoons and the creator of such memorable characters as the Road Runner, Wile E. Coyote, Pepé Le Pew, and Marvin Martian. In this beguiling memoir, Chuck Jones evokes the golden years of life at "Termite Terrace," the Warner Bros. studio in which he and his now-famous fellow animators conceived the cartoons that delighted millions of moviegoers throughout the world and entertain new generations of fans on television. Not a mere history, Chuck Amuck captures the antic spirit that created classic cartoons—such as Duck Dodgers in the 24½ Century, One

Froggy Evening, Duck Amuck, and What's Opera, Doc?-with some of the wittiest insights into the art of comedy since Mark Twain.

Dave Brubeck Farrar, Straus and Giroux
In the #1 New York Times bestselling Mercy Thompson novels, the coyote shapeshifter has found her voice in the werewolf pack. But when Mercy's bond with the pack—and her mate—is broken, she'll learn what it truly means to be alone...

Attacked and abducted in her home territory, Mercy finds herself in the clutches of the most powerful vampire in the world, taken as a weapon to use against alpha werewolf Adam and the ruler of the Tri-Cities vampires. In coyote form, Mercy escapes—only to find

herself without money, without clothing, and alone in the heart of Europe... Unable to contact Adam and the rest of the pack, Mercy has allies to find and enemies to fight, and she needs to figure out which is which. Ancient powers stir, and Mercy must be her agile best to avoid causing a war between vampires and werewolves, and between werewolves and werewolves. And in the heart of the ancient city of Prague, old ghosts rise...

Hard Beat Penguin
THE DEFINITIVE,
INVESTIGATIVE
BIOGRAPHY OF JAZZ
LEGEND DAVE
BRUBECK ("TAKE FIVE")

In 2003, music journalist Philip Clark was granted unparalleled access to jazz legend Dave Brubeck. Over the course of ten days, he shadowed the Dave Brubeck Quartet during their extended British tour, recording an epic

interview with the bandleader. Brubeck opened up as never before, disclosing his unique approach to jazz; the heady days of his "classic" quartet in the 1950s-60s; hanging out with Duke Ellington, Charlie Parker, Louis Armstrong, and Miles Davis; and the many controversies that had dogged his 66-yearlong career. Alongside beloved figures like Ella Fitzgerald and Frank Sinatra, Brubeck has achieved name recognition beyond jazz. But finding a convincing fit for Brubeck's legacy, one that reconciles his mass popularity with his advanced musical technique, has proved largely elusive. In *Dave Brubeck: A Life in Time*, Clark provides us with a thoughtful, thorough,

and long-overdue biography of an extraordinary man whose influence continues to inform and inspire musicians today. Structured around Clark's extended interview and intensive new research, this book recounts one of the last untold stories of jazz, unearthing the secret history of "Take Five" and many hitherto unknown aspects of Brubeck's early career-and sharing details about his creative relationship with his star saxophonist, Paul Desmond. Woven throughout are cameo appearances from a host of unlikely figures, from Sting, Ray

Manzarek of The Doors, and Keith Emerson to John Cage, Leonard Bernstein, Harry Partch, and Edgard Varèse. Each chapter explores a different theme or aspect of Brubeck's life and music, illuminating the core of his artistry and genius. To quote President Obama, as he awarded the musician with a Kennedy Center Honor: "You can't understand America without understanding jazz, and you can't understand jazz without understanding Dave Brubeck."
